**Department of Health and Environment**

**Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit renewal and a proposed air emission source modification of permit/approval conditions, which contains amendments to one previously issued construction permit and two previously issued construction approvals. Columbian Chemicals Company Hickok Plant has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I operating permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance. Notice also is given that certain requirements in the construction permit dated September 5, 2000, construction approval dated October 15, 2001 (revised November 26, 2001), and the construction approval dated

June 24, 2004, are being modified by a modification of permit/approval conditions in accordance with the provisions of K.A.R. 28-19-300.

Columbian Chemicals Company Hickok Plant, 3500 S. Road S, Ulysses, 67880, owns and operates a carbon black manufacturing facility located at the same address.

A copy of the proposed operating permit and the proposed modification of permit/approval conditions plus their permit applications, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, and a copy of the proposed permits can be reviewed at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the documents at the Bureau of Air, contact James Stewart, (785) 296-1556, at the KDHE central office, and to review the proposed permits only, contact Ethel Evans, (620) 356-1075, at the KDHE Southwest District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the documents to James Stewart, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating final document decisions, written comments must be received before the close of business July 10.

A person may request a public hearing be held on the proposed documents. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sharon Burrell, Bureau of Air, not later than the close of business July 10 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7312, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

*Be it enacted by the Legislature of the State of Kansas:*

Section 1. K.S.A. 2011 Supp. 65-3407c is hereby amended to read as follows: 65-3407c. (a) The secretary may authorize persons to carry out the following activities without a solid waste permit issued pursuant to K.S.A. 65-3407, and amendments thereto:

(1) Dispose of solid waste at a site where the waste has been accumulated or illegally dumped. Disposal of some or all such waste must be identified as an integral part of a site cleanup and closure plan submitted to the department by the person responsible for the site. No additional waste may be brought to the site following the department's approval of the site cleanup and closure plan.

(2) Perform temporary projects to remediate soils contaminated by organic constituents capable of being reduced in concentration by biodegradation processes or volatilization, or both. Soil to be treated may be generated on-site or off-site. A project operating plan and a site closure plan must be submitted to the department as part of the project approval process.

(3) Dispose of demolition waste resulting from demolition of an entire building or structure if such waste is disposed of at, adjacent to or near the site where the building or structure was located. Prior to the department's authorization, written approval for the disposal must be obtained from the landowner and the local governmental or zoning

authority having jurisdiction over the disposal site. The disposal area must be covered with a minimum of two feet of soil and seeded, rocked or paved. The final grades for the disposal site must be compatible with and not detract from the appearance of adjacent properties. In addition to the factors listed in subsection (b), the secretary shall consider the following when evaluating requests for off-site disposal of demolition waste:

(A) Public safety concerns associated with the building or structure proposed to be demolished.

(B) Proposed plans to redevelop the building site which would be impacted by on-site disposal of debris.

(C) The disposal capacity of any nearby permitted landfill.

(4) Dispose of solid waste generated as a result of a transportation accident if such waste is disposed of on property adjacent to or near the accident site. Prior to the department's authorization, written approval for the disposal must be obtained from the landowner and the local governmental or zoning authority having jurisdiction over the disposal site. A closure plan must be submitted to the department as part of the authorization process.

(5) Dispose of whole unprocessed livestock carcasses on property at, adjacent or near where the animals died if: (A) Such animals died as a result of a natural disaster or their presence has created an emergency situation; and (B) proper procedures are followed to minimize threats to human health and the environment. Prior to the department's authorization, written approval for the disposal must be obtained from the landowner and the local governmental or zoning authority having jurisdiction over the disposal site.

(6) Dispose of solid waste resulting from natural disasters, such as storms, tornadoes, floods and fires, or other such emergencies, when a request for disposal is made by the local governmental authority having jurisdiction over the area. Authorization shall be granted by the department only when failure to act quickly could jeopardize human health or the environment. Prior to the department's authorization, written approval for the disposal must be obtained from the landowner and the local governmental or zoning authority having jurisdiction over the disposal site. The local governmental authority must agree to provide proper closure and postclosure maintenance of the disposal site as a condition of authorization.

(7) Store solid waste resulting from natural disasters, such as storms, tornadoes, floods and fires, or other such emergencies, at temporary waste transfer sites, when a request for storage is made by the local governmental authority having jurisdiction over the area. Authorization shall be granted by the department only when failure to act quickly could jeopardize human health or the environment. Prior to the department's authorization, written approval for the storage must be obtained from the landowner and the local governmental or zoning authority having jurisdiction over the storage site. The local governmental authority must agree to provide proper closure of the storage and transfer site as a condition of authorization.

No land-spreading shall occur on any area where the water table is less than 10 feet or on any area where there is documented groundwater contamination as determined by the department.*

(C) (i) *Each separate land-spreading location shall require submission of an application to land-spread drilling waste, complete with all information required on the application form developed by the secretary. The contents of the application form shall include, but are not limited to, the land-spreading location, soil characteristics, waste characteristics, waste volumes, drilling mud additives, land-spreading method and post-land-spreading report. A separate land-spreading application and a post-land-spreading report shall be submitted for each location.*

(ii) *For the purposes of protecting the health, safety and property of the people of the state, and preventing surface and subsurface water pollution and soil pollution detrimental to public health or to the plant, animal and aquatic life of the state, a land-spreading application may not be approved for the same location unless a minimum of three years has passed since the previous land spreading occurred.*

(iii) *A fee of \$250 shall be paid to the state corporation commission with each drilling waste land-spreading application. The fee shall be remitted to the state treasurer in accordance with K.S.A. 75-4215, and amendments thereto, to be credited to the conservation fee fund.*

(iii) *establishing mechanisms for enforcement and remedial actions.*

(E) *On or before January 1, 2014, the secretary, in coordination with the state corporation commission, shall adopt rules and regulation governing land-spreading of waste generated by drilling oil and gas wells. In developing such rules and regulations, the secretary and the state corporation commission shall seek advice and comments from groundwater management districts and other groups or persons knowledgeable and experienced in areas related to this paragraph.*

(F) *On or before January 30, 2013 and 2014, the state corporation commission shall present a report to the senate standing committees on natural resources and ways and means and to the house standing committees on agriculture and natural resources and appropriations. (G) *The provisions of this paragraph shall expire on July 1, 2015.*

(b) The secretary shall consider the following factors when determining eligibility for an exemption to the solid waste permitting requirements under this section:

(1) Potential impacts to human health and the environment.

transfer on such date the amount available in the state economic development initiatives fund in accordance with this section and shall transfer on such date, or as soon thereafter as moneys are available therefor, the amount equal to the insufficiency from the state general fund to the Kansas qualified biodiesel fuel producer incentive fund; except that no moneys shall be transferred from the state general fund to the Kansas biodiesel fuel producer fund during the fiscal year ending June 30, 2012, or the fiscal year ending June 30, 2013.

Sec. 166. On July 1, 2012, K.S.A. 2011 Supp. 79-34,171 is hereby amended to read as follows: 79-34,171. (a) On January 1, 2009, and quarterly thereafter, the director of accounts and reports shall transfer \$400,000 from the state general fund to the Kansas retail dealer incentive fund, except that ~~(1) no moneys shall be transferred pursuant to this section from the state general fund to the Kansas retail dealer incentive fund during the fiscal years ending June 30, 2010, June 30, 2011, June 30, 2012, or June 30, 2013, and~~ ~~(2) any transfers of moneys from the state general fund to the Kansas retail dealer incentive fund during the state fiscal year ending June 30, 2010, under this or any other statute that have been made prior to the effective date of this act shall be reversed by the director of accounts and reports and reversing entries shall be entered upon the accounting records of the state treasurer therefor 2014.~~ On and after July 1, 2009, the unobligated balance in the Kansas retail dealer incentive fund shall not exceed \$1.5 million. If the unobligated balance of the fund exceeds \$1.1 million at the time of a quarterly transfer, the transfer shall be limited to the amount necessary for the fund to reach a total of \$1.5 million.

(b) There is hereby created in the state treasury the Kansas retail dealer incentive fund. All moneys in the Kansas retail dealer incentive fund shall be expended by the secretary of the department of revenue for the payment of incentives to Kansas retail dealers who sell and dispense renewable fuels or biodiesel through a motor fuel pump in accordance with the provisions of K.S.A. 2011 Supp. 79-34,170 through 79-34,175, and amendments thereto.

(c) All moneys remaining in the Kansas retail dealer incentive fund upon the expiration of K.S.A. 2011 Supp. 79-34,170 through 79-34,175, and amendments thereto, shall be credited by the state treasurer to the state general fund.

Sec. 167. On July 1, 2012, K.S.A. 2011 Supp. 79-4227 is hereby amended to read as follows: 79-4227. (a) All revenue collected or received by the director from the tax imposed by this act shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury. The state treasurer shall first credit such amount as the director shall order to the mineral production tax refund fund created under subsection (b) of this section. Except as otherwise provided by this section, the state treasurer shall credit the remainder of such amounts as follows: (1) Seven percent to the special county mineral production tax fund created under subsection (c) of this section; and (2) the remainder shall be credited to the state general fund. On and after July 1, 2008-2012, and thereafter, *except as otherwise provided by this section*, the state treasurer shall credit the remainder of such amounts for oil and gas for any county which in ~~fiscal year 2005 or any fiscal year thereafter~~ had \$100,000 or more in receipts of the excise tax upon the severance and production of oil and gas as follows: (1) Seven percent to the special county mineral production tax fund created under subsection (c); (2) ~~4.96% from July 1, 2008, through June 30, 2009, to the oil and gas valuation depletion trust fund; 7.44% from July 1, 2009, through June 30, 2010, to the oil and gas valuation depletion trust fund; 9.93% from July 1, 2010, to June 30, 2011, to the oil and gas valuation depletion trust fund; and 12.41% from July 1, 2011, and thereafter, to the oil and gas valuation depletion trust fund; and~~ (3) the remainder shall be credited to the state general fund. *During fiscal year 2013, the state treasurer shall credit the remainder of such amounts as follows: (1) As otherwise provided in this section; and (2) on the 15th day of each month, the state treasurer shall determine the amount of revenue collected or received by the director from the tax imposed by this act during the preceding month which exceeds the consensus revenue estimate for such preceding month. If such amount of revenue collected or received for such preceding month is greater than the estimated amount of revenue for such preceding month, then the state treasurer shall credit 14.63% of the difference between the actual amount collected or received and the estimated amount of revenue to the incentive for technical education fund, and 85.37% of the difference between the actual amount collected or received and the estimated amount of revenue to the tuition for technical education fund. During fiscal year 2013, the amount credited to the incentive for technical education fund shall not exceed \$1,500,000, and the amount credited to the tuition for technical education fund shall not exceed \$8,750,000. The incentive for technical edu-*

*tion fund and the tuition for technical education fund are hereby created in the state treasury.*

(b) A refund fund designated as "mineral production tax refund fund" not to exceed \$50,000 is hereby created for the prompt payment of all tax refunds. The mineral production tax refund fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act.

(c) There is hereby created a special county mineral production tax fund. On December 1, 1983, and quarterly thereafter, the director of taxation shall distribute all moneys credited to such fund to the county treasurers of all counties in which taxes were levied under K.S.A. 79-4217, and amendments thereto, for the severing and producing of coal, oil or gas from property within the county, in the proportion that the taxes levied upon production in each county bears to the total of all of such taxes levied in all of such counties. Such distribution shall be based on returns filed, with any adjustments or corrections thereto made by the director of taxation.

(d) The secretary of revenue shall make provision for the determination of the counties within which taxes are levied under K.S.A. 79-4217, and amendments thereto, for the severance of coal, oil or gas and shall certify the same to the director of accounts and reports.

(e) The director of accounts and reports shall draw warrants on the state treasurer payable to the county treasurer of each county entitled to payment from the special county mineral production tax fund upon vouchers approved by the director of taxation. Upon receipt of such warrant, each county treasurer shall credit 50% of the amount thereof to the county general fund and shall distribute the remaining 50% thereof to the treasurer of each school district all or any portion of which is located within the county in the proportion that the assessed value of coal, oil and gas properties within each district bears to the total of the assessed value of all coal, oil and gas properties within the county. Such assessed valuation shall be determined upon the basis of the most recent November 1 tax roll. The treasurer of each school district shall credit the entire amount of the moneys so received to the general fund of the school district.

Sec. 168. On July 1, 2012, K.S.A. 2011 Supp. 82a-953a is hereby amended to read as follows: 82a-953a. During each fiscal year, the director of accounts and reports shall transfer \$6,000,000 from the state general fund to the state water plan fund created by K.S.A. 82a-951, and amendments thereto, one-half of such amount to be transferred on July 15 and one-half to be transferred on January 15, except that ~~(1) such transfers during each fiscal year commencing after June 30, 2008, are subject to reduction under K.S.A. 75-6704, and amendments thereto; (2) the total amount of moneys transferred from the state general fund to the state water plan fund during the fiscal year ending June 30, 2009, shall not exceed \$2,000,000; (3) the total amount of moneys transferred from the state general fund to the state water plan fund during the fiscal year ending June 30, 2010, shall not exceed \$3,295,432; (4) the total amount of moneys transferred from the state general fund to the state water plan fund during the fiscal year ending June 30, 2011, shall not exceed \$1,348,245; and (5) no moneys shall be transferred from the state general fund to the state water plan fund during the fiscal years year ending June 30, 2012, or June 30, 2013. On the effective date of this act, the director of accounts and reports shall transfer the amount in excess of \$2,000,000 which was transferred from the state general fund to the state water plan fund prior to the effective date of this act during the fiscal year ending June 30, 2009, as certified by the director of the budget to the director of accounts and reports to the state general fund. All transfers under this section shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2010, and June 30, 2011, shall be considered revenue transfers from the state general fund.~~

Sec. 169. On the effective date of this act, K.S.A. 2011 Supp. 12-5256 and 74-99b34 are hereby repealed.

Sec. 170. On July 1, 2012, K.S.A. 2011 Supp. 2-223, 55-193, 72-8814, 74-50,107, 75-2319, 76-775, 76-783, 76-7,107, 79-2964, 79-2978, 79-3425i, as amended by section 10 of 2012 House Bill No. 2557, 79-34,156, 79-34,171, 79-4227 and 82a-953a are hereby repealed.

Sec. 171. (a) Except as provided in subsection (b), except to the extent required by federal law, during the fiscal year ending June 30, 2013, no state agency named in chapter 118 of the 2011 Session Laws of Kansas or in this or other appropriation act of the 2012 regular session of the legislature shall expend any moneys appropriated for the fiscal year ending June 30, 2013, from the state general fund or in any special revenue fund or funds for such state agency by chapter 118 of the 2011 Session Laws of Kansas or by this or other appropriation act of the 2012 regular session of the legislature, for health care services provided by

any such state agency, or any employee of such state agency while acting within the scope of such employee's employment, which include abortion: *Provided, however*, That the provisions of this section shall not apply to an abortion which is necessary to preserve the life of the pregnant woman.

(b) Nothing in this section shall be construed to prevent a physician enrolled in a residency program and employed by the university of Kansas medical center from receiving experience with induced abortions, conducted at facilities other than those owned, leased or operated by the university of Kansas hospital authority or any other state entity: *Provided, however*, That for purposes of this section only, such physicians shall be considered acting outside the scope of such physician's official employment in such actions.

(c) As used in this section "abortion" means an abortion as defined by K.S.A. 65-6701, and amendments thereto.

Sec. 172. *Severability.* If any provision or clause of this act or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 173. *Appeals to exceed position limitations.* (a) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal year ending June 30, 2012, made in chapter 118 of the 2011 Session Laws of Kansas or in this act or in any other appropriation act of the 2012 regular session of the legislature may be exceeded upon approval of the state finance council.

(b) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal year ending June 30, 2013, made in chapter 118 of the 2011 Session Laws of Kansas or in this act or in any other appropriation act of the 2012 regular session of the legislature may be exceeded upon approval of the state finance council.

Sec. 174. *Appeals to exceed expenditure limitations.* (a) Upon written application to the governor and approval of the state finance council, expenditures from special revenue funds may exceed the amounts specified in this act.

(b) This section shall not apply to the expanded lottery act revenues fund, the state economic development initiatives fund, the children's initiative fund, the state water plan fund or the Kansas endowment for youth fund, or to any account of any such funds.

Sec. 175. *Savings.* (a) Any unencumbered balance as of June 30, 2012, in any special revenue fund, or account thereof, of any state agency named in this act which is not otherwise specifically appropriated or limited by this or other appropriation act of the 2012 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2013, for the same use and purpose as the same was heretofore appropriated.

(b) Any unencumbered balance as of June 30, 2012, in any special revenue fund, or account thereof, of any state agency named in section 79 of chapter 118 of the 2011 Session Laws of Kansas which is not otherwise specifically appropriated or limited for fiscal year 2013 by chapter 118 of the 2011 Session Laws of Kansas or by this act or any other appropriation act of the 2012 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2013, for the same use and purpose as the same was heretofore appropriated.

(c) This section shall not apply to the expanded lottery act revenues fund, the state economic development initiatives fund, the children's initiatives fund, the state water plan fund, the Kansas endowment for youth fund, the Kansas educational building fund, the state institutions building fund, or the correctional institutions building fund, or to any account of any of such funds.

Sec. 176. During the fiscal year ending June 30, 2013, all moneys which are lawfully credited to and available in any bond special revenue fund, which are not otherwise specifically appropriated or limited by this or other appropriation act of the 2012 regular session of the legislature, are hereby appropriated for the fiscal year ending June 30, 2013, for the state agency for which the bond special revenue fund was established for the purposes authorized by law for expenditures from such bond special revenue fund. As used in this section, "bond special revenue fund" means any special revenue fund or account thereof established in the state treasury prior to or on or after the effective date of this act for the deposit of the proceeds of bonds issued by the Kansas development finance authority, for the payment of debt service for bonds issued by the Kansas development finance authority, or for any related purpose in accordance with applicable bond covenants.

Sec. 177. *Federal grants.* (a) During the fiscal year ending June 30, 2013, each federal grant or other federal receipt which is received by a state agency named in this act and which is not otherwise appropriated to that state agency by this or other appropriation act of the 2012 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2013, for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures therefrom.

(b) During the fiscal year ending June 30, 2013, each federal grant or other federal receipt which is received by a state agency named in section 79 of chapter 118 of the 2011 Session Laws of Kansas and which is not otherwise appropriated to that state agency for fiscal year 2013 by this or other appropriation act of the 2012 regular session of the legislature, is hereby appropriated for fiscal year 2013 for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures from such federal grant or other federal receipt for fiscal year 2013.

(c) In addition to the other purposes for which expenditures may be made by any state agency which is named in this act and which is not otherwise authorized by law to apply for and receive federal grants, expenditures may be made by such state agency from moneys appropriated for fiscal year 2013 by chapter 118 of the 2011 Session Laws of Kansas or by this act or any other appropriation act of the 2012 regular session of the legislature to apply for and receive federal grants during fiscal year 2013, which federal grants are hereby authorized to be applied for and received by such state agencies: *Provided*, That no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures therefrom.

Sec. 178. (a) Any correctional institutions building fund appropriation heretofore appropriated to any state agency named in this or other appropriation act of the 2012 regular session of the legislature, and having an unencumbered balance as of June 30, 2012, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2013, for the same uses and purposes as originally appropriated unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the correctional institutions building fund that was encumbered for any fiscal year commencing prior to July 1, 2011.

Sec. 179. (a) Any Kansas educational building fund appropriation heretofore appropriated to any institution named in this or other appropriation act of the 2012 regular session of the legislature and having an unencumbered balance as of June 30, 2012, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2013, for the same use and purpose as originally appropriated, unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the Kansas educational building fund that was encumbered for any fiscal year commencing prior to July 1, 2011.

Sec. 180. (a) Any state institutions building fund appropriation heretofore appropriated to any state agency named in this or other appropriation act of the 2012 regular session of the legislature and having an unencumbered balance as of June 30, 2012, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2013, for the same use and purpose as originally appropriated, unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the state institutions building fund that was encumbered for any fiscal year commencing prior to July 1, 2011.

Sec. 181. Any transfers of money during the fiscal year ending June 30, 2013, from any special revenue fund of any state agency named in this act to the audit services fund of the division of post audit under K.S.A. 46-1121, and amendments thereto, shall be in addition to any expenditure limitation imposed on any such fund for the fiscal year ending June 30, 2013.

Sec. 182. This act shall take effect and be in force from and after its publication in the Kansas register.

State of Kansas

Office of the Governor

Message to the Senate of the State of Kansas:

I want to thank all Kansas legislators and particularly, the members of the House Appropriations Committee and the Senate Ways and Means Committee, for producing a budget that for the first time in many years meets the statutory requirement of maintaining a 7.5% ending balance. Our state has gone through an incredible transition in just two years: from a projected \$500 million deficit to putting nearly half a billion dollars in the bank. A \$1 billion swing can only occur when we commit ourselves to shrinking the footprint of state government and pursuing policies that grow the economy. I look forward to continuing this prosperous path in the fiscal years to come.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 294 with my signature approving the bill, except for the items enumerated below.

Behavioral Sciences Regulatory Board

Limitation on Expenditures

That portion of Section 12(a) that reads as follows has been line-item vetoed:

“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2012, for leased office space shall not exceed \$14.00 per square foot.”

That portion of Section 12(b) that reads as follows has been line-item vetoed:

“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2013, for leased office space shall not exceed \$14.00 per square foot.”

Oversight of leased office space is the domain of the Department of Administration. To the extent that we can centrally manage leased space, we can manage our operating costs. These provisions would arbitrarily provide an exception not afforded other agencies and supersede the management function properly placed in the executive branch so I find it necessary to veto them both.

Department of Health & Environment-Environment

Local Environmental Protection Programs

That portion of Section 84(c) that reads as follows has been line-item vetoed:

“Local environmental protection program ..... \$800,000

Provided, That any unencumbered balance in the local environmental protection program account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of \$800,000 from the State Water Plan Fund (SWPF) for the Local Environmental Protection Programs would increase funding beyond my budget recommendations for FY 2013. Funding for this program was not recommended by the Kansas Water Authority nor the Department of Health and Environment, and was not included in my budget. The program was started in the early 1990s for the purpose of providing local governments with technical assistance and grant

funds in order to establish environmental programs specifically suited for local priorities. Once the programs were established, the intent was to discontinue the state funding. The addition of \$800,000 in expenditures from the SWPF for FY 2013 would result in a negative balance of approximately \$565,000 in this state fund. Therefore, I hereby line-item veto this provision.

Department of Education

Uniform Accounting Act for Schools

That portion of Section 42(a) that reads as follows has been line-item vetoed:

“Operating expenditures (including official hospitality) ..... \$50,000”

The 2011 Legislature enacted the Uniform Financial Accounting and Reporting Act for school districts to report expenditures to the Department of Education. This funding was not originally included in my FY 2012 budget recommendations and I believe the agency can develop and maintain this system which is similar to current procedures within current resources. I find it necessary to veto this appropriation.

Department of Revenue

Fee Sweeps

Sections 75(h) and 75(i) have been line-item vetoed in their entirety.

At the direction of the Legislature, the Department of Revenue is now more heavily dependent on fee income for its operations and two of the three fee sweeps included in the appropriations bill are insupportable. For these two, the cash on hand on the date specified will not be sufficient to make such sizable transfers and the agency would not be left with enough funds to function. I am leaving one of the sweeps the agency can manage. The other two sweeps go too far, and I therefore must veto them.

Department of Education

Mentor Teacher Bonuses

That portion of Section 88(a) that reads as follows has been line-item vetoed:

“Mentor teacher program grants ..... \$484,337”

I proposed educator quality and mentoring reforms as part of my overall education policy reform for consideration this session, however, the Legislature did not adopt most of these initiatives. For a mentoring bonus program to work properly, it must be done in concert with education reform policy. Without those reforms we fail our educators and their students. Therefore I find it necessary to veto this appropriation and look forward to discussing with the Legislature next session how we can improve teacher performance through mentoring.

Kansas Water Office

Water Resource Education

That portion of Section 114(c) that reads as follows has been line-item vetoed:

“Water resource education ..... \$40,000

Provided, That any unencumbered balance in the water resource education account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013."

The appropriation of \$40,000 from the State Water Plan Fund for the Water Resource Education program would increase funding beyond my budget recommendations for FY 2013 and would also contribute to a negative balance of approximately \$565,000 in the State Water Plan Fund. Funding for this program was not recommended in my budget. Therefore, I hereby line-item veto this provision.

**Wichita Aquifer Storage**

Section 114(d) has been line-item vetoed in its entirety.

The additional appropriation of \$500,000 from the Expanded Lottery Act Revenues Fund (ELARF) for the Wichita Aquifer Recharge Project would increase funding beyond my budget recommendations for FY 2013. My FY 2013 budget recommendations included a \$500,000 appropriation from the State Water Plan Fund for the project that demonstrates an effective method to provide for long-term planning related to future water supplies. Furthermore, the use of the ELARF will have to be leveraged as part of a specific debt reduction and budget balancing strategy. Therefore, I hereby line-item veto this provision.

**State Fair Board**

**Enhanced Marketing**

Section 113(c) has been line-item vetoed in its entirety.

I included funds in the Department of Commerce budget for a study to examine the feasibility of changing the dates when our State Fair is held. Rather than finance this study, the money was shifted to the Fair for promotion. With the projected negative balance in the Economic Development Initiatives Fund and this change in plan, I veto the funds. While it does not bring the EDIF into the black, it will be much closer.

**Department of Social & Rehabilitation Services and Department on Aging**

**FMS Fee for HCBS Providers**

Section 35(b) has been line-item vetoed in its entirety.

That portion of Section 35(l) that reads as follows has been line-item vetoed:

"Mental health and retardation services aid and assistance ..... \$91,429"

That portion of Section 36(a) that reads as follows has been line-item vetoed:

"LTC - medicaid assistance - HCBS/FE ..... \$99,634"

Section 122 has been line-item vetoed in its entirety.

The Financial Management System for Medicaid Home and Community Based Services providers was implemented in FY 2012 as required by the Center for Medicare & Medicaid Services. The system pays a \$115 per consumer per month fee to providers for administrative services. The 2012 Legislature appropriated a total of \$385,878 from the State General Fund in the above referenced sections to increase the fee to \$125 for the months from November 2012 to June 2012. This would require retroactive payments that would strain agency resources. No addi-

tional funding was approved to continue the increased rate in FY 2013. The agencies set the \$115 fee using a range derived from a study performed by an impartial contractor and by using comparisons with rates paid by other states. The rate is well above the national average and in my opinion is fair payment for services provided. I therefore find it necessary to veto these supplemental appropriations for FY 2012.

**Motor Vehicles**

**Limitations on Acquisitions**

Section 119 is vetoed in its entirety.

Agencies purchase vehicles for a variety of reasons and we have a process in place to ensure new purchases are not made unnecessarily. To ensure that agencies have the resources they need to get their work done, I veto this section of the bill.

**Kansas Bioscience Authority**

**Timing of Transfers from the State General Fund**

That portion of Section 156(d)(1) that reads as follows has been line-item vetoed:

"During the fiscal years ending June 30, 2013, and June 30, 2014, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 in equal installments, subject to the limitations established in subsection (h). If on such dates, during fiscal years 2013 and 2014, such payments can not be made in equal amounts, the state treasurer shall make the payment in the amount of moneys that is available on such date and upon the next payment date, the state treasurer shall make the payment in an amount equal to the amount that is to be paid on that date plus any additional amount that is owed from a previous date. During the fiscal years ending June 30, 2015, and following fiscal years thereafter, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 based on the certification provided by the secretary of revenue."

In recent years the state has had to delay its quarterly transfers to the Kansas Bioscience Authority from time to time, particularly the November amount, when the State General Fund was low on cash. This was done in cooperation with staff at the Bioscience Authority and was not done in a manner that was intended as punitive or harmful. Because we need to maintain our flexibility in managing the State General Fund cashflow, I veto this provision to require transfers on certain dates. This has the effect of leaving processes as they have been handled up to this point.

**Moving Forward**

The needs are great, and the people of Kansas, particularly our children, depend on us to put our state on a path of economic growth and prosperity. We took a giant step in the right direction this year. I look forward to continuing to work with the Kansas Legislature to review areas where we can reduce the reach of state government, streamline agencies and programs and focus funding on the state's core responsibilities.

Again, I commend the Legislature for its work during the 2012 session, and I look forward to working with all of you in the coming months and years as we get our state's budget and economy back on track.

Dated May 31, 2012.

Governor
