***Adjustment of Issue Size**

The Issuer reserves the right to increase or decrease the total principal amount of the Bonds, depending the purchase price and interest rates bid and the offering prices specified by the successful bidder. The principal amount of any maturity may be adjusted by the Issuer in order to properly size the Bond, structure certain funds and accounts, and substantially obtain debt service parameters determined by the Issuer. In formulating bids, bidders should consider that bids generating significant premium may lead to post-bid revisions by the Issuer as described above, resulting in greater principal amortization in later years, and bids generating significant discount may lead to post-bid revisions by the Issuer as described above, resulting in greater principal amortization in earlier years. The successful bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Bonds or principal of any maturity as described herein. If there is an increase or decrease in the final aggregate principal amount of the Bonds or the schedule of principal payments as described above, the Issuer will notify the successful bidder by means of telephone or facsimile transmission, subsequently confirmed in writing, no later than 12:00 p.m. (CST) on the sale date. The actual purchase price for each series of Bonds shall be calculated by applying the percentage of par value bid by the successful bidder against the final aggregate principal amount of such series of Bonds, as adjusted. If the principal amounts are modified, the Issuer will seek to modify the maturity schedule, or make other mutually agreeable changes, in a way that will neither increase nor reduce the successful bidder's spread as a percentage of the principal amount of the Bonds issued, after taking into account such adjustments.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Thursday, August 9, 2018, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001014 Maximum Principal Amount: \$180,000. Owner/Operator: Jonathan D. and Stacy M. Myers; Description: Acquisition of 112 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Jonathan D. and Stacy M. Myers (the "Beginning Farmer") and is located at Section 17, Tonganoxie Township, Leavenworth County, Kansas, approximately 4 miles north of Tonganoxie, Kansas along Hollingsworth Road and 227th Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Entries into the first drawing will close at noon on September 14, 2018, and the winners will be announced by noon on September 21, 2018. Entries into the second drawing will close at noon on October 19, 2018, and the winners will be announced by noon on October 26, 2018. Entries into the third drawing will close at noon on November 12, 2018, and the winners will be announced at noon on November 16, 2018.

The player shall follow the hyperlink specifically designated for the purpose of accessing the "Kansas Lottery Luck of the Draw." The player may enter the required data from the entry ticket manually for entry into the drawing. If the player does not enter the ticket data manually, the player may scan, if available, the ticket to enter data to be used for entry into the drawing using a mobile device and a downloaded Kansas Lottery PlayOn app. After the ticket data is successfully entered either manu-

ally or scanned using an app, the player will receive one entry into the second-chance drawing.

(d) In the first drawing two winners will each receive a \$1,000 cash prize. Seven entrants shall be selected in the first drawing with the first and second entrants drawn being the prize winners. The next five entrants selected, numbers 3 through 7, shall be used as alternate winners in the order drawn, if needed.

In the second drawing three winners will each receive a \$1,000 cash prize. Eight entrants shall be selected in the second drawing with the first, second, and third entrants drawn being the prize winners. The next five entrants selected, numbers 4 through 8, shall be used as alternate winners in the order drawn, if needed.

Fifteen entrants shall be selected in the third drawing with the first, second, third, fourth, and fifth entrants drawn being the prize winners. The next ten entrants selected, numbers 6 through 15, shall be used as alternate winners in the order drawn, if needed.

(f) Any entry that is not selected in a previous drawing or one that is selected as an alternate in a previous drawing, but not used as a winner, shall be eligible to win a prize in any subsequent drawing for this promotion.

(g) A player who is selected as a prize winner in any of the drawings in (a) above, will be sent a claim form via U.S. mail. That winner must return his or her completed claim form, and the claim form must be received by the Kansas lottery within 14 days following the date of the online event drawing. Failure to return the completed claim form in the allotted time may, in the opinion of the Executive Director it is warranted, result in the prize being awarded to an alternate winner. In the event an alternate winner is awarded a prize, that alternate winner must return his or her completed claim form and the claim form must be received by the Kansas lottery within 14 calendar days following the date the alternate winner was sent a claim form via U. S. mail or another alternate will be selected until all alternates are exhausted.

(C) An insurance wager will win at the rate of 2 to 1 if the dealer has a blackjack.

A player may split up to three times for a total of four hands. A player may double down after splitting with the exception of after splitting aces. A player will only receive one additional card after splitting aces.

(B) A split wager will win if the total point value of the player's cards exceeds the total point value of the dealer's cards without exceeding a total point value of 21.

(C) A split wager will lose if the total point value of the player's cards exceeds 21 or is less than the total point value of the dealer's cards.

(C) A three-card wager will win if the dealer's up card and the player's original two cards combined equal a flush, straight, three-of-a-kind, or straight flush.

(D) A three-card wager will lose if the dealer's up card and the player's original two cards combined do not equal a flush, straight, three-of-a-kind, or straight flush.

(E) Winning three-card wagers will be paid at a rate of 9 to 1.

(F) All three-card wagers will be taken or paid before the blackjack portion of the game continues. (Authorized by K.S.A. 2017 Supp. 74-8710 and 74-8748; implementing K.S.A. 2017 Supp. 74-8710; effective, T-111-7-11-18, June 6, 2018.)

111-401-252. Game operations. (a) The following procedures for shuffling shall be implemented:

(1) The cards will be shuffled at various times including, but not limited to, the following circumstances:

(A) New decks are put into play.

(B) A shuffle will be performed after the completion of the hand in which the cut card appeared.

(C) The decks have been dropped or otherwise mishandled.

(D) When instructed to do so by a table games supervisor or higher ranking casino official.

(2) The cards may be shuffled manually.

(3) Alternatively, a shuffling machine may be used to shuffle the cards.

(b) The following procedures for card cutting shall be implemented:

(1) Upon completion of the shuffle, the dealer will offer the decks to a player to cut. In the event players at the table fail or refuse to perform the cut, the dealer or table games supervisor will cut the cards.

(2) On a game utilizing more than two decks of cards, the cut will be performed by inserting the cut card a minimum of approximately one deck from either end of the stack, as determined by the dealer.

(3) Once the deck has been cut, the dealer will insert the cut card approximately one and one-half decks from the back of a six deck shoe unless otherwise instructed by the table games supervisor or pit manager.

(c) The following procedures for dealing and taking cards shall be implemented:

(1) Cards are distributed to the players, one at a time, from left to right. The dealer distributes one card to himself face up before continuing. The dealer deals a second card to each player, one at a time, from left to right and deals a second card to himself face down directly under the up card.

(2) Beginning with the first player position to the left of the dealer, each player will indicate whether the player wishes to stand. The player will indicate wanting a hit by making a clearly visible motion with his or her hand. Cards will continue being distributed to each player, one at a time, receiving an additional signal from the player after each card, until the player indicates his or her desire to stand or the player's hand busts, whichever comes first. To indicate a player's wish to stand, a player should motion slightly with his or her hands, palm down, toward the dealer.

(3) After all of the players have stood or busts, the hole card will be turned face up announcing the total point value of the two cards. If any player's hand is still in action, the dealer will hit if the dealer holds cards with a total point value of 16 or less or a soft 17. The dealer will stand on a hard 17 or higher total point value.

(4) Winning wagers will be paid and losing wagers will be collected beginning on the right and working towards the left.

(5) The winning three-card bets will be paid and losing three-card bets will be collected prior to the continuation of the game.

(6) If a player has a losing hand, the dealer will remove the player's chips and pick up the cards for placement into the discard rack.

(d) The following procedures for burning cards shall be implemented:

(1) Dealers will burn a card after completion of the shuffle; and,

(2) Dealers will burn a card upon entering a game. (Authorized by K.S.A. 2017 Supp. 74-8710 and 74-8748; implementing K.S.A. 2017 Supp. 74-8710; effective, T-111-7-11-18, June 6, 2018.)
