## Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting engineering firm to provide Flood Repair Design for a new river stabilization system in Sumner County using rock bend-way weirs (BWW), bank stabilization with Longitudinal Peak Stone Toe Protection (LPSTP), and upper slope rock revetment (RR). The fifteen (15) existing steel sheetpile jetties are expected to be incorporated into the new BWW system. Jetties #5 through #12 will be evaluated for BWW needs. This reach of the river is regulated by a FEMA floodway zone. Plans, permits, hydraulic information, and quantities will be within the consultant scope of services. The new BWW system will need to be integrated with the existing jetties into the design. This project is scheduled for an October 2018 letting. A Google KMZ file is available for site location information.

**Requirements:** Interested consulting firms must: (a) be prequalified by KDOT in category 325—Hydraulic and Hydrological Studies and (b) submit a Letter of Interest on or before **noon June 22, 2017**, to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to David.Nagy@ks.gov with the subject line reading "81-96 KA-4530-02 LOI Bank Stabilization [Firm Name]". Letters of Interest in the form of a PDF document (maximum size 5 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, modelling software, provide a brief narrative/description of at least two (2) similar projects, team members experience and/or knowledge and qualifications in River Mechanics, Geomorphology, Geotechnical Engineering, Structural Engineering, Hydrology, Hydraulics, Stream stabilization, Project management, and Plan production (KDOT methods and standards), and any sub-consultant the firm intends to utilize. If a firm is not currently prequalified by KDOT but is interested in obtaining prequalification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules, and regulations.

**Qualifications-Based Selection Process.** Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about July 14, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated

on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach for design; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for an Agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before **September 1, 2017**.

Please do not call or write KDOT staff for information regarding the services in this Request for Qualifications. Email all inquiries/questions to David Nagy at David.Nagy@ks.gov prior to June 13 for the Letter of Interest.

#### KanCare – Summary of Program and Extension Information

KanCare is the program through which the state of Kansas administers Medicaid. After a long period of study, the state determined that contracting with multiple managed care organizations would result in the provision of more efficient and effective health care services to the populations covered by Medicaid and Children's

Health Insurance Program (CHIP) in Kansas, and would ensure coordination of care and integration of physical and behavioral health services with each other and with home- and community-based services (HCBS).

On August 6, 2012, the state of Kansas submitted a Medicaid Section 1115 demonstration proposal, entitled KanCare, to the Centers for Medicare & Medicaid Services (CMS), a division of the U.S. Department of Health and Human Services. CMS approved that proposal on December 27, 2012, effective from January 1, 2013, through December 31, 2017. The state is now preparing to submit an application to extend the KanCare program for one year, effective from January 1, 2018, through December 31, 2018.

KanCare is operating concurrently with the state's section 1915(c) Home- and Community-Based Services (HCBS) waivers. Together with the 1115 demonstration, these seven waivers provide the authority necessary for the state to require enrollment of almost all Kansas Medicaid beneficiaries (including the aged, disabled, and some dual eligibles) into a managed care delivery system to receive state plan and waiver services. KanCare also includes a safety net care pool to support certain hospitals that incur uncompensated care costs for Medicaid beneficiaries and the uninsured, and provides incentives to hospitals for programs that result in delivery system reforms that enhance access to health care and improve the quality of care.

The KanCare demonstration program:

- Maintains Medicaid state plan eligibility;
- Maintains Medicaid state plan benefits;
- Allows the state to require eligible individuals to enroll in managed care organizations (MCOs) to receive covered benefits through such MCOs, including individuals on HCBS waivers, except:
  - American Indian/Alaska Natives, who are presumptively enrolled in KanCare but who have the option of affirmatively opting out of managed care.
- Provides benefits, including long-term services and supports (LTSS) and HCBS, via managed care; and
- Creates a Safety Net Care Pool to support hospitals that provide uncompensated care to Medicaid beneficiaries and the uninsured.

The KanCare demonstration assists the state in its goals to:

- Provide integration and coordination of care across the whole spectrum of health including physical health, behavioral health, and LTSS/HCBS;
- Improve the quality of care Kansas Medicaid beneficiaries receive through integrated care coordination and financial incentives paid for performance (quality and outcomes);
- Control Medicaid costs by emphasizing health, wellness, prevention and early detection as well as integration and coordination of care; and
- Establish long-lasting reforms that sustain the improvements in quality of health and wellness for Kansas Medicaid beneficiaries as well as provide a model for other states that are reforming their programs for Medicaid payment and delivery systems.

*(continued)*

The one-year extension of KanCare is designed to continue the program as it is currently structured, including:

- Eligible members covered: No change is anticipated in any eligibility group.
- Benefits covered and cost sharing requirements: No change is planned as part of the extension.
- Annual enrollment and re-enrollment of members: No change is planned as part of the extension.
- Annual aggregate expenditures: No change to funding and payment methodology is planned as part of the extension.
- Waiver and expenditure authorities: No change is planned as part of the extension.
- Hypothesis and evaluation parameters for the program: No change is planned as part of the extension; will expect to see ongoing improvement within the more mature program, and related expectations will be reflected in contractual and program policy content.

Information about the KanCare extension process and related documents will be maintained and kept current throughout the public comment and review process, during which the Centers for Medicaid Services (CMS) is reviewing and acting upon the state's extension request. This information will continue to be available at the KanCare Renewal page of the KanCare website: <http://www.kancare.ks.gov/about-kancare/kancare-renewal>. In addition, once the request to extend the KanCare program is submitted to CMS, it will be posted by CMS on its website for viewing and commenting: [https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/waivers\\_faceted.html](https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/waivers_faceted.html).

Telephone conference is not available. This 60-day notice of the public hearing shall constitute a public comment period for the proposed regulation. All interested parties may submit written comments prior to the hearing to Beth Lange, Legal Division, DCF, 555 S. Kansas Ave. 6th Floor, Topeka, KS 66603, or by email to [Beth.Lange@ks.gov](mailto:Beth.Lange@ks.gov). All interested parties will be given a reasonable opportunity to present their views at the hearing. It may be necessary to request each participant limit any oral presentation to five minutes. Copies of the regulation and the economic impact statement may be obtained by contacting Beth Lange at [Beth.Lange@ks.gov](mailto:Beth.Lange@ks.gov).

Any individual with a disability may request accommodations in order to participate in the public hearing and may request the proposed regulation and economic impact statements in an accessible format. These regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows:

**K.A.R. 28-4-802.** Pursuant to Executive Order Number 43, responsibility for foster care licensing was transferred from the Kansas Department of Health and Environment (KDHE) to the Kansas Department for Children and Families (DCF). This regulation is being revoked as it is no longer applicable to KDHE. There is no economic impact to DCF, to the general public, or to foster care licensees.

**K.A.R. 30-47-3.** This is a new regulation that incorporates much of the language previously found in K.A.R. 28-4-802 and adds the requirement to provide basic household income and expense information when applying for or renewing a foster care license, as recommended by the Kansas Legislative Division of Post Audit. This regulation simply codifies current agency practice. There is no economic impact to DCF, the general public or to foster care licensees.

(b) Beginning with the first player to the left of the dealer and continuing clockwise in order around the table, the dealer shall deal each player and the dealer seven (7) cards one card at a time face down.

(c) After all cards have been dealt, each player may examine his or her cards. Each player who places a wager shall be responsible for his or her own hand and no person other than the dealer and the player to whom the cards were dealt may touch the cards of that player.

(d) After examination of his or her cards, each player who has placed an ante wager shall have the option to either forfeit the ante wager and end his or her participation against the dealer's hand or make a raise wager. A raise wager must be equal to the amount of the player's ante wager unless the player's hand consists of five (5) or more cards of the same suit. If the player's hand consists of five (5) or more cards of the same suit, the player may make a raise wager up to two (2) times the amount of the player's ante wager. If the player's hand consists of six (6) or seven (7) cards of the same suit, the player may make a raise wager up to three (3) times the amount of the player's ante wager. (e) After each player has either placed a raise wager on the designated area of the table or forfeited his or her wager and hand, the dealer shall collect all forfeited wagers and associated cards, placing them in the discard rack or automatic shuffling machine. The dealer shall then reveal the dealer's cards and place the cards so as to form the highest possible ranking hand available for the dealer's cards.

(f) The dealer shall then settle the wagers remaining on the table by performing the procedure in subsection (g) below. All cards collected during the procedure shall be placed in the discard rack or automatic shuffling machine.

(g) Starting with the player farthest to the dealer's right and continuing counterclockwise around the table the dealer shall:

(1) Determine the highest ranking hand of each remaining player;

(2) Collect all losing wagers;

(3) Pay each winning wager in accordance with the payout odds listed below; and,

(4) Collect all player cards and place them in the discard rack or automatic shuffling machine.

(h) All cards collected by the dealer shall be picked up in order and placed in the discard rack or automatic shuffling machine in such a way that they can be readily arranged to reconstruct each hand in the event of a question or dispute.

(i) There are three winning payout types, as follows:

(1) A player in competition against the dealer shall be paid at odds of one to one on both the ante wager and the raise wager if the player's hand is ranked higher than the

dealer's hand, except that to win both wagers the dealer's hand must contain a flush containing a 9 or higher ranking card and the player's hand must be ranked higher than the dealer's hand. If the dealer does not hold a hand with a flush containing a 9 or higher ranking card, the player's ante wager shall automatically be paid at odds of one to one and the player's raise wager shall be returned to the player as a draw (tie).

(2) A player placing a flush bonus wager shall be paid at the following odds:
