Request for Comments

The Kansas Department for Children and Families (DCF), Division of Economic and Employment Services, LIEAP Program announces that they are seeking comment on their proposed state plan submission for the Low Income Home Energy Assistance Program (LIHEAP).

The Low Income Home Energy Assistance Program provides funding to low income households in Kansas requiring assistance with their utility bills. The 2022 Federal State Plan for this program requires that the opportunity for public comment be provided. A virtual meeting will be held on Tuesday, August 17, 2021 to provide the opportunity to comment on the draft plan. This meet-

ing can be accessed at: https://teams.microsoft.com/l/meetup-join/19%3ameeting_YWFhMzQ3MTAtYzkyYy00MDI3LThhZWMTNTRiYjUzNTQ2ODdm%40thread.v2/0?context=%7b%22Tid%22%3a%22dcae8101-c92d-480c-bc43-c6761cccc5a%22%2c%22Oid%22%3a%229147b747-3d06-475a-b7ea-2a547f7578e4%22%2c%22IsBroadcastMeeting%22%3atru%7d&btype=a&role=a.

The state plan is available for public review and comment. Requests for a copy of the state plan for review may be made via email to Lewis.Kimsey@ks.gov. Comments will be accepted through August 28, 2021.

Wildlife and Parks Commission

Notice of Meeting

A public meeting will be conducted by the Wildlife and Parks Commission at 6:30 p.m. Thursday, August 5, 2021, at the James P. Davis Hall, Wyandotte County Lake Park, 3488 East Dr., Kansas City, Kansas, to consider future regulatory action of the Kansas Department of Wildlife and Parks.

An education session for commissioners may be conducted beginning at 9:00 a.m. August 5, 2021, at the location listed above. A general discussion and workshop meeting on business of the Wildlife and Parks Commission will begin at 1:00 p.m. August 5, 2021, at the location listed above. The meeting will recess at approximately 5:00 p.m. then resume at 6:30 p.m. at the same location for future regulatory action and other business. There will be public comment periods at the beginning of the afternoon and evening meeting for any issues not on the agenda and additional comment periods will be available during the meeting on agenda items. Old and new business may also be discussed at this time. If necessary to complete business matters, the Commission will reconvene at 9:00 a.m. Friday, August 6, 2021, at the location listed above.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation to participate in the meeting should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, Commission Secretary, at 620-672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This notice prior to the meeting constitutes a public comment period for the purpose of receiving written public comments on future regulatory business of the Commission.

All interested parties may submit written comments prior to the meeting to the Chairman of the Commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612 or to sheila.kemmis@ks.gov if electronically. All interested parties will be given a reasonable opportunity at the meeting to express their views orally in regard to future regulatory business of the Commission. During the general discussion and workshop portions of the meeting, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting any future proposed regulation.

Copies of the complete texts of any regulations and their respective economic impact statements may be obtained by writing the chairman of the Commission at the address above, electronically on the department's website at <http://www.ksoutdoors.com>, or by calling 785-296-2281.

Notice of Requested Architectural Services

Notice is hereby given of the commencement of the selection process for architectural services for a Study of Juvenile Facility Options for the Department of Corrections.

The scope of this study is threefold:

1. to study of repurposing the Kansas Juvenile Correctional Facility;
2. to study the establishment three or more smaller, regional juvenile facilities; and
3. to study future plans for the former Larned Juvenile Correctional Facility and other underutilized facilities within the correctional system.

Repurposing of the Kansas Juvenile Correctional Facility should include use by an adult population as appropriate based upon the capacity and design of current adult facilities as well as a remodel or "softening" for use for youth that emphasizes best practice. Regions for consideration should include south-central, northeast, and western Kansas, with a preference toward utilizing existing state and county facilities rather than new construction. The regional facilities should have a capacity of no more than 50 youths in one location and should recommend either a specialized facility design or a full-ser-

(continued)

vice facility like the current facility. A regional approach should outline a centralized Reception and Diagnostic Unit and consider the need to provide full separation and full service for female youths. The study should consider the need for secured facilities versus staff secure. Designs should include ample space for on-site education with a full high school, vocational, programming, and recreational space. The study must be completed by June 1, 2022, in order to give us time to submit by July 1, 2022.

For more information, contact Mike Gaito at mike.gaito@ks.gov, phone 785-746-7482.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <http://admin.ks.gov/offices/ofpm/dcc/f-and-d>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, please call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before August 13, 2021.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) August 18, 2021. The KDOT bid letting will be conducted remotely by audio broadcast
(continued)

ONLY at 3:00 p.m. (CST) Wednesday, August 18, 2021. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

Notice to Consulting Firms

Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for project 166-11 KA-1005-02. Project 166-11 KA-1005-02 is highway improvements on US-166 in Cherokee County. The project location is from the US-166/US-400 Junction east and southeast to 0.5 miles northwest of the Kansas/Missouri state line.

Schedule/Deadlines

Request for Proposals (RFPs) are due on or before 12:00 p.m. (CST) August 6, 2021, to be delivered via email to kdot.designcontracts@ks.gov. Evaluation and ranking of submissions will occur on or about August 18, 2021, after which time all firms that submitted will be notified of the ranking. Negotiations with the most

highly ranked firm to commence on or about September 1, 2021. An agreement should be in place on or about September 15, 2021. The project is scheduled for letting in September 2021. The project early start date is anticipated in November 2021 with a calendar completion date of December 20, 2024.

Scope of Services to be Performed

The project manager/inspectors must be capable inspecting the whole project, which includes grading, sub-grade/base, concrete, HMA plant, HMA roadway, bridges, RCBs, traffic control, seeding, erosion control, CMS or AASHTOWare data entry, all project records, all project paperwork and final paperwork, etc. Project records and paperwork including but not limited to: diary, pay quantities, certifications, sample identifications, change orders, pay estimates, monitoring subcontractor payments, and monitoring contractor's payrolls, etc. Records and paperwork must be submitted accurately and timely. Anticipated staffing needs: provide project management and all inspectors as needed to ensure inspection and material testing for this project are done correctly. The number of required inspectors will fluctuate throughout the project depending on the contractor's schedule and how they pursue the work. Submit the name and work history of the project manager. Provide all the equipment necessary to inspect and test materials.

Instructions for Proposal

No costs shall be contained in the proposal. The technical proposal must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. Submittals will consist of the technical proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

Proposals shall indicate the consultant's ability to meet the project inspection needs described above. Proposals shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under "Scope of Services to be Performed." The proposal shall also include items such as:

- Project manager
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project
- Anticipated time to close out project paperwork

Evaluation Factors

Proposals will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. How the consultant plans to meet the fluctuating inspection needs of the project;
2. Employee names (project manager), certifications, and qualifications proposed for services;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Anticipated time to close out project paperwork;
5. Proximity of inspectors to project;
6. Types of direct expenses anticipated (lodging, mileage, etc.).

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this Technical Proposal Request

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT project inspection agreement will be used for this project. Current rate factors will be used for compensation, and Special Attachments for the Kansas "Tax Clearance Certificate," the "Certificate of Final Indirect Costs," and the "Policy Regarding Sexual Harassment" will become attachments to the contract.

Questions about this request for proposals shall be sent via email to kdot.designcontracts@ks.gov.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm qualified in Category 231 Traffic Control Analysis and Design for the project listed below. A PDF (2Mb maximum size) of the interest response must be emailed to kdot.designcontracts@ks.gov. Interest and experience responses are limited to four pages, the subject line of the reply email and the PDF file name must read "Work Zone Safety_FIRM NAME." The Letter of Interest (LOI) is required and must be received by 12:00 p.m. August 6, 2021, for the consulting firm to be considered. If a firm is not currently prequalified by KDOT a LOI may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms may use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification category definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of con-

tracting and must comply with applicable state and federal laws, rules and regulations.

Project

KDOT seeks to hire a consultant to develop the 2020-2021 Work Zone Safety and Mobility Process Review document to be submitted to FHWA by December 2021. KDOT also wants the consultant to update the 2008 Work Zone Safety and Mobility Processes and Procedures document to be completed by April 2022.

2020/2021 Work Zone Safety and Mobility Process Review Document

- Develop the document to be submitted to FHWA by December 17, 2021
- Will need to interact with district/metro staff for information
- Will need to have meetings with district/metro staff
- May need to take part of field reviews
- Will need to meet with staff in the Bureau of Traffic Engineering and FHWA to review past work zone process reviews and recommendations

Update current Work Zone Safety and Mobility Processes and Procedures Document

- Update current document which is a 2008 version/edition
- Will need to meet with various entities within KDOT to understand current work zone goals and determine future roles, objectives, and responsibilities for the agency
- Review current practices related to significant projects and transportation management plans
- Document to be developed by April 2022.

Instructions for LOI

The main text of the consultant's LOI must not exceed four (4) pages to address the topics listed below. LOIs shall address and include the following items:

- Project manager/engineer in charge.
- Provide name(s), qualifications, education, training, and expertise as well as prior relevant experience of consultant personnel intended to perform Services.

Qualifications-Based Selection Process

No cost or pricing information shall be submitted with the LOI and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the LOI and other information available, on or about August 19, 2021, KDOT will shortlist three to five firms and notify all firms submitting LOIs of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third: 1) quality of the response; 2) experience and expertise of staff designated for project; 3) workload of the firm; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with com-

pensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data
- Capability to provide a means of measuring the reasonableness of incurred costs
- Capability to identify and accumulate allowable costs by contract or project records which will reconcile with the general ledger
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs

Questions can be submitted at kdot.designcontracts@ks.gov.

Kansas Permit No. I-MC36-PO01
 Federal Permit No. KS0101966

Legal Description: S26, T16S, R17E, Franklin County, Kansas

Facility Name: Judd Ranch Quarry

The proposed action is to issue a new State/NPDES permit for a new facility. This facility is engaged in a limestone quarrying operation with no washing. Outfalls 001A1 and 002A1 consist of stormwater runoff, which is treated by a sedimentation pond and grass filter strips, before discharging. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated uses. The proposed permit contains generic language to protect the waters of the state.

Public Notice No. KS-NQ-21-007

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g).

Kansas Permit No. I-CI07-NO03
 Federal Permit No. KSJ000647

Facility Location: NE Intersection of US Highway 56 and Road 10, Stevens County, KS

The proposed action is to reissue an existing State/NPDES permit for an existing non-discharging facility. This facility was previously permitted to Synata Hugoton, LLC. At full production, this facility produces approximately 6,500 barrels per day of renewable diesel by hydrotreating animal fats and vegetable oil feedstocks. The plant generates both contact and non-contact wastewater streams. The non-contact wastewater streams are pumped directly to the storage ponds for evaporation and land application. The contact wastewater streams are treated in an on-site wastewater treatment system with the treated effluent pumped to the storage ponds for evaporation and land application. The proposed permit contains monitoring requirements for chemical oxygen demand, total dissolved solids, total nitrogen, total phosphorus, sulfate, calcium, sodium and chloride.

Public Notice No. KS-EG-21-006

In accordance with K.A.R. 28-46-7 and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, draft permits have been prepared for the use of the well(s) described below within the State of Kansas.

Facility Description: The proposed action is to reissue five Class III Injection Well permits for the wells listed above. Injection of fresh water is to be made into wells Pauly 2-2, 2-3 and 2-4, into the Hutchinson Salt member of the Wellington formation. Saturated brine will be withdrawn from Pauly 2-1. Pauly 2-5 shall remain shut in. The top of the cavity shall be no shallower than 250 feet below the surface. Mining shall not extend into the upper 40 feet of the salt deposit. The maximum operational injection pressure is not to exceed 130 pounds per square inch at the wellhead. The Wellington formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt deposits are first encountered about 204 feet below ground surface and extend to a depth of about 405 feet. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class III Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-45 and other requirements of KDHE.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before August 28, 2021, will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-21-240/247, KS-AG-R-21-022, KS-Q-21-058/060, KS-NQ-21-007, KS-EG-21-006) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Matthew Steele Ph.D., P.E., Section Chief, Livestock Waste Management Section at the KDHE, Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Michael Beezhold at the KDHE, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Rachel Hammond, BEFS, Livestock Waste Management Section at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Christopher Zwiener, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS

66612, telephone 785-296-3056 or email at Christopher.Zwiener@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

State of Kansas

Board of Emergency Medical Services

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10:00 a.m. Wednesday, September 29, 2021, in Room 509 of the Landon State Office Building, 900 SW Jackson, Topeka, Kansas, to consider the adoption of proposed administrative regulations of the Board of Emergency Medical Services on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed amendments to the regulations. All interested parties may submit written comments prior to the hearing to the Board of Emergency Medical Services, Landon State Office Building, 900 SW Jackson, Room 1031, Topeka, KS 66612 or by email to Joseph.House@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed amendments to the regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentations to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Suzette Smith at 785-296-7296 (or TTY 1-800-766-3777). Handicapped parking is located in front of and to the north of the Landon State Office Building.

Summaries of the proposed regulations follow.

K.A.R. 109-3-3, Emergency medical responder; authorized activities, is an existing regulation that further defines the authorized activities for the emergency medical responder.

K.A.R. 109-3-5, Advanced emergency medical technician; authorized activities, is an existing regulation that further defines the authorized activities for the advanced emergency medical technician.

Both regulations are being amended to reflect changes in their approved medication list.

There is no anticipated economic impact to any governmental agency or unit or to the general public in the adoption of these revised regulations.

Copies of the complete regulations and the complete economic impact statements may be obtained from the Board of Emergency Medical Services at the contact information above or can be accessed at <http://www.ksbems.org>.
