Request for Comments

The U.S. Department of Commerce, Economic Development Administration (EDA) is considering a request for federal assistance from Wichita State University (WSU) to construct a Smart Manufacturing and Applied Research Training (SMART) facility in Wichita, Sedgwick County, Kansas. Pursuant to the National Environmental Policy Act (NEPA), the Historic Preservation Act, the Endangered Species Act, and other relevant federal and state laws, EDA is assessing the potential of the proposed project to affect the environment and/or historic properties. This letter serves as public notice to all interested agencies, groups, and individuals.

The proposed project is the construction of a new
(continued)

SMART facility at the WSU Innovation Campus, 1845 Fairmount St., Wichita, Sedgwick County, Kansas, approximately 3.15 miles northeast of downtown Wichita, within the NE ¼ of Section 11, Township 27 South, Range 1 East. [Lat. 37.718274, Long. -97.286031]. This new 85,000 square foot shared research facility will take advantage of proximity to students and researchers, as well as existing parking and utility infrastructure. It will provide shared research labs in robotics, automation, composites, and more.

If you have any information regarding potential impacts to historic properties or environmental resources including wetlands or floodplains associated with this proposed project, please provide it in writing to:

Jenny Benz
Regional Environmental Officer

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to four acres of real property located on the Wichita State University's campus designated as the "Innovation Campus," for the private development and operation of a partnership building or buildings. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. The university intends to lease such space for a mutually agreeable period of time up to sixty years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design

concepts, financial stability, and proposed use. Interested tenants will be required to construct adjacent and adequate surface parking that will not be included in the leased ground. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of building improvement, and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization. If interested, please contact Senior Vice President for Industry and Defense Programs, Dr. John Tomblin at john.tomblin@wichita.edu or Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Notice of Requested Architectural Services

Notice is hereby given of the commencement of the selection process for architectural services for the renovation of Justin Hall at Kansas State University. The Kinesiology Department will relocate faculty offices and specialized instructional space from the current location in the Natatorium to renovated spaced in Justin Hall. This will provide a higher quality space to teach and recruit students while capitalizing on synergies being created by locating the department with the College of Health and Human Services. This will improve space utilization needs for the department, address deferred maintenance needs, and improve life safety systems within Justin Hall. The project construction budget is \$1,037,033.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact Rosanna Carvalho at rcarvalho@ksu.edu, phone 785-532-1732.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/forms-and-documents>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than 5 Mb and follow the current State Building Advisory Commission guidelines which can be found in Part B – Chapter 2 of the Building Design and Construction Manual at <https://admin.ks.gov/offices/facilities-property-management/design-construction--compliance/building-design-and-construction-manual-bdcm>. Paper copies and flash drives containing copies of the proposals are not required.

(continued)

Proposals should be sent to professional.qualifications@ks.gov. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before August 5, 2022.

Notice of Requested Engineering Services

Notice is hereby given of the commencement of the selection process for engineering services for the replacement of the existing Air Handling Unit (AHU) at the College of Veterinary Medicine – East (Innovation Center). The original unit was installed in 2006 and is a 130-ton Trane Intellipak packaged rooftop unit, and is in need of replacement with two smaller AHUs. The existing unit serves the entire facility. The smaller units will allow the lab and lab/office spaces to be served separately from the dedicated office space. Modernization of the building controls system is also requested. The project construction budget is \$833,100.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information, contact Rosanna Carvalho at rcarcvalho@ksu.edu, phone 785-532-1732.

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Scout Energy Management – Lateral C Station has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Scout Energy Management – Lateral C Station, 13800 Montford Rd., Dallas, TX 75240, owns and operates a compressor station located at Section 2, Township 31S, Range 36W, Moscow, Stevens County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review, during normal business hours, at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southwest District Office, 302 W. McArtor Rd., Dodge City, KS 67801-6098. To obtain or review the proposed permit and supporting documentation, contact Cathy Richardson, 785-296-1947, at the central office of KDHE or Ethel Evans, 620-356-1075, at the Southwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, August 22, 2022.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The

written request must be submitted to Cathy Richardson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, August 22, 2022, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. The Goodyear Tire & Rubber Company has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 for the proposed addition of a new tire building machine, eighteen new curing presses, a new tire green spray booth, and the modification of Mixer #11 at their tire manufacturing facility located at 2000 NW US-24 Hwy., Topeka, Shawnee County, KS 66618. Emissions of particulate matter (PM), PM with less than or equal to 10 micrometers in aerodynamic diameter (PM₁₀), PM with less than or equal to 2.5 micrometers in aerodynamic diameter (PM_{2.5}), volatile organic compounds (VOCs), oxides of nitrogen (NO_x), sulfur oxides (SO_x), carbon monoxide (CO), lead, hazardous air pollutants (HAPs), and greenhouse gases (GHG), as carbon dioxide equivalent (CO₂e), were evaluated during the permit review process.

The proposed permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, Prevention of Significant Deterioration (PSD) which adopt the federal standards, procedures, and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attainment areas are areas where the air quality meets or is better than the National Ambient Air Quality Standards (NAAQS).

The PSD regulations require evaluation of emission reduction techniques to identify the best available control technology (BACT) for each regulated pollutant, including GHGs, for which the emission rate exceeds the PSD significant emission level. The purpose of BACT is to affect the maximum degree of reduction achievable, taking into account energy, environmental, and economic impacts for each pollutant under review. Evaluation of the estimated emissions for the proposed project indicates that the emission rate of VOCs exceeds the significant emission level. Since VOC is precursor for Ozone (O₃), BACT for VOC will be considered BACT for O₃. The Goodyear Tire & Rubber Company conducted the required BACT analyses, and KDHE concurs with their findings.

An ambient air quality impact analysis was performed on the air emissions of O₃ from the project using the EPA's 2019 guidance entitled, "Guidance on the Development of Modeled Emission Rates for Precursors (MERPs) as a Tier 1 Demonstration Tool for Ozone and PM_{2.5} under the PSD Permitting Program (MERP Guidance)". The analysis demonstrated no significant impact on ambient air quality for O₃, with VOC as precursor. This project also did not consume any PSD increment. No assessment of visibility impacts at a Class I area was performed by the facility because there are no Federal Class I areas located within 300 km of the proposed facility. The facility did not conduct a visibility

impact analysis for a local Class II area because the proposed project only triggers PSD for VOC, and the VOC emissions are not expected to impact visibility. No adverse impacts on soils and vegetation in the area are expected.

A public comment period has been established to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. The public comment period is to begin on Thursday July 21, 2022 and end at 12:00 p.m. Monday, August 22, 2022. Written comments should be submitted in writing to Shelley Schupp, KDHE/Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366.

Any member of the public may request to hold a public hearing to receive comments on the proposed issuance of the draft air quality construction permit. A written request to hold a public hearing should be sent to the attention of Shelley Schupp at the address listed above or by fax to 785-559-4256 and must be received by 12:00 p.m. August 22, 2022. If a pertinent request is received, a public hearing is tentatively scheduled by KDHE to be held beginning at 1:00 p.m. August 25, 2022, at the Topeka and Shawnee County Public Library, Marvin Auditorium 101B, 1515 SW 10th Ave., Topeka, KS 66604-1374, and continuing until audience members have an opportunity to submit comments. If no pertinent requests to hold the public hearing are received by 12:00 p.m. Monday, August 22, 2022, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <https://www.kdhe.ks.gov/413/Public-Notices>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Monday, August 8, 2022, by contacting Shelley Schupp at 785-368-7030.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review for a period of 30 days from the date of publication during normal business hours (8:00 a.m. to 5:00 p.m.) at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. Also, a copy of the proposed permit only can be reviewed, at the KDHE Northeast District Office, 800 W. 24th St., Lawrence, Kansas. To obtain or review the proposed permit and supporting documentation, contact Shelley Schupp, at the central office of the KDHE and to review the proposed permit only, contact Wendi Kessler in the KDHE Northeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CDT) August 17, 2022. The KDOT bid letting will be conducted remotely by audio broadcast ONLY at 3:00 pm. (CDT) Wednesday, August 17, 2022. To join the conference call, dial 866-620-7326 and enter conference code 5895748207. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CDT) August 10, 2022, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category 241 Construction Inspection and Testing.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Project Number	Route and Scope	Project Location
KA-3915-01	US40-055 Bridge Replacement	Bridge #008 on US-40 located 4.85 miles northeast of east junction of K-25 in Logan County

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant’s scope: Construction Inspection/Testing.

KA-3915-01 will be managed out of the KDOT office in Oakley, Kansas.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (CDT) August 10, 2022

- Anticipated Start Date: October 3, 2022
- Anticipated Calendar Completion Date: June 1, 2023

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be count as two or more pages depending on size.
- A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
- The subject line of the email and the PDF file name must read:
 - “KA-3915-01-ConstInsp RCB in Logan Co_FIRM NAME”
- The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
- The outline in Table 3 below describes the expected proposal organization and content sections.
- Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Table 3: Proposal Content

Section	Description of Intent
Cover Letter	(No more than 1 page)
Project Approach	Describe how your firm will meet the fluctuating inspection needs of the project.
Approach to Quality Control	Describe methods or procedures your firm will use to provide all services with professional quality and technical accuracy.
Qualifications and Experience	For key personnel to be assigned to the project provide names, qualifications, education, training, and expertise. Identify their area(s) of responsibility and percent of their time dedicated to the project. List work for which you do not have in-house capability and name the firm you propose to subcontract with.
Past Performance	Describe team’s past performance with respect to ability to meet project schedules; quality of work; and ability to control costs on similar transportation projects, especially those performed for KDOT. Include three references and contact information.
Familiarity with KDOT and Project Area	Describe team’s familiarity with KDOT’s inspection processes and standards. Describe familiarity with the project area and any identified special site conditions.

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for professional services projects. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until July 28, 2022; answers will be provided to all prequalified consultants on August 3, 2022.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CDT) July 29, 2022, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT but not in a particular category. Firms must demonstrate qualifications that include required staff and equipment to provide the services needed to gather samples and analyze samples for testing.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequalification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Table 1: Background and Scope of Project

Project Number	Background and Scope of Project
KA-5727-01	The overall scope this project is to replace the bridge over the Neosho River on US-59 located 2.4 miles north of the K-47/US-59 junction. The project work will include construction activities within the wetted channel of the Neosho River. During consultation with the Kansas Department of Wildlife and Parks (KDWP) for project impacts to state listed threatened and endangered species it was determined that the project work had the potential to impact designated critical habitat for six mussel species and one fish species (Ouachita Kidneyshell <i>Ptychobranchius occidentalis</i> , Western Fanshell <i>Cyprogenia aberti</i> , Butterfly <i>Ellipsaria lineolata</i> , Flutedshell <i>Lasmigona costata</i> , Rabbitsfoot <i>Quadrula cylindrica</i> , Neosho Mucket <i>Lampsilis rafinesqueana</i> , and Neosho Madtom <i>Noturus placidus</i>). KDWP has requested a survey of the project area to characterize the substrate to determine if critical habitat for the above listed species is present within the project area.

Project Number	Type		
KA-5727-01	Neosho River Substrate Characterization		

Anticipated Consultant Scope

Consultant staff performing work should have a biologist, environmental scientist, or geologist on staff with experience performing substrate characteristics, stream surveys, habitat assessments, or mussel habitat evaluations.

Sampling Plan

- The consultant will create a sampling plan using the protocol described by the Kansas Department of Wildlife and Parks Environmental Services Section (Appendix 1). The sampling plan will need to include the accurate number of transects and sampling points.

Field Sampling

- The consultant will complete the onsite survey of the streambed substrate following the KDWP protocol for sampling the project area. Each sample point will be required to have the substrate physically sampled, characterized, depth of sample, percent embeddedness of substrate, and location recorded. Notify KDOT of the proposed onsite sampling dates.

Final Report

- The consultant will be required to create a report for submittal and review by KDWP. The report will need to describe the sampling location, sampling activities, analysis of the data collected, and summary of the results.
- The final report should include the following:
 - Introduction: General overview of the project work and purpose of the project.
 - Site Description/Overview: Location of the project and sampling conditions.
 - Sampling Methods: Who performed the sampling work, techniques, description of transects, sampling points, and equipment used.
 - Results: General description of all the substrate characterized.
 - Conclusion: Analysis of the data collected and determination of mussel habitat if present.
 - References: Literature cited, websites, and other media used.
 - Maps: Showing project location.
 - Figures: Diagrams, aerial map overlays, or plans sheets showing locations of transect and sampling points within the evaluated area.
 - Tables: Show data collected including transects, sample locations, depth of samples, substrate size classification, and percent embeddedness of substrate.
 - Graphs: (optional) Visually represent the amount of each size class of substrate sampled.

Anticipated KDOT Scope

- Field Check Plans**
 - KDOT Environmental Services Section (ESS) will provide the consultant with the most recent field check plans.
- Sampling Plan**
 - KDOT ESS staff will be available to assist the consultant with interpretation of field check plans in developing the sampling plan for the

project area and help with clarification of KDWP sampling guidance information.

- Final Report**

- KDOT ESS can provide examples of past substrate reports for reference. Staff will review the final draft of the report for comprehensiveness of required information and approval for final submittal to KDWP.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (CDT) July 29, 2022
- The program fiscal year for this project is FY 2024 (July 2023–June 2024)
- Important dates in Phase:
 - Field Work: August–December 2022
 - Final Report: December 16, 2022

Instructions for Proposal

- No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
- The consultant’s proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5” x 11”). Any page larger than standard letter size will be count as two or more pages depending on size.
- A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
- The subject line of the email and the PDF file name must read:
 - “KA-5727-01, Neosho River Substrate Survey, Neosho County, FIRM NAME”
- The proposal must be accompanied by Special Attachments No. 8 (“Tax Clearance Certificate”) and No. 10 (“Policy Regarding Sexual Harassment”). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
- The outline in Table 3 below describes the expected proposal organization and content sections.
- Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Appendix 1: KDWP Substrate Characterization

Project sponsor or representative must characterize the substrate within the project area, including a 10-meter buffer upstream and downstream of work area.

The general guidelines for substrate characterizations require a minimum total of five cross section transects be analyzed: at least two within the proposed work area,

one within a 10-meter buffer upstream of the project area, and two within a 10-meter buffer downstream of the project area. Cross section transects should be separated by no more than five meters.

Example: A proposed project will approximately require a 20-meter wide (upstream to downstream distance) work area. This would require a minimum of eight total cross section transects: five within the work area, one within 10 meters of the upstream work area boundary, and two within 10-meters of the downstream work area boundary.

Along each cross section transect, a total of nine evenly spaced substrate samples should be collected and recorded by category. Samples 1 and 9 will occur at the water’s edge on either side of the river and point 5 will be taken in the center of the river. Please see below for substrate categories.

RS = BEDROCK (SMOOTH) *(LARGER THAN A CAR)
RR = BEDROCK (ROUGH) *(LARGER THAN A CAR)
BL = BOULDER (250 TO 4000 MM) *(BASKETBALL TO CAR)
CB = COBBLE (64 TO 250 MM) *(TENNIS BALL TO BASKETBALL)
GC = COARSE GRAVEL (16 TO 64 MM) *(MARBLE TO TENNIS BALL)
GF = FINE GRAVEL (2 TO 16 MM) *(LADYBUG TO MARBLE)
SA = SAND (0.06 TO 2 MM) *(GRITTY-UP TO LADYBUG SIZE)
FN = SILT/CLAY, MUCH (NOT GRITTY, FEELS LIKE LOTION)
WD = WOOD (ANY SIZE)
OT = OTHER (PLEASE DESCRIBE)

Once a substrate characterization report has been delivered to KDWP, we will determine if a mussel survey is necessary, and if warranted, issue an Action Permit with Special Conditions detailing mussel survey, collection, and translocation protocols.

State of Kansas

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the projects described below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CDT) August 10, 2022, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be prequalified by KDOT or otherwise demonstrate qualification in category 322 Bridge Inspection.

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. Firms not prequalified must also provide documentation that demonstrates the firm is qualified for each specified category listed in this notice for the project. Firms must use the KDOT prequalification form to provide this documentation. KDOT 1050 Prequal-

ification Category Definitions (Blue Book) can be found at <http://www.ksdot.org/descons.asp>. Consultants may create a team to meet the prequalification requirements. All firms doing business with KDOT must be registered and in good standing under the laws of the State of Kansas at the time of contracting and must comply with applicable state and federal laws, rules, and regulations.

Background and Scope of Project

The Kansas Department of Transportation is seeking a consultant to provide statewide bridge inspection services consisting of required Fracture Critical Member inspections and ultrasonic inspections of Pin and Hanger connections, all on the local system, starting with the inspections due in 2023 (work associated with these projects may begin in 2022). Due to the unique nature of these inspections, as well as the need at times to use specialized access equipment, these independent programs are offered by KDOT to the local bridge owners as a method to economically share the costs of equipment and for the economic benefits of bundling inspections. As such, KDOT intends to select one (1) prime service provider for both programs.

Inspections are to be performed in accordance with the latest published edition of the KDOT Bureau of Local Projects Local Bridge Inspection Manual, Local Fracture Critical Member Inspection Scope of Services; and the Local Pin and Hanger Inspection Scope of Services (available at <https://kart.ksdot.org>).

Table 1: Project Summary

Project Number	Scope	Location and Typical Structure Age
C-4864-03	Ultrasonic inspections of Pin and Hanger connections	Statewide; 1980's structures
KA-4089-03	Fracture Critical Member bridge inspection	Statewide; Early 2000's structures

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant's scope:

- Provide an estimate of cost for work to be performed each year to be approved prior to commencing inspections (NOT with response to this Request for Proposals). Information including historical participation and locations can be requested via email to KDOT.DesignContracts@ks.gov, no later than the question deadline listed below.
- Note: These files are potentially useful for conceptual planning efforts during proposal development but should not be considered final documents.
- Inspect Pin and Hanger connections on local system bridges. Pin and Hanger inspections are required on 12-, 24-, or 48-month cycles (dependent on several variables). KDOT anticipates eight (8) on 12-month interval; seven (7) on 24-month interval; and twenty-one (21) on 48-month interval over the life of this agreement.
- Provide Fracture Critical Member inspections on bridges requested by individual owners to KDOT-Bureau of Local Projects. Fracture Critical Member inspections are required on 1- or 2-year

cycles. KDOT anticipates about 40-50 annually over the life of this agreement.

- Provide a final cost-per-bridge for each inspection performed at the end of each program year. Input inspection data into the KDOT-BLP Bridge Inspection Portal.
- Provide PDFs of the Draft Inspection Reports to the KDOT Program Manager for review and approval.
- Upload PDFs of the Final Inspection Reports into the Bridge Inspection Portal and provide them to the KDOT Program Manager for distribution to the bridge owners.

Anticipated Schedule and Key Dates

- Proposals are due by or before 12:00 p.m. (CDT) August 10, 2022
- An executed agreement is anticipated on or before October 1, 2022.
- The program fiscal years for this project are FY23 to FY27.

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 4 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be counted as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. "C-4864-03_KA-4089-03-PH_FCM BR Insp 23-27_FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate") and No. 10 ("Policy Regarding Sexual Harassment"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing. Both attachments are required for every firm involved in a multi-consultant team.
6. The outline in Table 2 below describes the expected proposal organization and content sections.
7. Table 3 lists the evaluation criteria and associated weights which will be used to make a selection.

Contract Terms and Conditions

KDOT anticipates establishing a year-by-year program agreement for engineering and technical services for the scope described above. The following special attachments will need to be provided by the selected consultant and all subconsultants with the signed work order following negotiations and will become attachments to the contract.

- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Special Contract Conditions

One consultant will be selected and can bring a sub-consultant(s) if they choose. An agreement will be negotiated with the selected firm. KDOT intends for this agreement to have a 4-year term with work orders being initiated annually to cover the work required for each type of inspection in that year.

Questions

All questions regarding this Request for Proposals shall be emailed to KDOT.DesignContracts@ks.gov.

Questions can be submitted until July 28, 2022; answers will be provided to all prequalified consultants on August 3, 2022.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting firm or team of firms to perform professional services for the project(s) described in Table 1 below. Interested consultants must email a proposal to KDOT.DesignContracts@ks.gov by 12:00 p.m. (CDT) August 10, 2022, to be considered for selection.

Consultant Prequalification

Interested consulting firms must be pre-qualified by KDOT or otherwise demonstrate qualification in category(s):

- 201 Location and Design Concept Studies/Corridor Studies
- 211 Highway Design-Major Facility
- 231 Traffic Control Analysis and Design
- 301 Land Surveying
- 302 Engineering Surveying
- 336 Right of Way Services
- 401 Landscape Seeding and Erosion Control

If a firm is not currently prequalified by KDOT, a proposal may still be submitted. KA-6559-01	054-088 US-54 Reconstruction/Expansion to 4-lane	3.1	US-54/US-83 intersection to County Road 6 in Seward County

Anticipated Consultant Scope

KDOT anticipates the following to be included in the consultant's scope:

Planning Study Services; Discovery Phase Services

Based on funding needs identified and developed during the Discovery Phase, the Consultant selected for this RFP may or may not continue providing services up through the Preliminary and/or Final design and Construction Engineering Services phases. Additional scope which may be added during later phases (at the Secre-

tary's discretion) may include Survey Services; Preliminary Design Services; Final Design Services; Pavement Design Services; Public Involvement Services; Environmental Documentation Preparation (Permitting); Geotechnical Services; Right of Way Services; Letting and Construction Phase Services; 3D Electronic; Deliverables Preparation.

Current expectations for consultant scope are detailed below. The scope included herein may not be all-inclusive. A scoping meeting will take place after consultant selection is made.

Project Management

- Develop and communicate Project Management Plan and Quality Assurance Plan.
- Perform quality control checks according to Quality Assurance Plan.
- Provide electronic plan files compliant with KDOT Graphic Standards Manual, including CAD conformance checks and ControlCAD indexed DGN files with ProjectWise attributes.
- Provide bi-annual construction cost estimates and at major project milestones.

Environmental

- High-level data gathering.
- Identify potential issues.
- Subsequent phases may include:
 - Completing environmental data collecting and analysis.
 - Submitting findings.
 - Final permitting.

Road Design

- Discovery Phase.
- Visit the project site location.
- Subsequent phases may include:
 - Develop plans to Materials and Research.
 - Develop Preliminary Plans to Field Check.
 - Develop Office Check Plans.
 - Perform roadway geometric design, drainage design, and roadside safety analysis.
 - Develop Final Plans for Construction.

Survey and Right of Way

- Utilize existing LIDAR data for preliminary location survey.
- Subsequent phases may include:
 - Provide a full survey including structures in the existing right of way. The deliverables shall incorporate the full project and will be provided in the Kansas Regional Coordinate System.
 - Establish and determine impacts to right of way and utilities.
 - Building of the existing right of way.
 - Based upon consultant's field survey data and historical KDOT project information, consultant shall establish and compile into a right of way strip map the positions and locations of the existing highway right of way and property lines for the ownership adjacent thereto. Consultant shall perform these activities using coordinate geometry and Bentley Open Site Designer.

Traffic Engineering

- Discovery Phase.
- Subsequent phases may include:
 - Develop permanent signing and pavement marking plans.
 - Develop Traffic Control Plans.

Transportation Planning

- Develop both daily and AM/PM peak hour traffic for base/future year traffic for the study area.
- Data collection of present traffic (counts) as needed or deemed necessary. Data collection of present traffic (counts) as needed or deemed necessary.
- Coordinate information with the Transportation Planning Forecasting Group

Activities to be performed by KDOT

Environmental services, including lead paint and asbestos testing and permit application.

Note: Technical data to support these activities will be required from the consultant immediately after field check. Utility coordination, if required. Geotechnical services including soil investigations, bridge foundation geology, pavement field investigation and design, and surfacing recommendations.

Anticipated Schedule and Key Dates

1. Proposals are due by or before 12:00 p.m. (CDT) August 10, 2022
2. The program fiscal year for this project is FY 2023.
3. Other important dates:
 - a. Begin Study: October 17, 2022
 - b. End Study: May 19, 2023

Instructions for Proposal

1. No cost or pricing information shall be submitted with the proposal. Proposals including cost or pricing information will be considered non-responsive and withdrawn from further consideration.
2. The consultant's proposal must not exceed 5 pages total (including any cover letter, index, etc.). All pages shall be standard letter size (8.5" x 11"). Any page larger than standard letter size will be count as two or more pages depending on size.
3. A single PDF (2MB maximum size) of the proposal including all attachments must be emailed to KDOT.DesignContracts@ks.gov by the proposal due date and time.
4. The subject line of the email and the PDF file name must read:
 - a. "KA-6559-01 U-54 Discovery in Seward County _FIRM NAME"
5. The proposal must be accompanied by Special Attachments No. 8 ("Tax Clearance Certificate") and No. 10 ("Policy Regarding Sexual Harassment"). If you need a Tax Clearance Certificate, you can request one at <https://www.ksrevenue.gov/taxclearance.html>. Allow 2-3 business days for processing.
6. The outline in Table 3 below describes the expected proposal organization and content sections.
7. Table 4 lists the evaluation criteria and associated weights which will be used to make a selection.

Board of Healing Arts

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 1:00 p.m. Thursday, September 22, 2022, in the board room at the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, Kansas, to consider a proposed regulation related to the reentry active license to practice medicine and surgery and osteopathic medicine.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the regulation. All interested parties may submit comments prior to the hearing to Courtney Cyzman, General Counsel, at the Board of Healing Arts at the address above or via email to KSBHA_HealingArts@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed regulation during the public hearing. In order to provide all parties with an opportunity to present their views, it may be necessary to request each participant limit any oral presentations to five minutes.

A copy of the proposed regulation and the Economic Impact Statement for the proposed regulation may be obtained from the Kansas State Board of Healing Arts, 800 SW Jackson, Lower Level – Suite A, Topeka, KS 66612, on the agency website at <http://www.ksbha.org/publicinformation/publicinformation.shtml>, by contacting Lee-Ann Hunter-Roach at 785-296-4502, or by emailing the agency at KSBHA_HealingArts@ks.gov.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation being considered and the economic impact statement in an accessible format. Requests for accommodation to participate in the

hearing should be made at least five working days in advance of the hearing by contacting Sheila Rice at 785-296-8558 or at Sheila.Rice@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-766-3777 for communication accommodations. Handicapped parking is located on 8th Street and in the building's parking garage. From the street, both the west entrance to the building on Jackson Street and the north entrance on 8th Street are accessible.

A summary of the proposed regulation and the economic impact follows:

K.A.R. 100-6-6. Reentry active license; medicine and surgery and osteopathic medicine.

The purpose of this proposed regulation is to provide requirements for issuance, maintenance, and scope of the practice for a reentry active license for those practicing medicine and surgery and osteopathic medicine.

While a qualified economist would be required to provide an expert opinion of the regulation's impact on economic activity and growth, in the lay opinion of agency staff, the regulation enhances business activities because the regulation implements an available license type for physicians who wish to reenter the practice of medicine.

This regulation was developed during a publicly noticed open meeting of the Board, and the Board is following all notice and open meeting hearing requirements associated with promulgating this regulation. Further it should be noted that the Board of Healing Arts is comprised of medical practitioners, business owners, and members of the public. The Board of Healing Arts intends to comply with all public hearing requirements involved in the regulation promulgation process.

(See economic impact statement approved by the Department of Budget.)

Temporary Administrative Regulations

Article 11. – ADVANCED PRACTICE REGISTERED NURSES (APRN)

60-11-101. Definition of expanded role. Each “advanced practice registered nurse” (APRN), as defined by K.S.A. 65-1113 and amendments thereto, shall function in an expanded role to provide primary, secondary, and tertiary health care in the APRN's role of advanced practice. Each APRN shall be authorized to make independent decisions about advanced practice nursing needs of families, patients, and clients and medical decisions. Each APRN shall be directly accountable and responsible to the consumer.

This regulation shall become effective on July 1, 2022. (Authorized by and implementing K.S.A. 2021 Supp. 65-1113 and K.S.A. 65-1130, as amended by 2022 S Sub for HB 2279, sec. 1; effective May 1, 1984; amended March

31, 2000; amended Sept. 4, 2009; amended May 18, 2012; amended, T-60-7-18-22, July 18, 2022.)

60-11-104. Functions of the advanced practice registered nurse in the role of nurse practitioner. Each advanced practice registered nurse in the role of nurse practitioner shall function in an advanced role at a specialized level, through the application of advanced knowledge and skills and shall be authorized to perform the following:

(a) Provide health promotion and maintenance, disease prevention, and independent nursing diagnosis, as defined in K.S.A. 65-1113 and amendments thereto, and treatment, as defined in K.S.A. 65-1113 and amendments thereto, of acute and chronic diseases;

(b) develop and manage the medical plan of care for patients or clients;

(c) provide health care services for which the nurse practitioner is educationally prepared and for which competency has been established and maintained. Educational preparation may include academic coursework, workshops, institutes, and seminars if theory or clinical experience, or both, are included;

(d) provide health care for individuals by managing health problems encountered by patients and clients; and

(e) provide innovation in evidence-based nursing practice based upon advanced clinical expertise, decision making, and leadership skills and serve as a consultant, researcher, and patient advocate for individuals, families, groups, and communities to achieve quality, cost-effective patient outcomes and solutions.

This regulation shall become effective on July 1, 2022. (Authorized by and implementing K.S.A. 2021 Supp. 65-1113 and K.S.A. 65-1130, as amended by 2022 S Sub for HB 2279, sec. 1; effective May 1, 1984; amended, T-85-16, June 5, 1984; amended May 1, 1985; amended Sept. 4, 2009; amended May 18, 2012; amended, T-60-7-18-22, July 18, 2022.)

60-11-105. Functions of the advanced practice registered nurse in the role of nurse-midwife. Each advanced practice registered nurse in the role of nurse-midwife shall function in an advanced role through the application of advanced skills and knowledge of women's health care through the life span and shall be authorized to perform the following:

(a) Provide independent nursing diagnosis, as defined in K.S.A. 65-1113 and amendments thereto, and treatment, as defined in K.S.A. 65-1113 and amendments thereto;

(b) develop and manage the medical plan of care for patients or clients;

(c) provide health care services for which the nurse-midwife is educationally prepared and for which competency has been established and maintained. Educational preparation may include academic coursework, workshops, institutes, and seminars if theory or clinical experience, or both, are included;

(d) in a manner consistent with subsection (c), provide health care for women, focusing on gynecological needs, pregnancy, childbirth, the postpartum period, care of the newborn, and family planning, including indicated partner evaluation, treatment, and referral for infertility and sexually transmitted diseases; and

(e) provide innovation in evidence-based nursing practice based upon advanced clinical expertise, decision making, and leadership skills and serve as a consultant, researcher, and patient advocate for individuals, families, groups, and communities to achieve quality, cost-effective patient outcomes and solutions.

This regulation shall become effective on July 1, 2022. (Authorized by and implementing K.S.A. 2021 Supp. 65-1113 and K.S.A. 65-1130, as amended by 2022 S Sub for HB 2279, sec. 1; effective May 1, 1984; amended, T-85-16, June 5, 1984; amended May 1, 1985; amended Sept. 4, 2009; amended May 18, 2012; amended, T-60-7-18-22, July 18, 2022.)

60-11-107. Functions of the advanced practice registered nurse in the role of clinical nurse specialist. Each advanced practice registered nurse in the role of clinical nurse specialist shall function in an advanced role to provide evidence-based nursing practice within a specialty area focused on specific patients or clients, populations, settings, and types of care. Each clinical nurse specialist shall be authorized to perform the following:

(a) Provide independent nursing diagnosis, as defined in K.S.A. 65-1113 and amendments thereto, and treatment, as defined in K.S.A. 65-1113 and amendments thereto;

(b) develop and manage the medical plan of care for patients or clients;

(c) provide health care services for which the clinical nurse specialist is educationally prepared and for which competency has been established and maintained. Educational preparation may include academic coursework, workshops, institutes, and seminars if theory or clinical experience, or both, are included;

(d) provide care for specific patients or clients or specific populations, or both, utilizing a broad base of advanced scientific knowledge, nursing theory, and skills in assessing, planning, implementing, and evaluating health and nursing care; and

(e) provide innovation in evidence-based nursing practice based upon advanced clinical expertise, decision making, and leadership skills and serve as a consultant, researcher, and patient advocate for individuals, families, groups, and communities to achieve quality, cost-effective patient outcomes and solutions.

This regulation shall become effective on July 1, 2022. (Authorized by and implementing K.S.A. 2021 Supp. 65-1113 and K.S.A. 65-1130, as amended by 2022 S Sub for HB 2279, sec. 1; effective May 1, 1984; amended, T-85-16, June 5, 1984; amended May 1, 1985; amended Sept. 4, 2009; amended May 18, 2012; amended, T-60-7-18-22, July 18, 2022.)

(c) For this game, a play/prize symbol shall appear in 69 play spots within the play area or areas.

(d) The ticket numbers in each book of tickets in this game shall start with 000 and end with 014.

(e) The price of instant tickets sold by a retailer for this game shall be \$20.00 each.

(f) "Win \$100,000" is a key number match game with multiplier features and three bonus symbol match areas. The player will scratch the play area to reveal six "WINNING NUMBERS" and 30 "YOUR NUMBERS" with a prize amount below each of the "YOUR NUMBERS." If a player matches any of the "YOUR NUMBERS" to any of the "WINNING NUMBERS," the player wins the prize shown below that number. If a player reveals a symbol of a 2X, the player wins double the prize amount shown below that symbol. If a player reveals a symbol of a 5X, the player wins 5 times the prize amount shown below that symbol. If a player reveals a symbol of a 10X, the player wins 10 times the prize amount shown below that symbol. The player will scratch the three bonus play areas; if the player reveals a symbol of a \$20, \$50 or \$100, the player wins that amount.

(g) Each ticket in this game may win up to 33 times.

(h) Approximately 300,000 tickets shall be ordered initially for this instant game. Additional ticket orders shall have the same prize structure, the same number of prizes per prize pool of 300,000 tickets, and the same odds as were contained in the initial ticket order.

Article 18.—GENERIC PLAYER LOYALTY CLUB RULES

111-18-3. PlayOn program overview; registration.

(a) The PlayOn program shall be powered by the Stellar Loyalty, Inc. loyalty solution platform and administered by Pollard Banknote Limited for the Kansas lottery. PlayOn can be accessed through the Kansas lottery’s website at www.kslottery.com or any mobile version of PlayOn or mobile application which allows access to PlayOn. PlayOn offers Kansas lottery players various opportunities to earn and collect points which can be used to participate in drawings and other promotional opportunities.

(b) Any natural person, at least 18 years of age with a street mailing address in the United States or a United States territory, is eligible to join PlayOn through the registration process which requires a player to complete a member profile and provide personal information, including but not limited to age verification. Post office box addresses are not acceptable.

(c) The registration of all members in the Kansas lottery’s players club immediately prior to implementation of PlayOn will automatically transfer to the Kansas PlayOn program. Said member will be required to activate his or her new account in PlayOn.

(d) Members can earn points by submitting eligible Kansas lottery ticket product code entries on the PlayOn site and by participating in challenges and other activities or through free points awards offered by the Kansas lottery. A member is limited to entering a total of 40 tickets per calendar day, which includes game tickets for any second-chance drawing promotion(s).

(e) Members can use points to participate in drawings and other promotional offers provided by PlayOn.

(f) Points have no monetary or property value and shall not necessarily be associated with the face value of tickets.

(g) Point value will be revealed upon the successful submission of each eligible ticket or completion of a promotion or activity. Each eligible ticket has a point value based upon a range of values assigned by the Kansas lottery and is subject to change.

(h) Points are not transferable for any reason, including upon the death of a member or in a domestic dispute matter. Point balances from more than one account shall not be combined.

(i) Each member shall be responsible to ensure that his or her account points are properly credited. A member

may submit a claim by email via the PlayOn “Contact & Support” link within five days of the date of claimed accrual of points; otherwise, such claims are null and void.

(j) Members are solely responsible for all activity on their accounts and for the security of their computer systems.

(k) Members shall be responsible for ensuring that the contact information provided for the account is current and valid. Failure to keep such information updated may result in forfeiture of prizes or disqualification from the PlayOn program.

(l) A member shall utilize no more than one single active PlayOn account.

(m) An account shall be deemed inactive if there has not been any activity associated with such account during the previous 365 days.

(n) Members enrolled in PlayOn are subject at all times to the terms and conditions, privacy policy, Kansas lottery rules, regulations, policies, directives, and procedures, the Kansas lottery act, and other applicable laws.

(o) Terms and conditions shall apply no matter how the programs described are accessed.

(p) The Kansas lottery PlayOn program shall be provided to individuals only. Corporations, associations, or groups may not participate in the program.

(q) Participation in PlayOn shall be voluntary and conditioned upon acceptance, without modification, of the terms and conditions and certification of eligibility requirements set forth in applicable regulations.

(r) Any activities associated with PlayOn shall be void where prohibited by law.

(s) All questions or disputes regarding eligibility for any PlayOn activities or member compliance shall be resolved by the Kansas lottery in its sole discretion.

(t) The Kansas lottery may send emails that include information that the Kansas lottery believes members may be interested in as a PlayOn member, including emails to reset passwords, account activity, and program updates.

(u) Members may discontinue receiving emails by opting out or cancelling their PlayOn membership. Upon cancellation of a PlayOn account, the cancelling member shall no longer have access to any PlayOn areas of the Kansas lottery website and related apps, and any points accrued to date of cancellation shall be forfeited.

(v) Members shall be responsible for the payment of any and all applicable taxes which may result from participation in any PlayOn activities and/or promotions unless those taxes are paid by the Lottery as part of a prize.

(w) Any content available on the PlayOn website and related apps which is owned by the Kansas lottery or other third parties is protected by copyrights, trademarks, and other intellectual property rights.

(x) A player must be a member of PlayOn to be eligible to participate in drawings, activities, and events sponsored by the player loyalty club.

(y) All information posted by a member in the PlayOn program becomes the property of the Kansas lottery to use as it deems necessary. Any re-use of information does not entitle a member to any future compensation.

(z) Prizes will be issued in the winner's name only. The winner is the name that was entered during the PlayOn registration. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-2-24-17, Jan. 11, 2017; amended, T-111-6-20-22, June 8, 2022.)

111-18-8. Termination of member accounts; review; exceptions. (a) Member accounts shall be terminated when the Kansas lottery discovers any of the following conditions:

(1) The member is controlling multiple accounts in violation of K.A.R. 111-18-3;

(2) The account is inactive pursuant to K.A.R. 111-18-3;

(3) The member has violated any of the terms and conditions as defined in K.A.R. 111-18-2, or any other rules, regulations, or statutes of the Kansas lottery.

(b) For the purposes of this article, the terms "deletion," "deactivation," and "termination" shall have the same meaning.

(c) Each member will be notified by email of any termination of their account(s).

(d) A player may request review of the decision to terminate their account by contacting the Kansas lottery or the PlayOn support team within seven days commencing from the date of the notice of account termination.

(1) A player requesting review of the termination of multiple accounts shall have the option to reactivate one of their accounts. No points shall be transferred between any terminated account and the reactivated account. If any player with an account reactivated under this paragraph is later subject to termination under paragraph (a) (1) of this regulation, no additional reactivation shall be available to that player.

(2) A player requesting review of the termination of an inactive account shall not have any relief. Such a player shall create a new account if they intend to participate in PlayOn.

(3) A player requesting review of termination for any other reason shall demonstrate a lack of culpability, such as mistake, inadvertence, surprise, or excusable neglect, by a preponderance of the evidence in order to have their account reactivated. If any player with an account reactivated under this paragraph is later subject to termination under paragraph (a)(3) for the same or a similar violation, no additional reactivation shall be available to that player.

(e) The Kansas lottery may offer a retention incentive to inactive members pursuant to K.A.R. 111-19-2a, as amended, prior to terminating an inactive account.

(f) The Kansas lottery may elect to issue a warning to any member prior to terminating such member's account(s). Any such warning shall state the nature of the reason for the warning, the time period expected for the member to demonstrate compliance and the penalty for failure to demonstrate compliance within such period of time.

(g) The Kansas lottery may require members to provide proof of identity to demonstrate that such member is not operating multiple accounts. When proof of identity is requested, a member may provide a copy of a valid and unexpired state-issued identification, utility bills, voter registration cards, or other documents that demonstrate by a preponderance of the evidence that the member's name, address, and other required information are correctly entered in PlayOn.

(h) The Kansas lottery may require any player whose account is terminated under this regulation to forfeit any prize won but not yet awarded. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-6-20-22, June 8, 2022.)

(c) Only registered PlayOn members may enter the drawing. PlayOn members must enter themselves into

(continued)

the drawing according to the terms and conditions of PlayOn. Entries shall not be accepted that are submitted by any method other than through PlayOn. The player may enter the required data from the entry ticket manually for entry into the drawing. If the player does not enter the ticket data manually, the player may scan, if available, the ticket to enter data to be used for entry into the drawing using a mobile device and a downloaded Kansas Lottery PlayOn app. After the ticket data is successfully entered either manually or scanned using an app, for each dollar spent on a Kansas Lottery Powerball ticket with or without the Power Play option, the player shall receive one entry. The Kansas lottery is not responsible for electronic malfunction or player error.

(d) The procedures set forth in K.A.R. 111-18-5 for selecting winners and alternate winners shall be followed.

(e) There is no limit on the number of tickets a player may enter into the drawing, but a player may win only once in this promotion.

(f) One drawing will be conducted by the Kansas lottery. The first player selected will become the finalist winner who will receive \$1,000 cash and a chance to be in the Powerball First Millionaire of the Year promotion drawing executed by the Multi-State Lottery Association. The finalist shall also receive a trip prize package to New York City provided and fulfilled by, or on behalf of, the Multi-State Lottery Association consisting of the participation in the Powerball First Millionaire of the Year event on January 1, 2023, and other amenities as proposed by the Multi-State Lottery Association and approved by the Kansas lottery. The second player selected will be awarded \$1,000 cash and a trip prize package to New York City provided and fulfilled by, or on behalf of, the Multi-State Lottery Association and other amenities as proposed by

the Multi-State Lottery Association and approved by the Kansas lottery. The next 10 players selected will be awarded \$1,000 cash each.

(g) The procedures set forth in K.A.R. 111-18-5 for contacting the winner and the claiming of the prize shall be followed, except that in this promotion the 10-day deadline for the winner to return their claim forms shall commence with the date of the announcement of the winners.

(h) In the event the prize package awarded for this drawing is postponed, changed, or canceled in whole or in part, no cash prize substitutions shall be provided.

(i) The Kansas lottery retains the right to substitute an alternate prize of approximate equal value.

(j) By entering the drawing, entrant agrees to PlayOn terms and conditions.

(k) Prize package for finalist and trip winner is valued at approximately \$28,169.01. State and federal mandatory income withholding taxes shall be paid by the Kansas Lottery.

(l) All winners and guests shall release the Kansas Lottery from any liability for injuries sustained while redeeming any portion of the prize. All trip prize winners and guests shall follow all rules of any venue selected as part of the trip prize, and failure to abide by any such rules may subject the winner and/or their guest to expulsion and forfeiture of any remaining portion of the prize.

(m) Rules applicable to this promotion are contained in K.A.R. 111-19-130 and K.A.R. 111-18-1 *et seq.* (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-6-20-22, June 8, 2022.)
