Cimarron Valley Railroad

Request for Proposals

The Kansas Department of Transportation (KDOT) was awarded an \$11 million Federal Consolidated Rail Infrastructure and Safety Improvements Program (CRISI) grant in May 2022, in addition to this federal grant, KDOT has partnered financially with the Cimarron Valley Railroad (CVR), resulting in a project budget of \$14,991,971.

Interested Parties are invited to submit a proposal to complete the below scope of work for the Cimarron Valley Railroad (CVR) Southwest Kansas Infrastructure Upgrade Project.

The project will encompass the following project components on CVR infrastructure in southwest Kansas:

- Replacing 50,904 crossties:
 - 700 crossties per mile (Dodge City, Kansas to Satanta, Kansas – 62 miles).
 - 350 crossties per mile (Satanta, Kansas to Hugoton, Kansas – 23 miles).
- Performing 3,577 flash butt welds to rail (east of Ensign, Kansas to Sublette, Kansas – 13.2 miles).
- Relaying 3.7 miles of rail in curves (spread throughout seven curves from Satanta, Kansas to just west of Hugoton, Kansas).
- Applying new ballast to 67 miles of track (Dodge City, Kansas to Moscow, Kansas).
- Surfacing 85 miles of track (Dodge City, Kansas to Hugoton, Kansas).

Minimum Requirements

MSA and Roadway Worker Protection

Contractors must complete a Services Agreement with CVR Railroad before the project award.

- Contractors shall always comply with all parts of 49 CFR Part 214 and 219 regarding FRA Roadway Worker Safety. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
- Contractors, contractor employees, agents, and/or subcontractors must be enrolled and comply with the FRA 219 approved drug testing program.
- Any subcontracted work will need to be approved by the CVR Railroad prior to any work starting.

Standards

All standards referenced by the project plans and specifications, as well as all applicable AREMA standards must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by CVR. All rails shall be replaced at standard gauge of 56-1/2."

Submittals

The following documents shall be submitted by the contractor as part of the project, at the times listed:

- Schedule of Work – Submitted with proposal.
- Certificate of Insurance – Submitted prior to construction.
- Safety Plan – Submitted prior to construction.

- Proof of Roadway Worker Training – Submitted prior to construction.
- All contractors must recognize this is a state/federal contract conforming to all flow down provisions.

Other Responsibilities

- Permits – Contractor is responsible for local, state, and federal permits required for the work.
- Utilities – Contractor is responsible to locate and protect site utilities.
- Site Clean-up – Contractor is responsible for proper site restoration and proper disposal of materials removed in accordance with all local, state, and federal laws.

Insurance

Contractors shall purchase required coverage and submit for verification a Certificate of Insurance.

Bid Package

- Interested parties may request a bid package by email at tc Cox@jag-transport.com.
- Bid packages will only be provided through August 11, 2023, until close of business at 5:00 p.m.

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wichita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU's vision or its mission as an educational, cultural,

and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU's educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of

business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <https://bidx.com/ks/main> until 1:00 p.m. (Central Time) on letting day. The KDOT bid letting will be conducted remotely by audio broadcast only at 3:00 p.m. (Central Time) on letting day. For the conference call information see <https://www.ksdot.org/bureaus/burconsmain/lettinginfo.asp>. KDOT has tested the process, but in the event of an unforeseen issue, KDOT will provide updates.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

State of Kansas

Kansas Housing Resources Corporation

Notice of Hearing

The State of Kansas will conduct public hearings on housing and community development issues to allow citizens to provide input into the 2024-2028 Kansas Consolidated Plan. The Consolidated Plan is the state's policy framework for federal community development and housing programs. The public hearings will focus on housing and community development needs throughout the state, and strategies to address needs. A presentation is available for download from the Kansas Housing Resources Corporation (KHRC) website at <http://kshousingcorp.org>.

Estimated resources available annually in the five-year plan include approximately \$15,111,118 from the Community Development Block Grant (CDBG), \$7,040,310 from the HOME Investment Partnerships (HOME), \$3,000,000 from National Housing Trust Fund (HTF), \$1,662,075 from the Emergency Solutions Grant (ESG), and \$691,970 from the Housing Opportunities for Persons with AIDS (HOPWA) programs.

Individuals with disabilities or limited English proficiency are welcome to attend and participate in the public hearing. If you are in need of a sign language interpreter, an assistive listening device, large print, Braille material, or other accommodation to attend this meeting, please notify KHRC at least five days prior to the meeting. Requests may be addressed to KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803 or by phone at 785-217-2001 via the Kansas relay service.

The public hearing will be held from 11:00 a.m. to 12:00 p.m. Thursday, August 17, 2023, in the KHRC Main Conference Room, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603. The hearing will also be available digitally. To join virtually, please go to <https://attendee.gotowebinar.com/register/1593691959689201750>.

East Central Kansas Economic Opportunity Corporation

Notice to Bidders

East Central Kansas Economic Opportunity Corporation (ECKAN) Weatherization located in Ottawa, Kansas, is a non-profit corporation that does retrofit weatherization work on homes for the elderly, low-income, and individuals with disabilities. Currently, we are expressing the invitation for competitive bids to become a prequalified contractor for the Kansas Weatherization Assistance Program at ECKAN for:

- 2023 General Contractor Weatherization Crews
- 2023 HVAC Weatherization Crews

Weatherization services will be available in the following counties (includes a temporary expansion of counties): Allen, Anderson, Atchison, Bourbon, Brown, Chase, Coffey, Doniphan, Douglas, Franklin, Greenwood, Jackson, Jefferson, Johnson, Leavenworth, Linn, Lyon, Miami, Morris, Nemaha, Osage, Shawnee, Woodson, and Wyandotte. Please be specific on counties you are willing to perform work in.

ECKAN is an equal opportunity employer and will not do business with any firm or individual that in any way, directly or indirectly, discriminates against any person because of age, race, color, handicap, sex, national origin, or religious creed.

Contractors must bid on all the listed items, separated by material and labor. You will have to work on both frames built and mobile homes.

With a competitive proposal method of procurement, proposers will be evaluated on a weighted scale that considers some or all the following criteria as appropriate for the procurement:

1. Adequacy of the proposed methodology.
2. Skill and experience of key personnel.
3. Demonstrated experience.
4. Other technical specifications designated by the department requesting proposals.
5. Compliance with administrative requirements of the request for proposal (format, due date, etc.).
6. Contractor's financial stability.
7. Contractor's demonstrated commitment to the nonprofit sector.
8. Results of communications with references supplied by the vendor.
9. Ability/commitment to meeting time deadlines.
10. Cost.
11. Minority- or women-owned business status of vendor.
12. Other criteria (to be specified by the department requesting the proposal).

If your bid is accepted, you must supply ECKAN Weatherization with:

- Federal ID number (W-9)
- Proof of Liability Insurance and Workman's Compensation
- Licensed Renovation Firm Certificate

• LEAD Training Certificate

You are responsible for all permits if required. All material and labor must be under warranty for one (1) year from installation date for HVAC contractors and (1) year from final inspection date for general contractor services.

ECKAN Weatherization understands that all work is not identical. We will work with the winning bidders if the actual cost exceeds the bid. Please bid only in the counties that you are willing to work.

The deadline to submit bid proposals is 12:00 p.m. Thursday, August 24, 2023. All bids must be submitted in an envelope marked "Weatherization Bid." Accepted bids will be notified by Thursday, August 31, 2023.

To obtain a bid and county selection form for either HVAC and/or general contracted services, Weatherization Contract, and to look at our SWS handbook that all work must follow, please visit our website at <https://eckan.org/news-events-and-resources/>. You may also contact the ECKAN Weatherization office for information at 785-242-6413 or toll free 888-833-0832.

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline – Americus Compressor Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Southern Star Central Gas Pipeline – Americus Compressor Station, PO Box 20010, Owensboro, KY 42304, owns and operates a compressor station located at Section 22, Township 18S, Range 10E, Lyon County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Meaghan Conant, 785-296-8142, at the central office of the KDHE or Ryan Jack, 620-860-7235, at the Southeast District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Meaghan Conant, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, September 4, 2023.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Meaghan Conant, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, September 4, 2023, in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Keith Johnson, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de eflu-

entes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Legal Description: N½, Section 3, Township 25S, Range 18E of Allen County, Kansas

Facility Location: Latitude: 37.90398, Longitude: -95.41820

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a concrete aerated equalization tank, three cell wastewater stabilization lagoon system with a fourth serpentine flow covered polishing cell with a minimum of 120 days detention time. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. The proposed permit contains limits for Bio-

chemical Oxygen Demand, Total Suspended Solids, and Ammonia; as well as monitoring requirements for pH, Ammonia, Nitrates + Nitrites, Total Kjeldahl Nitrogen, Total Nitrogen, and Total Phosphorus. The permit will include the following schedule to bring the facility into consistent compliance with the final effluent limits. 1. The permittee has hired a consulting engineer to evaluate the wastewater treatment plant and recommend improvements. By December 31, 2023, the permittee shall submit an engineering report, to resolve recent failures and meet final effluent limitations for ammonia, to KDHE for review and approval. 2. By June 30, 2024, the permittee shall submit plans and specifications for recommended improvements to KDHE for review and approval. 3. Construction improvements as needed to meet final effluent limits shall be started by September 30, 2024. 4. By September 30, 2025, all construction improvement shall be completed. 5. Final effluent ammonia limits shall be effective October 1, 2026. The facility shall be in consistent compliance with all final effluent limits.

Name and Address of Applicant	Receiving Stream	Type of Discharge

Kansas Permit No. M-NE62-0002
Federal Permit No. KS0097373

Legal Description: SW¼, SE¼, SE¼, Section 18, Township 27S, Range 21E of Neosho County, Kansas

Facility Location: Latitude: 37.69153, Longitude: -95.14707

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The existing facility is a two-cell wastewater stabilization lagoon system with a minimum of 150 days detention time. The facility receives domestic wastewater from residential areas. The total detention time at design flow is 240 days. The proposed permit contains limits for Biochemical Oxygen Demand and Total Suspended Solids, as well as monitoring for pH, Ammonia, and E. coli. This facility can meet the 2013 EPA ammonia criteria. However, per the Reasonable Potential procedure in the Kansas Implementation Procedures – Wastewater Permitting using the assumed coefficient of variation (Cv) of 0.6 and Cp/Cmean of 2.13, the below calculations prove there is no reasonable potential to exceed water quality-based permit limits for ammonia. The highest recorded value over the prior two permit cycles was 4.11 mg/l, which is well under the associated proposed quarterly limit of 31.1 mg/l. However, continued quarterly monitoring of effluent ammonia will be required.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment (KDHE) if they wish to have the comments or objections considered in the decision-making process. All written comments regarding the draft documents, application or registration notices received on or before September 2, 2023 will be considered in the formulation of the final determination regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-23-234/235, KS-Q-23-151/152) and name of the applicant/permittee when preparing comments.

All comments received will be responded to at the time the Secretary of Health and Environment issues a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC). A request for public hearing must be submitted in writing and shall state the nature of the issues proposed to be raised during the hearing.

(continued)

Comments or objections for agricultural related draft documents, permit applications, registrations or actions should be submitted to the attention of Casey Guccione, Section Chief, Livestock Waste Management Section at the KDHE Bureau of Environmental Field Services (BEFS), 1000 SW Jackson, Suite 430, Topeka, KS 66612. Comments or objections for all other proposed permits or actions should be sent to Andrew Bowman at the KDHE Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612.

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the KDHE. For agricultural related draft documents or applications an appointment can be scheduled, or copies requested by contacting Mirina Landry at 1000 SW Jackson St., Suite 430, Topeka, KS 66612, telephone 785-296-0076 or email at kdhe.feedlots@ks.gov. Las preguntas o comentarios por escrito deben dirigirse a Erich Glave, Director, Bureau of Environmental Field Services en KDHE, 1000 SW Jackson St., Suite 430, Topeka, KS 66612-1367; por correo electrónico kdhe.feedlots@ks.gov; por teléfono 785-296-6432. For all other proposed permits or actions an appointment can be scheduled, or copies requested by contacting Neal Niceswanger, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612, telephone 785-296-6804 or email at Neal.Niceswanger@ks.gov. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdhe.ks.gov/livestock>. Public Notice

The Kansas Department of Health and Environment (KDHE) has drafted a water quality certification per Section 401 of the Clean Water Act (CWA) requested by the United States Army Corps of Engineers (USACE) for an environmental assessment for chute repairs and flood damage modifications for the Benedictine chute located within the Missouri River in the vicinity of river mile (RM) 426-427 and the Dalbey chute located within the Missouri River at RM 416-419 both in Atchison County, Kansas. The Dalbey chute would use approximately 24,388 tons of stone fill repairing 1,000 feet of control structures. The Benedictine chute would use approximately 26,796 tons of stone fill and repair 2,838 feet of control structures. A finding of no significant impacts (FONSI) is resulting in the future completion of the project.

The draft conditional 401 certification and additional information containing the link to the USACE Public Notice will be posted on the KDHE website at [https://www.kdhe.](https://www.kdhe.ks.gov/1095/Section-401-Water-Quality-Certification)

[ks.gov/1095/Section-401-Water-Quality-Certification](https://www.kdhe.ks.gov/1095/Section-401-Water-Quality-Certification) on or before August 4, 2023. Persons wishing to comment on the referenced draft document must submit their comments in writing by email to the Kansas Department of Health and Environment at KDHE.NPS@ks.gov by September 4, 2023, if they wish to have their comments considered in the formulation of final determinations for 401 regarding this public notice.

Mandating Continuity of Operations Planning

WHEREAS, natural and human-made emergencies or disasters can impact state agencies and degrade their ability to deliver essential functions and services to the citizens of Kansas; and

WHEREAS, state agencies perform essential functions and services that must be delivered regardless of the situation or circumstance; and

WHEREAS, individual agency Continuity of Operations planning is necessary for the implementation of coordinated and well-managed delivery of essential functions and services during disruptions to normal operations; and

WHEREAS, effective Continuity of Operations planning within state agencies is vital for the State of Kansas to maintain the continuity of government established to serve the citizens of Kansas.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas and head of the Executive Branch, I hereby order that:

1. By December 31, 2023, all entities under my jurisdiction, shall develop and adopt a Continuity of Operations Plan (COOP) to ensure the timely delivery of essential functions and services regardless of the disruption to normal operations.
2. Each COOP shall address, at minimum, the following areas:
 - a. Essential Functions
 - b. Critical Facilities
 - c. Orders of Succession
 - d. Delegations of Authority
 - e. Continuity Communications
 - f. Critical Applications and Vital Records

- g. Human Resources
 - h. Test, Training, and Exercises
 - i. Reconstitution
 - j. Devolution
3. Entities under my jurisdiction shall:
- a. Designate a Continuity Manager responsible for the development and maintenance of the agency COOP;
 - b. Submit its proposed COOP to the Kansas Division of Emergency Management for review;
 - c. Formally adopt the COOP by the entity’s senior official;
 - d. Use and implement the COOP template and application planning software approved by the Kansas Division of Emergency Management (KDEM);
 - e. Follow guidance within the Kansas Response Plan (KRP), Continuity of Government (COG) Annex for the development and maintenance of COOPs.
 - f. Submit status reports to the Kansas Division of Emergency Management by September 30, 2023, and November 30, 2023, regarding the entity’s progress towards developing and implementing a COOP due by December 31, 2023.
4. The Kansas Division of Emergency Management shall serve as the lead agency for Continuity of Operations planning and shall:
- a. Provide technical assistance in the review and development of a COOP;
 - b. Maintain a central repository of all COOPs of entities under the jurisdiction of the Governor;
 - c. Maintain an application for the development of a COOP;
 - d. Maintain a standardized COOP template;
 - e. Seek input from the Commission on Emergency Planning and Response COOP Planning Committee to inform state continuity preparedness decisions.
 - f. Appoint the Planning and Mitigation Bureau Director to serve as the COOP Planning Committee chairperson, and host (at a minimum), quarterly COOP Planning Committee meetings and/or planning workshops.
 - g. Submit to the Governor by October 6, 2023, an overall summary of September status reports and submit to the Governor by December 8, 2023, an overall summary of the November status reports.
 - h. Submit to the Governor by January 5, 2024, a summary of all entities’ progress in meeting the December 31, 2023, deadline to develop and adopt a COOP.
5. Entities under my jurisdiction shall perform COOP revisions annually, on or before December 31, and

shall maintain a copy of the current plan on file with the Kansas Division of Emergency Management.

- 6. The Kansas Division of Emergency Management shall submit an annual report detailing state continuity preparedness to the Commission on Emergency Planning and Response annually, in September of each year.
- 7. Other statewide elected officials, independent boards and commissions, the Regents Universities, and the Judicial and Legislative Branches are encouraged to implement Continuity of Operations planning and to engage in state continuity preparedness discussions.

This document shall be filed with the Secretary of State as Executive Order No. 23-03 and shall become effective immediately.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 10:30 am Friday, December 8, 2023, at the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, to adopt amendments to K.A.R. 66-9-5 regarding the approved education curriculums for surveying as permitted by K.S.A. 74-7013 and 74-7022, and amendments thereto. It removes as approved curriculum for surveying the graduation from an approved engineering curriculum and the graduation from an approved four-year related science curriculum, which may include geology, mathematics, chemistry, or physics as approved educational requirements. It changes the date of the approved land survey curriculum, and it also removes approval of the requirement that the coursework in subsection (d) be from a school or college approved by the board.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit comments prior to the hearing to Larry G. Karns, Executive Director, at the Kansas State Board of Technical Professions above address, or via email to KSBTPAdmin@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed regulation during the public hearing. To provide all parties with an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to ten minutes.

Copies of the proposed regulation as well as the economic impact statement for the proposed regulation may be obtained from the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, by contacting Larry G. Karns at 785-296-3055, or by emailing the agency at KSBTPAdmin@ks.gov.

Any individual with a disability may request accommodation to participate in the public hearing and may request the proposed regulation to be considered and the economic impact statement for the regulation in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Jessica Pierce at 785-296-3052 or at KSBTPAdmin@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-776-3777 for communication accommodations. Handicapped parking is available at the south end of the Landon State Office Building, 900 SW Jackson, Topeka, KS 66612, across the street from the north entrance to the building, and on Ninth Street, just around the corner from the north entrance to the building.

A summary of the proposed amended regulation and the economic impact of the regulation follows:

K.A.R. 66-9-5, as proposed, deletes the current subsection (a) “Graduation from an approved engineering curriculum as defined in K.A.R. 66-9-4” and deletes the current subsection (d) “graduation from an approved

four-year related science curriculum, which may include geology, mathematics, chemistry, or physics” as approved education curriculums to fulfill the education requirements. The proposed regulation also removes the language in subsection (b) “from a school or college” and the language in subsection (d) “approved by the board.”

The proposed regulation is not anticipated to have any significant economic impact.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 10:30 am Friday, December 8, 2023, at the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, to adopt amendments to K.A.R. 66-14-1 regarding the number of allowed personal workplace safety or occupational safety CEU’s that may be used to satisfy the required 24 CEU’s related to health, safety, property, and welfare as permitted by K.S.A. 74-7013 and K.S.A 74-2025 and amendments thereto.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit comments prior to the hearing to Larry G. Karns, Executive Director, at the Kansas State Board of Technical Professions above address, or via email to KSBTPAdmin@ks.gov. All interested parties will be given a reasonable opportunity to present their views, orally or in writing, concerning the proposed regulation during the public hearing. To provide all parties with an opportunity to present their views, it may be necessary to request each participant to limit any oral presentations to ten minutes.

Copies of the proposed regulation as well as the economic impact statement for the proposed regulation may be obtained from the Kansas State Board of Technical Professions, 900 SW Jackson, Suite 507, Topeka, KS 66612, by contacting Larry G. Karns at 785-296-3055 or by emailing the agency at KSBTPAdmin@ks.gov.

Any individual with a disability may request accommodation to participate in the public hearing and may request the proposed regulation to be considered and the economic impact statement for the regulation in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Jessica Pierce at 785-296-3052 or at KSBTPAdmin@ks.gov. Individuals with hearing and/or speech disabilities may contact the Kansas Relay Center at 800-776-3777 for communication accommodations. A summary of the proposed amended regulation and the economic impact of the regulations follows.

K.A.R. 66-14-1, as proposed, adds to the end of subsection (a) the following language:

“The 24 required CES’s shall include no more than 10 CEU’s of workplace safety or occupational safety.”

This language is added to limit the number of CEU’s relating to personal workplace safety or occupational safety that may be used to satisfy the 24 CEU’s that are related to health, safety, property, and welfare (HSPW).

The proposed regulation is not anticipated to have any significant economic impact.

Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Health and Environment (KDHE), Division of Public Health, Kansas Health and Environmental Laboratories (KHEL), will conduct a public hearing at 10:00 a.m. Wednesday, October 25, 2023, in the Azure Conference Room, 4th Floor, Curtis State Office Building, 1000 SW Jackson, Topeka, Kansas, to consider the adoption of proposed amended regulation K.A.R. 28-14-2, regarding a schedule of fees for tests performed by the KHEL for Kansas public water supplies.

A summary of the proposed regulation and estimated economic impact follows:

Summary of Regulation

K.A.R. 28-14-2. Schedule of fees. Updates the pricing and language of 48 billable public water supply tests; adds nine new tests to the schedule of fees; removes five obsolete tests from the schedule of fees.

Economic Impact

Cost to the agency: The proposed regulation will not result in increased costs to the agency.

Cost to the public and regulated community: Total cost of the fee adjustments is \$791,949. These costs are charged to KHEL clients who will either absorb the cost or pass it on to the public. This results in an average increase of roughly 35 percent for KHEL clients. Based on feedback received from KHEL clients about the potential fee changes, the vast majority of facilities would be absorbing the costs. Only three facilities of the nearly 1,000 facilities that KHEL services responded to agency outreach and stated that they would pass these costs on to the public.

Costs to other governmental agencies or units: The main clientele of KHEL are public water supplies in the state. The costs specified above apply to city and county governments, the four tribal nations, and the Wolf Creek Nuclear Power Plant.

A detailed economic impact is provided in the economic impact statement that is available from the designated

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Paul Harrison, Kansas Department of Health and Environmental Laboratories, 6810 SE Dwight St., Topeka, KS 66620 or by email to paul.harrison@ks.gov. Interested parties are encouraged to participate in the public hearing by submitting written comments.

During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. It is requested that each individual giving oral comments also provide a written copy of the comments for the record. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and the corresponding economic impact statement and environmental benefit statement may be obtained from the KDHE Laboratory website at <https://www.kdhe.ks.gov/908/Laboratories> or by contacting Paul Harrison at 785-296-1656. Questions pertaining to the proposed regulation should be directed to Paul Harrison at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement and environmental benefit statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Paul Harrison.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 9:00 a.m. October 4, 2023, in Room 9E, 900-N, Landon State Office Building, 900 SW Jackson, Topeka, Kansas, to receive comments concerning the amendment to K.A.R. 129-6-86 that clarifies a change for qualifying for Kansas Medicaid benefits by recipients who are low-income Medicare beneficiaries. The Kansas Department of Health and Environment (KDHE) is the Kansas Medicaid agency. The Division of Health Care Finance administers the Kansas Medicaid programs.

This 60-day notice of the public hearing shall constitute a public comment period for the proposed regulation as stated in K.S.A. 77-421(a)(3). All interested parties may submit written comments before the hearing to Dorothy Noblit, KDHE, Division of Health Care Finance, Room 900-N, Landon State Office Building, 900 SW Jackson, Topeka, KS, 66612-1220, or by email at dorothy.noblit@ks.gov. The Division of Health Care Finance will give all interested parties a reasonable opportunity to present their views at the hearing, but it may be necessary to request each participant to limit any oral presentation to five minutes.

A copy of the regulation and the economic impact statement may be obtained by contacting Dorothy Noblit at 785-296-8903.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days before the hearing by contacting Dorothy Noblit at 785-296-8903 or by calling the Kansas Relay Center at 800-766-3777.

A summary of the regulation and the economic impacts follows:

Proposed Amended Regulation

K.A.R. 129-6-86. Poverty-level, low-income, and expanded low-income medicare beneficiaries; determined eligible. This proposed regulation clarifies a federal change for low-income Medicare beneficiaries to receive Kansas Medicaid benefits. Under new federal provisions, a low-income Medicare beneficiary who, also, receives Medicare Part B immunosuppressive drug benefits may qualify for Kansas Medicaid benefits without enrollment in Medicare Part A. Other low-income Medicare beneficiaries would still need to enroll in Medicare Part A.

Federal Mandate

The proposed regulation is due to changes in federal Medicaid law.

Economic Impact

The Division of Health Care Finance, Kansas Department of Health and Environment, did not foresee an economic impact on applicants for Medicaid services.

Affected Parties

Kansas Medicaid program and low-income Medicare beneficiaries who are, also, enrolled in the Kansas Medicaid program.
