Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of two consulting engineering firms to be available (On-Call) to perform tests on construction material samples, which may be needed from time to time when KDOT does not have the personnel to perform the services. The services may require engineers and technicians to perform the tests according to approved methods and prepare reports or other documentation, and similar related deliverables.

Requirements: Interested consulting firms must: (a) be pre-qualified by KDOT in category 312—Materials Laboratory Testing Services and (b) submit a Letter of Interest on or before noon September 29, 2016 to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to DavidN@ksdot.org with the subject line reading "LOI On-Call Const. Material Testing [Firm Name]". Letters of Interest in the form of a PDF document (maximum size 3 pages) should express interest in the project and describe particular qualifications

(continued)

for the professional services sought by KDOT, including any special expertise, skill, experience or knowledge of the firm and its employees. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

Qualifications-Based Selection Process. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about October 10, 2016, KDOT will shortlist four firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance of services; and 4) past performance history. The two highest ranked firms will be asked to enter into negotiations with KDOT for an On-Call Agreement under which KDOT may request the firms to perform tests on construction material samples via Work Orders over a period of 4 years. The maximum cumulative aggregate amount payable under the On Call Agreement will not exceed \$400,000. In the event KDOT cannot reach agreement with the highest ranked firms, it will terminate negotiations with firm(s) and commence negotiations with the next highest ranked firm(s), and so on, until either agreement is reached for satisfactory terms, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before November 1, 2016.

Please do not call or write KDOT staff for information regarding the services in this RFQ. Email all inquiries or questions to David Nagy at DavidN@ksdot.org.

KDOT's approval is required to bid as a prime contractor. To bid as a prime

contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time October 19, 2016. If less than 190,000 tickets available for sale are sold, all prizes may be paid on a pari-mutuel basis as a cash lump sum payment of the total cash held for all tickets sold in this game. To play the "Holiday Millionaire Raffle," a player shall purchase a "Holiday Millionaire Raffle" ticket which bears a ticket number on the face of the ticket.

(b) A "Holiday Millionaire Raffle" ticket shall sell for \$20 (twenty) dollars.

(c) Tickets shall not be sold to any person under the age of 18 years. Each retailer may require a person purchasing tickets to produce proof of age.

(g) The only guaranteed methods of win checking a ticket to determine whether the ticket bears a winning number shall be through the Kansas lottery check-a-ticket machines, or submission of a ticket to the Kansas lottery or an authorized retail agent.

(h) A ticket shall not be voided or cancelled by returning the ticket to the selling retailer, including tickets that are printed in error. Exchange tickets may be printed by the lottery for early bird drawing winners at the discretion of the executive director.

(i) There shall be a total of 200,000 available tickets for sale.

(j) Ticket sales will begin at 5:00 a.m. central time on September 9, 2016.

(l) The game will officially close at 4:30 a.m. on January 3, 2017.

(m) The drawing shall be conducted by January 3, 2017, before noon central time, at a secure location as determined by the executive director, after the game is closed and the drawing official has verified that the game is closed, under conditions and procedures promulgated by the executive director of the lottery.

(n) Each player shall have the sole responsibility for verifying the accuracy and condition of the data printed on the ticket. The purchase of a ticket is done at the

player's own risk through the online retailer who is deemed to be acting on behalf of the player in entering the play or plays.

(o) For any reason or under any circumstance, the liability of the Kansas lottery or its agents shall be strictly limited to a refund of the amount of the ticket purchase price.

(p) Winning ticket numbers shall be made available to the public on or about noon, January 3, 2017.
