Obtaining these documents from any source other than directly from the source listed herein also may result in failure to receive any addenda, corrections or other revisions to these documents that may be issued.

Contractors should read and be fully familiar with all contract documents before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations, and shall include in its bid a sum to cover the cost of all items of the work.

Should a bidder find "defects" as defined in paragraph GC-3 of the General Conditions, it shall follow the procedures outlined in paragraph GC-3 to bring same to the attention of the city. Changes necessitated thereby shall be in the form of addenda issued by the consulting engineer.

All bidders shall verify that they have considered all written addenda. Neither the city nor the consulting engineer shall be responsible for oral instructions.

Each bidder shall file with its bid a bid bond, a cashier's check or a certified check drawn on any acceptable bank, made payable to the city of Overland Park, Kansas, in an amount of not less than 5 percent of the total bid, which shall be retained by the city of Overland Park until a contract for the project has been executed. Bid bonds will be returned to the unsuccessful bidders, with the exception of the second qualifying bidder, at such time as their bids are rejected. The bid deposit of the successful bidder and the second qualifying bidder will be returned when satisfactory bonds in an amount equal to 100 percent of the contract amount, required insurance certificates and other required documents shall have been furnished and the contract documents have been executed.

In the event the successful bidder is unable to execute the contract, for whatever reason, the city may exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening; provided, however, that no bidder may withdraw its bid for a period of 30 days from the date set for the opening thereof. All bidders agree that rejection shall create no liability on the part of the city because of such rejection. It is understood by all bidders that an unsuccessful bidder has no cause of action against the city for bid preparation costs. The filing of any bid in response to this invitation shall constitute an agreement of the bidder to these conditions.

Department of Agriculture

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Wednesday, April 18, in Room 401 of the Kansas Department of Agriculture, 109 S.W. 9th, Topeka, to consider the adoption of proposed regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 109 S.W. 9th, 4th Floor, Topeka, 66612, or by e-mail at leslie.garner@kda.ks.gov. Comments also may be made through the department's website at <http://www.ksda.gov>, under the proposed regulation. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows:

K.A.R. 4-15-4 removes sets and indoor aquarium plants from the exclusion list for the definition of live plants.

K.A.R. 4-15-7 is amended to align with licensing requirements in K.S.A. 2-2120 and provides a process for live plant dealers to annually request exemption from licensing requirements.

K.A.R. 4-15-8 is updated to allow the department to charge for travel time in addition to mileage and inspection time. In addition, it will allow the department to waive inspection fees to other government organizations.

K.A.R. 4-15-9 increases the bale tag fee to \$0.20.

K.A.R. 4-15-9a establishes the procedure for live plant dealers to obtain a certificate of inspection.

K.A.R. 4-15-10 amends the pest freedom standards to utilize a format commonly used by other jurisdictions to list quarantined pests and establish the tolerance level of nonquarantine pests.

K.A.R. 4-15-13 updates the civil penalty to the maximum allowed in K.S.A. 2-2125.

Economic Impact Statement

Economic impact upon the Kansas Department of Agriculture:

- Not issuing a license to businesses that do not import or export live plants and have annual gross receipts under \$10,000 will save the department \$5.74 per exempt live plant dealer. This will save the department an estimated \$2,150 per fiscal year.
- Charging travel time in addition to inspection time and mileage will increase requested inspection revenues \$27,000 per fiscal year.
- Assuming current levels of demand, increasing the bale tag fee to \$0.20 will increase fees \$990 per fiscal year.

Financial impact upon other governmental agencies and upon private business or individuals:

- Individuals that request inspections will see a varied impact from the charging of travel time in addition to inspection time and mileage. Individuals who request inspections that require further travel will see a larger fee increase.
- Inspection fees for other governmental organizations may be waived.
- Individuals that request bale tags to certify their weed free forage will see an increase bale tag fee from \$0.15 to \$0.20 per tag. The impact per individual will depend on how many tags the individual requests.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at (785) 296-4623 or fax (785) 368-6668. Handicapped parking is located at the southwest corner of 9th and Kansas Ave., and the north entrance to the building is accessible to individuals with disabilities.
