Governmental Ethics Commission

Opinion No. 2011-05

Written June 2, 2011, to Thomas A. Bishop, President and Chief Executive Officer, Homestead Affordable Housing, Inc., Holton.

This opinion is in response to your letter dated May 17, 2011, wherein you request an opinion from the Kansas Governmental Ethics Commission concerning the application of the State Governmental Ethics Laws, K.S.A. 46-215 et seq. We note at the outset that the Commission's jurisdiction is limited to the applicability of K.S.A. 46-215 et seq., and the Commission's opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

Factual Statement:

We understand that you request this opinion in your capacity as President and Chief Executive Officer of Homestead Affordable Housing, Inc. (HAH). You explain that HAH is a nonprofit organization that operates as a single-family and multi-family affordable housing developer and administers a variety of housing programs funded by donations and state and federal grants. HAH has employed a former employee of the Kansas Housing Resources Corporation (KHRC), Ms. Trish McAllister.

While at KHRC, Ms. McAllister primarily administered the Homeowner Rehabilitation Grant Program that receives funds from the federal HOME Program. The HOME Program awards grants to state and local governments that communities use, often in partnership with local nonprofit organizations, to fund the construction, purchase, or rehabilitation of affordable housing for rent or ownership or to provide rental assistance to low-income individuals.

Prior to leaving KHRC, Ms. McAllister consulted with Mr. Ryan Vincent, KHRC's General Counsel and Deputy Director, about future employment with HAH. Mr. Vincent advised her that if she accepted employment with HAH, she could have no involvement with projects or programs funded by the HOME program for two years. Ms. McAllister left her employment with KHRC in December 2010 and began working with HAH in January 2011.

Mr. Vincent advised our staff that the KHRC panel making the decision on the award of a grant relied heavily upon the information and recommendations provided by Ms. McAllister. He stated Ms. McAllister reviewed the applications for completeness, provided an evaluation of each applicant, and made recommendations for awarding the grant. She also made compliance surveys after the panel awarded the grant. Mr. Vincent also advised that each grant awarded to an applicant is a separate or independent contract.

Your letter states that the City of Holton requested HAH to submit on its behalf an application to KHRC for funding under the Homeowner Rehabilitation Grant Program and, if awarded to the City, to administer the grant. This project would involve funding from the HOME program. As a result, ethical questions have arisen whether Ms. McAllister can handle this or similar grant awards for HAH.

Questions:

1. Should HAH restrict the job duties of Ms. McAllister concerning the programs, funding, and services of KHRC?

2. If yes, what are the restrictions and the duration of such restrictions?

3. If yes and HAH complies with those restrictions, can HAH continue to apply for grant funds and administer the grants that KRHC awards under its Homeowner Rehabilitation Grant Program?

Opinion:

K.S.A. 2010 Supp. 46-233 governs the subsequent employment of a state employee. In pertinent part it reads:

[W]henver any individual has participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed or until two years after the individual terminates employment as a state officer or employee, whichever is sooner. K.S.A. 2010 Supp. 46-233(a)(2).

This prohibition does not apply if the contracts were "let after competitive bidding has been advertised for by published notice" or "for property or services for which the price or rate is fixed by law." K.S.A. 2010 Supp. 46-233(d)(1)-(2). Rather, employees "participate in the making of a contract" by "having provided significant factual or specific information or advice or recommendations in relation to the negotiated terms of the contract." K.S.A. 2010 Supp. 46-233(e)(2). See also Opinion Nos. 2000-50, 2000-42, and 1999-33.

Because Ms. McAllister participated in the making of negotiated contracts, the prohibition in K.S.A. 2010 Supp.

46-233(a)(2) is triggered. See Opinion No. 2000-48. We next determine whether an employee of KHRC is a "state employee" who is subject to K.S.A. 2010 Supp. 46-233(a)(2).

Under the State Governmental Ethics Law, a state employee includes "any individual who receives monthly or semimonthly compensation for services from the state or any state agency." K.S.A. 46-221(a)(4). Compensation means "any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, or to be rendered, by such person or another." K.S.A. 46-216. A state agency includes "all executive departments, institutions, offices, officers, commissions, boards and authorities of the state, but does not include municipalities and other political subdivisions." K.S.A. 46-224(a).

KHRC is a unique entity due to its creation. On July 1, 2003, the then Division of Housing was transferred from the Kansas Department of Commerce and Housing to the Kansas Development Finance Authority (KDFA), to be organized in accordance with the KDFA Act, K.S.A. 74-8901 et seq. See Executive Reorganization Order No. 2003-30 and 2003 Kansas Senate Bill No. 285. The KDFA was created as "a public body politic and corporate, with corporate succession, to be an independent instrumentality of this state exercising essential public functions." K.S.A. 74-8903(a). Pursuant to K.S.A. 74-8904(v), KDFA incorporated KHRC, as its subsidiary corporation. As a subsidiary corporation of KDFA, KHRC is a legal entity "separate and distinct from . . . [KDFA] and the state except that for purposes of [the statutes governing the regulation of manufactured home installation] the Kansas Housing Resources Corporation shall constitute an instrumentality of the state." Based on these statutory provisions, we conclude that KHRC is not a state agency.

Nevertheless, we next consider whether the employees of KHRC receive compensation from the state. In our Opinion No. 2008-16, we found that KHRC employees were state employees because they received "monthly or semimonthly compensation for services from the state." In that opinion, we acknowledged that KHRC received nearly all of its funds from fees for administering federal grants rather than appropriations from the state budget. We made our determination, however, on the fact that KHRC voluntarily used the state to handle its payroll and KHRC and its employees participated in the Kansas Public Employees Retirement System (KPERs) and state health care benefits program.

In conversation with our staff, Mr. Vincent questioned whether that determination remains viable as KHRC created its own payroll department and ceased using the payroll services of the state in May 2010. Additionally, the laws that govern KPERs and the state health care benefits program do not require a participant to be a state employee.

Specifically, K.S.A. 2010 Supp. 74-4902(14) defines an "employee" for purposes of KPERs significantly different than K.S.A. 46-221(a)(4) defines a state employee for purposes of the State Governmental Ethics Law. Similarly, the list in K.S.A. 2010 Supp. 75-6501(c) and K.A.R. 108-1-1(a) of "persons eligible to participate as active participants in the health care benefits program" is much

broader than the definition of a state employee in K.S.A. 46-221(a)(4) for purposes of the State Governmental Ethics Law. If participation in KPERs or the health care benefits program suffice to qualify a person as a "state employee," a large net is cast over numerous individuals that the legislature clearly did not intend to be governed by the State Governmental Ethics Law.

For example, an employee of an eligible and participating employer can participate in KPERs. See K.S.A. 74-4910(1) (eligible employer may join KPERs); K.S.A. 74-4911 (employee of participating employer is member of KPERs); K.S.A. 2010 Supp. 74-4902(14) (employee includes "employee of a participating employer"); and K.S.A. 2010 Supp. 74-4902(24) (a participating employer is "an eligible employer who has agreed to make contributions to the system on behalf of its employees"). The definition of an "eligible employer" includes "any county, city, township, special district or any instrumentality of any one or several of the aforementioned." K.S.A. 2010 Supp. 74-4902(13). Pursuant to these statutes, a local governmental employee can participate in KPERs. However, local governmental employees are governed by the Local Conflict of Interest Laws, K.S.A. 75-4301a et seq. See K.S.A. 75-4301a(c) and (f) (definitions of local governmental employee and governmental subdivision, respectively).

Based upon the above analysis, we conclude that participation by KHRC employees in KPERs and the state health care benefits program does not suffice as "compensation for services from the state or any state agency." Thus, when KHRC ceased using the payroll services of the state in May 2010, employees of KHRC were no longer governed by the State Governmental Ethics Laws, K.S.A. 46-215 et seq.

We next consider whether restrictions apply to Ms. McAllister, and, if so, the duration of such restrictions.

The prohibition in K.S.A. 46-233(a)(2) is limited to only those contracts that the individual participated in making as a state employee. The pertinent language is "after performance of the contract is completed." Accordingly, Ms. McAllister is not prohibited from participating in the making of new contracts or grants with KHRC as a HAH employee. She is prohibited only from working on those contracts or grants that she participated in making as a KHRC employee. The duration of the restriction is two years after the contract or grant is completed or two years after her employment as a state employee was terminated, whichever is sooner. As discussed above, KHRC employees were no longer state employees when KHRC ceased using the payroll services of the state in May 2010. Thus, Ms. McAllister's status as a state employee for purposes of the prohibition in K.S.A. 46-233(a)(2) ended in May 2010.

Lastly, you ask whether HAH is restricted from applying for grant funds or administering the grants that KRHC awards under its Homeowner Rehabilitation Grant Program. No statutes in the State Governmental Ethics Laws govern this question. Thus, our opinion does not cover whether some other statutory system, common law theory or agency rule or regulation applies to this question.
