**Department of Administration  
Office of Facilities and Property Management****Notice of Commencement of Negotiations  
for Construction Manager At-Risk Services**

Notice is hereby given for the seeking of interest and qualifications for Construction Management At-Risk (CMAR) services for the Wichita State University (WSU)-University of Kansas Medical Center (KUMC) Health Sciences Education Center. Please note that this project was previously advertised but did not have sufficient responses to proceed to short listing. Thus, the project is being readvertised.

The Health Science Education Center, a joint project between WSU and the KUMC, is envisioned as an interprofessional healthcare learning environment within a bio-medical corridor the heart of downtown Wichita, Kansas. Architectural programming has identified the need for a 470,000 square foot building complex that co-locates all the programs and clinics at KU School of Medicine, KU School of Pharmacy, WSU College of Health Professions, and WSU Tech Health Professions. The facility will consist of classrooms, research labs, simulation labs, faculty/staff office space, academic home space, and outward facing clinic space. The design will progress with space efficiency in mind and will continue to identify oppor-

tunities for collaboration. Although a final building site is still in progress, WSU and KUMC will focus on sites located adjacent to an existing parking structure as the current program does not include creating new parking. The anticipated total construction cost for the facility is approximately \$236 million with anticipated building occupancy in Fall 2026.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information contact Emily Patterson at 316-978-3444 or [emily.patterson@wichita.edu](mailto:emily.patterson@wichita.edu); or David Rau at 913-945-5943 or [drau2@kumc.edu](mailto:drau2@kumc.edu).

#### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested

the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.
