State of Kansas

Board of Regents

Public Notice

The Kansas Board of Regents and Kansas State Department of Education staff are implementing the new *Strengthening Career and Technical Education for the 21st*

Century Act (Perkins V) legislation. This Act reauthorizes the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins IV). A new component of the legislation requires that states determine proposed levels of performance for the new state plan, spanning over a four-year period. Stakeholders have the opportunity to submit written comments regarding how the levels of performance meet the requirements of the law, support the performance of all concentrators, and support the needs of the local education and business community.

The proposed levels of performance and supporting documentation are available at www.kansasregents.org/CTE and written comments may be submitted beginning September 3, 2019 through November 4, 2019.

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is with-

drawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Governor's Grants Program

Notice of Available Grant Funding from the Federal S.T.O.P. Violence Against Women Grant Program

Grant funds are available from the Federal S.T.O.P. (Services*Training*Officers*Prosecutors) Violence Against Women Grant Program for calendar year 2020 to award approximately \$2 million to support communities in their efforts to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women; develop and strengthen victim services in cases involving crimes against women; and promote a coordinated community response to victims of domestic violence, dating violence, sexual assault/rape, and stalking. Eligible applicants include units of state and local government; Native American Tribes; and nonprofit, communi-

(continued)

ty, or faith-based organizations, including underserved and culturally specific populations.

All grant applications must be submitted via the Governor's Grant Portal by 11:59 p.m., November 22, 2019. To quickly locate the grant in the Grant Portal, use "WOMEN" for the keyword in your search or access the 2020 VAWA Solicitation at [www.grants.ks.gov/opportunities/federal-s-t-o-p-violence-against-women-grant-\(s-t-o-p-vawa\)](http://www.grants.ks.gov/opportunities/federal-s-t-o-p-violence-against-women-grant-(s-t-o-p-vawa)).

Governor's Grants Program

Notice of Available Grant Funding from the Federal Sexual Assault Services Grant Program

Grant funds are available from the Federal Sexual Assault Services Grant Program (SASP) for calendar year 2020. This grant program recognizes the need to place increased focus on sexual assault, rape, sex trafficking, and other severe forms of trafficking in persons who have also experienced sexual assault in order to address the lack of available direct intervention and related assistance services and the unique aspects of sexual assault trauma. Women and men of all ages, as well as children, can be victims of sexual assault. There is approximately \$388,250 available for grant awards. Available grant funds may be awarded to rape crisis centers and other nonprofit, nongovernmental organizations who are accredited by the Kansas Coalition Against Sexual and Domestic Violence or tribal programs for activities that provide rape and sexual assault services for the defined grant project purposes.

All grant applications must be submitted via the Governor's Grant Portal by 11:59 p.m., December 4, 2019. To quickly locate the grant in the Grant Portal, use "SASP" for the keyword in your search or access the 2020 SASP Solicitation at [www.grants.ks.gov/opportunities/federal-sexual-assault-services-grant-program-\(sasp\)](http://www.grants.ks.gov/opportunities/federal-sexual-assault-services-grant-program-(sasp)).

**Department of Administration
Office of Facilities and Property Management**

Notice of Requested Architectural Services

Notice is hereby given of the commencement of the selection process for architectural services for mechanical-electrical-plumbing and code improvements at the Kansas Union, the University of Kansas, Lawrence. The Union is proposing to address deferred maintenance issues and make necessary improvements to outdated and inadequate HVAC and other mechanical, electrical, and plumbing (MEP) systems in the Kansas Union as the first phase of a master plan for overall future improvements. The project scope will also address numerous code-related deficiencies as part of an overall plan of correction, which includes correcting numerous ADA and emergency exiting issues, and addressing a serious deficit of existing restroom fixtures. The total project budget is \$18,000,000 and the estimated construction budget is \$15,000,000.

An architectural/engineering program is available at <http://admin.ks.gov/offices/ofpm/dcc/arch-eng-programs>. For more information, contact Steve Scannell at sscannell@ku.edu, phone 785-393-9215.

To be considered, one (1) PDF file of the following should be provided: State of Kansas Professional Qualifications DCC Forms 051-054, inclusive, and information regarding similar projects. These forms may be found at <http://admin.ks.gov/offices/ofpm/dcc/f-and-d>. State of Kansas Professional Qualifications DCC Form 050 for each firm and consultant should be provided at the end of each proposal. Please include your firm name, agency abbreviation, and an abbreviated project name in the title of the PDF document. Proposals should be less than

5 MB and follow the current State Building Advisory Commission guidelines which can be found in Part B–Chapter 2 of the Building Design and Construction Manual at <http://www.admin.ks.gov/offices/ofpm/dcc/bdcm>. Proposals should be sent on a flash drive along with a transmittal to Randy Riveland, Office of Facilities and Property Management, 700 SW Harrison St., Suite 1200, Topeka, KS 66603. Proposals sent via email will no longer be accepted and paper copies of the proposals are no longer required. It is the proposer’s responsibility to ensure proposals are received by the closing date and time. Delays in mail delivery or any other means of transmittal, including couriers or agents of the issuing entity shall not excuse late proposal submissions. Proposals received after the date and time noted below will not be forwarded to the State Building Advisory Commission for review. If you have questions, call 785-296-0749. The PDF proposal submissions shall be delivered to the attention of Randy Riveland by 2:00 p.m. on or before November 15, 2019.

The State of Kansas, as a matter of public policy, encourages anyone doing business with the State of Kansas to take steps to discourage human trafficking. If prospective bidders/vendors/contractors have any policies or participate in any initiatives that discourage human trafficking, the prospective bidder/vendor/contractor is encouraged to submit same as part of their bid response.

Frank Burnam, Director
Office of Facilities and Property Management

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Southern Star Central Gas Pipeline has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Southern Star Central Gas Pipeline, 4700 Hwy. 56, Owensboro, KY 42301, owns and operates a natural gas compressor station located at Section 32, Township 1 South, Range 41 West in Cheyenne County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northwest District Office, 2301 E. 13th St., Hays, KS 67601. To obtain or review the proposed permit and supporting documentation, contact Stephen Bartels, 785-296-6421, at the central office of the KDHE or Anna Thiede, 785-261-6117 at the Northwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Stephen Bartels, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit de-

cision, written comments must be received no later than 12:00 p.m. Monday, December 2, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Stephen Bartels, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, December 2, 2019 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

State of Kansas

Department of Health and Environment

Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality construction permit. Johns Manville applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to construct a new non-bonded insulation manufacturing line to produce loose fill fiberglass insulation products at their wool fiberglass insulation manufacturing facility located at 1465 17th Ave., McPherson, KS 67460. Emission of particulate matter (PM), PM equal to or less than 10 microns in aerodynamic diameter (PM₁₀) and PM equal to or less than 2.5 microns in aerodynamic diameter (PM_{2.5}) were evaluated during the permit review process.

The permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, *Prevention of Significant Deterioration* (PSD) which adopt the federal standards, procedures, and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attain-

ment areas are areas where the air quality meets or is better than the national ambient air quality standards (NAAQS).

The PSD regulations require evaluation of emission reduction techniques to identify the best available control technology (BACT) for each regulated pollutant, including GHG, for which the emission rate exceeds the PSD significant level. The purpose of BACT is to affect the maximum degree of reduction achievable, taking into account energy, environmental, and economic impacts for each pollutant under review. Evaluation of the estimated emissions increases for the new non-bonded insulation manufacturing line project indicates that the emission rates of PM, PM₁₀, and PM_{2.5} exceed the PSD significant emission rates. Johns Manville conducted the required BACT analyses and KDHE concurs with their findings.

An ambient air quality impact analysis was performed on the air emissions of PM₁₀ and PM_{2.5} from the project. The analysis demonstrated that the proposed project was below the PSD Class II Significant Impact Levels for 24-hour and annual PM₁₀ and 24-hour and annual PM_{2.5}. Therefore, no NAAQS or PSD Increment modeling analysis was conducted. The project did not require PSD Increment modeling analysis and thus, no maximum allowance increment was consumed.

No assessment of visibility impacts at a Class I area was performed by the facility because there are no Federal Class I areas located within 400 km of the proposed facility. The facility did a visibility impact analysis for a local Class II area, Themian Park. Themian Park is located approximately 44 kilometers southeast of Johns Manville. The results indicate that there are no exceedances of the screening criteria inside or outside of the Themian Park area. Therefore, there are no potential visibility impacts for Themian Park that would require additional analysis.

A public comment period has been established to allow citizens the opportunity to express any concerns they may have about this proposed permitting action. The public comment period is to begin Thursday, October 31, 2019 and ends at 12:00 p.m. Monday, December 2, 2019. All comments should be submitted in writing to Jason Heitman, KDHE/Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366.

Any member of the public may request to hold a public hearing to receive comments on the proposed issuance of the draft air quality construction permit. Written request to hold a public hearing should be sent to the attention of Jason Heitman, KDHE/Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or by fax to 785-559-4256 and must be received by 12:00 p.m. Monday, December 2, 2019. If a request is received, a public hearing is tentatively scheduled Tuesday, December 3, 2019 at the McPherson Museum & Arts Foundation CHS Gathering Hall, 1111 E. Kansas Ave., McPherson, KS 67640, beginning at 2:00 p.m. and continuing until audience members have an opportunity to submit comments. If no requests to hold the public hearing are received by 12:00 p.m. Monday, December 2, 2019, the public hearing will be cancelled. A notice of the cancellation will be posted at the KDHE website at <http://www.kdheks.gov/bar/publicnotice.html>.

If a hearing is conducted, all interested parties will be given a reasonable opportunity to present their views orally or by submission of written materials during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to limit oral presentations to a specific time limit. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed materials in an accessible format. Requests for accommodation must be made no later than Monday, November 18, 2019 by contacting the Bureau of Air at 785-296-1581.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review for a period of 30 days from the date of publication during normal business hours (8:00 a.m. to 5:00 p.m.) at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. Also, a copy of the proposed permit only can be reviewed, at the North Central District Office, 2501 Market Pl., Suite D, Salina, KS 67404. To obtain or review the proposed permit and supporting documentation, contact Jason Heitman, 785-296-1581, at the central office of the KDHE and to review the proposed permit only, contact Joshua Webb, 785-827-9639, in the North Central District Office. The standard departmental cost will be assessed for any copies requested.

These same materials are available, free of charge, at the KDHE Bureau of Air website, <http://www.kdheks.gov/bar/publicnotice.html>.

Doc. No. 047607

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

(continued)

Public Notice No. KS-AG-19-319/328

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

N.A. Timmerman, Inc. Jason Timmerman 1762 U.S. 83 Hwy. Colby, KS 67701	NE & NW/4 of Section 10 T08S, R32W Thomas County	Solomon River Basin
---	--	---------------------

Kansas Permit No. A-SOTH-C003
Federal Permit No. KS0117862

This permit is being modified to increase the confined feeding operation capacity to 24,000 head (24,000 animal units) of cattle weighing greater than 700 pounds. This represents an increase in the permitted animal units from the previous permit. The additional capacity will be accomplished by increasing stocking density in the existing pens and adding 2.8 acres of new pens in an area within the existing footprint of the facility.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Fullmer Cattle Company Que Fullmer PO Box 986 Syracuse, KS 67878	SE/4 of Section 25 and E/2 of Section 36 T24S, R41W Hamilton County	Upper Arkansas River Basin
---	---	----------------------------

Kansas Permit No. A-UAHM-C005
Federal Permit No. KS0090981

This permit is being modified for a confined feeding operation raising beef and dairy calves. Wastewater from precipitation runoff from open lot and calf hutch areas, feed storage areas, and wastewater from the formula mixing equipment and feed equipment wash house is controlled from four (4) control areas with storage in four lined earthen wastewater retention structures (RS-1, RS-2, RS-3, and RS-4). The current maximum capacity of 60,000 head (30,000 animal units) of cattle weighing less than 700 pounds will not change. This permit modification is specific to Control Area 3 (RS-3) with the planned addition of approximately 17.3 acres of calf pens. RS-3 was constructed with additional wastewater storage space, so no additional RCS construction is planned.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Hoxie Feedyard, Inc. Scott Foote 3522 N. Road 70 W. 60 Hoxie, KS 67740	All of Section 28 and N/2 & SE/4 of Section 33 T07S, R29W Sheridan County	Solomon River Basin
---	---	---------------------

Kansas Permit No. A-SOSD-C002
Federal Permit No. KS0117897

This permit is being modified and reissued for an existing facility that is expanding the head capacity to 80,000 head (80,000 animal units) of cattle weighing greater than 700 pounds. Construction of 45 acres of manure stockpile area in the northwest corner of the facility will drain to an existing wastewater retention structure, and 94 acres of additional pens was previously approved to be constructed in the southeast quarter with a sediment basin that drains to RCS 9 via drainage ditch. There is no change in animal units from the previous permit. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Ryan J. Burdick 33030 N Rd. Wetmore, KS 66550	NW/4 of Section 6 T05S, R15E Jackson County	Kansas River Basin
---	---	--------------------

Kansas Permit No. A-KSJA-B008

This is a reissued permit for a facility for 999 head (999 animal units) of beef cattle weighing greater than 700 pounds. There is no change in permitted animal unit capacity from the previous permit. A wastewater control system consisting of an earthen sedimentation basin and earthen wastewater retention structure is constructed to control wastewater runoff from the confined feeding facility.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Kearny County Feeders Stewart Stabel PO Box 109 Lakin, KS 67860	All of Section 4, N/2 of Section 9 and SE/4 of Section 5 T24S, R36W	Upper Arkansas River Basin
--	--	----------------------------

Kansas Permit No. A-UAKE-C002
Federal Permit No. KS0036731

This is a renewal permit for an existing facility for 35,000 head (35,000 animal units) of cattle weighing more than 700 pounds. There is no change in the permitted animal units. This facility has an approved Nutrient Management Plan on file with KDHE. Seepage tests shall be conducted on RCS 3 and RCS 4. The staff gauge for RCS 1 shall be marked to reflect the vertical feet below the lowest point of the top of berm for the subject structure. See Section E. Schedule of Compliance.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Fletchall Feedlot Martin E. Fletchall 2227 S Rd. Beloit, KS 67420	SW/4 of Section 5 T09S, R08W Mitchell County	Solomon River Basin
--	--	---------------------

Kansas Permit No. A-SOMC-B014

This is a renewal permit for an existing facility for 999 head (999 animal units) of cattle weighing more than 700 pounds. There has been no change in animal numbers from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Kellan Kopfer 630 Cherokee Rd. Oak Hill, KS 67432	NW/4 of Section 4 T10S, R01E Clay County	Smoky Hill – Saline River Basin
---	--	---------------------------------

Kansas Permit No. A-SHCY-S007

This is a renewal permit for an existing facility for 2,250 head (900 animal units) of swine weighing greater than 55 pounds and 800 head (80 animal units) of swine weighing 55 pounds or less; for a total of 980 animal units of swine. There has been no change in animal numbers from the last permit.

---	--	----------------------------

Kansas Permit No. A-UAFO-C013
Federal Permit No. KS0079189

An update to the Nutrient Management Plan (NMP) was received for this existing facility currently permitted for 2,000 head (2,000 animal units) of cattle weighing greater than 700 pounds. The facility's NMP was updated to include a change in application rate limitation for field M1 from 1.5 x crop P removal to Agronomic N. There was also a change to the land application rate methodology. There are no changes to the permitted number of animal units. Only the updated portions of the Nutrient Management Plan are subject to comment. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Harder Farms, Inc. 14325 NW 80th St. Whitewater, KS 67154	NE/4 of Section 28 T24S, R03E Butler County	Walnut River Basin
---	---	--------------------

Kansas Permit No. A-WABU-B010

This is a renewal permit for an existing facility for 400 head (160 animal units) of swine weighing more than 55 pounds, 450 head (225 animal units) of cattle weighing 700 pounds or less and 400 head (400 animal units) of cattle weighing greater than 700 pounds; for a total of 785 animal units. There has been a reduction in animal units from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
Harder Farms, Inc. – Miller Barn 14325 NW 80th St. Whitewater, KS 67154	NE/4 of Section 14 T24S, R03E Butler County	Walnut River Basin

Kansas Permit No. A-WABU-S036

This is a renewal permit for an existing facility for 400 head (160 animal units) of swine weighing greater than 55 pounds. There has been no change in animal numbers from the last permit.

Public Notice No. KS-AG-R-19-024

Per Kansas Statutes Annotated 65-171d, the following registration has been received for a proposed facility:

Name and Address of Registrant	Legal Description	County
Brad Aust 20999 Ragains Rd. LaCygne, KS 66040	NW/4 of Section 15 T21S, R23E	Linn

Public Notice No.: KS-Q-19-276/278

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Coffeyville Resources Terminal, LLC 1589 U.S. 183 Hwy. Phillipsburg, KS 67661	Deer Creek via Plotner Creek	Process Wastewater

Kansas Permit No. I-SO31-PO05
Federal Permit No. KS0089036
Legal Description: NE¼, S22, T3S, R18W, Phillips County
Facility Name: Coffeyville Resources – Phillipsburg

The proposed action is to reissue an existing State/NPDES permit to an existing facility. This facility is a 175-acre former petroleum refinery and tank farm. The facility continues to operate as a crude oil storage facility. In addition, operation of a urea ammonia nitrate (UAN) bulk fertilizer storage terminal was initiated in 2013. Current activities also include two groundwater remedial systems (terminal and cable road residential area [CRRA] systems). The wastewater treatment plant inflow consists of stormwater runoff and flow from the two groundwater remediation systems, and consists of a primary clarifier, a secondary clarifier, a former activated sludge aeration basin used for air stripping, a final clarifier that discharges to the lagoon system, and a concrete sludge holding basin. The proposed permit contains limits for benzene, pH, and chloride, as well as monitoring for flow, TPH, volatile organic compounds, and total phosphorus.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Rantoul, City of PO Box 79 Rantoul, KS 66079	Marais des Cygnes River via Unnamed Tributary	Treated Domestic Wastewater

Kansas Permit No. M-MC40-OO01
Federal Permit No. KS0048119
Legal Description: NW¼, SE¼, SW¼, S21, T17S, R21E, Franklin County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH, and ammonia, as well as monitoring for E. coli. The proposed permit contains a schedule of compliance requiring the permittee to obtain the services of a KD-HE-certified operator. This facility has been issued a variance from the 2013 ammonia criteria which requires the inclusion of a Pollutant Minimization Plan and an alternate ammonia criteria limit that establish the highest attainable condition for the facility to meet the terms of the “Multiple-Discharger Lagoon Ammonia Variance” in the NPDES permit.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Williams Petroleum Services, LLC PO Box 3483 MD-48-6 Tulsa, OK 74101	Walnut River via Whitewater River	Process Wastewater

Kansas Permit No. I-WA03-PO01
Federal Permit No. KS0000213
Legal Description: SE¼, S28, T27S, R4E, Butler County, Kansas
Facility Name: Williams Former Augusta Refinery
Facility Location: 215 Oak St., Augusta, KS 67010

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a former petroleum refinery with no active operations. Site groundwater and soils are contaminated from the previous refining activities. Remediation activities are ongoing and under EPA/Resource Conservation and Recovery Act (RCRA) oversight. Storm water runoff is managed in accordance with a stormwater pollution prevention plan to ensure the quality of the storm water discharge is in compliance with surface water quality standards. The proposed permit contains limits for oil and grease and pH, as well as monitoring for TPH, volatile organic compounds, and priority pollutants.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before November 30, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-319/328, KS-AG-R-19-024, KS-Q-19-276/278) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of

(continued)

Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 047605

State of Kansas

Governmental Ethics Commission

Opinion No. 2019-05

Written October 23, 2019, to Mr. John S. Robb, Somers, Robb and Robb, 110 E. Broadway, Newton, KS 67114-2222.

Synopsis: Under the facts provided, a superintendent does not have a substantial interest in a law firm that employs his brother as an attorney.

Cited herein: K.S.A. 75-4301a, 75-4302a, 75-4304, 75-4305 and *Dowling Realty v. City of Shawnee*, 32 Kan.App.2d 536, 85 P.3d 716 (2004).

Dear Mr. Robb,

In response to your October 2, 2019, letter request, this opinion is provided by the Kansas Governmental Ethics Commission (commission), concerning application of the local conflict of interest law, K.S.A. 75-4301a *et seq.* The commission's jurisdiction is limited to applicability of this law. This opinion, provided pursuant to K.S.A. 75-4303a(a), does not address whether some other statutory system, common law theory, agency rule or regulation applies to your inquiry.

Factual Statement

We understand that your firm requests this opinion as counsel for Unified School District No. 265 (Goddard). Your letter provides the following facts:

[Goddard] has seen a tremendous increase in vaping and e-cigarette use by students in the past several years. Nicotine use during adolescence can impact learning, memory and attention as well as increase the risk for future addictions. The disruption to the learning process is increasing exponentially, is harming students and is consuming ever more district resources.

Desiring to take aggressive steps to protect children and minimize the effect on educational processes, the Goddard Board of Education began a dialog with [...] lawyers with the law firm of Wagstaff and Cartmell (hereinafter "Wagstaff.") This firm is on the leading edge of pursuing litigation against the companies that produce and market vaping e-cigarette products to children.

Finding Wagstaff to be qualified and aligned with Goddard Board of Education goals, the Board of Education adopted a resolution to employ the firm to represent Goddard in pursuing litigation against

the offending companies. The contract is currently in the process of negotiation between the parties.

[The lawyers with the Wagstaff firm] were first introduced to Goddard Board of Education members through the Goddard Superintendent [...]. [The superintendent] became aware of the Wagstaff involvement in the issue because [...] [his] brother, [...] is employed at that firm. [The superintendent's brother] [...] does not currently work on the vaping e-cigarette pending litigation for the firm, because he is concentrated in other areas, but was aware of firm activities in the area such that he could connect his brother with the appropriate attorneys at the firm.

...

[The superintendent] did not enter a contract with Wagstaff and will not be a signatory to any agreement between the parties. The proposed contract will be entered into between Wagstaff and the Board of Education of U.S.D. No. 265. It will be executed by the President of the Board of Education on behalf of the district.

[The superintendent] is not and never has been employed by Wagstaff. Dr. Henry is not a member of the Board of Education of Goddard and thus will not be a participant in the making of the contract with Wagstaff. [The superintendent] does not have and never has had a substantial interest in Wagstaff. [The superintendent] will see no personal benefit whatsoever from this relationship.

Question

Does the Goddard superintendent, or his spouse, have a substantial interest in the Wagstaff law firm by virtue of the superintendent's brother being a Wagstaff law firm attorney?

Analysis and Opinion

Pursuant to K.S.A. 75-4301a(f), Goddard Unified School District No. 265 employees (including the superintendent) are governed by the local level conflict of interest laws found in K.S.A. 75-4301, *et seq.* If the Goddard superintendent, or his spouse, has a substantial interest, then it is required to be reported either by (1) filing a statement of substantial interests pursuant to K.S.A. 75-4302a, or (2) filing a report of interest, pursuant to K.S.A. 75-4305.

The request for an opinion concludes that the Goddard superintendent and his spouse do not have a substantial interest in Wagstaff. We agree. The facts provided in the request for an opinion do not indicate a basis for us to conclude the Goddard superintendent or his spouse have a *substantial interest* in Wagstaff as that term is defined in K.S.A. 75-4301a. Specifically, a local government employee having a near relative (other than a spouse) employed by a person or business is not a substantial interest even though a local governmental employee may make or participate in the making of a contract with such person or business.

The opinion request indicates that the Goddard superintendent will not enter into a contract between the Goddard school board and Wagstaff or be a signatory to any such contract pursuant to K.S.A. 75-4304(b). We recog-

nize this is a moot point absent the existence of a substantial interest. To further clarify we note that involvement by Goddard superintendent in discussions and other interactions with the Goddard school board regarding the proposed contract with Wagstaff may be construed as making or participation in the making of a contract. To make or participate in the making of a contract is an act, as defined in K.S.A. 75-4301a(h), when done by a local governmental employee. Such an act is a violation of K.S.A. 75-4304(a) if a substantial interest exists. See *Dowling Realty v. City of Shawnee*, 32 Kan.App.2d 536, 85 P.3d 716 (2004), Syllabus ¶¶ 3, 5.

Sincerely,

Nicholas Hale, Chairman
By Direction of the Commission

Doc. No. 047609

State of Kansas

Secretary of State

Notice of Proposed Constitutional Amendment

Senate Concurrent Resolution No. 1605

A PROPOSITION to amend section 1 of article 10 of the constitution of the state of Kansas; relating to reapportionment of senatorial and representative districts.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 10 of the constitution of the state of Kansas is hereby amended to read as follows:

“§ 1. Reapportionment of senatorial and representative districts. (a) ~~At its regular session in 1989, the legislature shall by law reapportion the state representative districts, the state senatorial districts or both the state representative and senatorial districts upon the basis of the latest census of the inhabitants of the state taken by authority of chapter 61 of the 1987 Session Laws of Kansas. At its regular session in 1992, and at its regular session every tenth year thereafter, the legislature shall by law reapportion the state senatorial districts and representative districts on the basis of the population of the state as established by the most recent census of population taken and published by the United States census bureau of the census. Senatorial and representative districts shall be reapportioned upon the basis of the population of the state adjusted: (1) To exclude nonresident military personnel stationed within the state and nonresident students attending colleges and universities within the state; and (2) to include military personnel stationed within the state who are residents of the state and students attending colleges and universities within the state who are residents of the state in the district of their permanent residence. Bills reapportioning legislative districts shall be published in the Kansas register immediately upon final passage and shall be effective~~

for the next following election of legislators and thereafter until again reapportioned.

(b) Within 15 days after the publication of an act reapportioning the legislative districts within the time specified in (a), the attorney general shall petition the supreme court of the state to determine the validity thereof. The supreme court, within 30 days from the filing of the petition, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall enact a statute of reapportionment conforming to the judgment of the supreme court within 15 days.

(c) Upon enactment of a reapportionment to conform with a judgment under (b), the attorney general shall apply to the supreme court of the state to determine the validity thereof. The supreme court, within 10 days from the filing of such application, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall again enact a statute reapportioning the legislative districts in compliance with the direction of and conforming to the mandate of the supreme court within 15 days after entry thereof.

(d) Whenever a petition or application is filed under this section, the supreme court, in accordance with its rules, shall permit interested persons to present their views.

(e) A judgment of the supreme court of the state determining a reapportionment to be valid shall be final until the legislative districts are again reapportioned in accordance herewith.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. The purpose of this amendment is to eliminate the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives.

“A vote for this proposition would eliminate the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives.

“A vote against this proposition would continue in effect the requirement for the adjustment of census taken by the United States census bureau regarding nonresident military personnel and nonresident students when reapportioning the Kansas senate and house of representatives.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2019, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Scott Schwab
Secretary of State

Doc. No. 047563

(Published in the Kansas Register October 31, 2019.)

Thomas County, Kansas

**Summary Notice of Bond Sale
\$10,335,000***

General Obligation Sales Tax Bonds, Series 2019

**(General Obligation Bonds Payable
from Unlimited Ad Valorem Taxes)**

Bids

Subject to the Notice of Bond Sale dated September 23, 2019 (the "Notice"), facsimile and electronic bids will be received on behalf of the County Clerk of Thomas County, Kansas (the "Issuer") in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 10:00 a.m. (CST) November 18, 2019, for the purchase of the above-referenced bonds (the "Bonds"). No bid of less than 98.5% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated December 3, 2019, and will become due in principal installments semiannually on June 1 and December 1 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
12/01/2020	\$135,000	12/01/2034	\$180,000
06/01/2021	135,000	06/01/2035	185,000
12/01/2021	140,000	12/01/2035	185,000

12/01/2029	160,000	12/01/2043	240,000
06/01/2030	160,000	06/01/2044	240,000
12/01/2030	165,000	12/01/2044	245,000
06/01/2031	165,000	06/01/2045	250,000
12/01/2031	170,000	12/01/2045	255,000
06/01/2032	170,000	06/01/2046	260,000
12/01/2032	170,000	12/01/2046	260,000
06/01/2033	175,000	06/01/2047	265,000
12/01/2033	175,000	12/01/2047	270,000
06/01/2034	180,000		

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as here-

inafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 2020.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$206,700.

Delivery

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about December 3, 2019, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2019 is \$159,848,607. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$25,030,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the undersigned, or from the Financial Advisor at the addresses set forth below:

(Published in the Kansas Register October 31, 2019.)

City of Gardner, Kansas

**Summary Notice of Sale
\$2,600,000*
General Obligation Bonds,
Series 2019E**

**(General Obligation Bonds Payable
from Unlimited Ad Valorem Taxes)**

Bids

Subject to the Notice of Sale dated November 7, 2019 (the "Notice of Sale"), bids will be received on behalf of the City of Gardner, Kansas (the "City"), at the offices of Ehlers & Associates, Inc., 3060 Centre Pointe Dr., Roseville, MN 55113-1105, by delivery; by telephone at 651-697-8500 or via facsimile at 651-697-8555; or in the case of electronic proposals, via PARITY® Electronic Bid Submission System ("PARITY"), until 10:30 a.m. (CST) November 18, 2019, for the purchase of \$2,600,000* principal amount of General Obligation Bonds, Series 2019E (the "Bonds"). No bid of less than 98.80% of the par value of the Bonds, plus accrued interest to the date of delivery, will be considered. Bidders may be required to be qualified in a manner established by the City before submitting a bid.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated December 12, 2019 (the "Dated Date"), and will become due on October 1 in the years as follows:

Year	Principal* Amount	Year	Principal* Amount
2020	\$245,000	2025	\$260,000
2021	240,000	2026	270,000
2022	245,000	2027	270,000
2023	255,000	2028	275,000
2024	255,000	2029	285,000

The Bonds will bear interest from the Dated Date at rates to be determined when the Bonds are sold as provided in the Notice of Sale, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on April 1, 2020. A bidder may elect to have all or a portion of the Bonds scheduled to mature in consecutive years issued as term bonds subject to the requirements set forth in the Notice of Sale.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in the manner that complies with the requirements set forth in the Notice of Sale in the amount of \$52,000 (2% of the principal amount of the Bonds).

Delivery

The City will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about

December 12, 2019, at the offices of The Depository Trust Company, New York, New York.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2018 is \$214,501,523. The total general obligation indebtedness of the City as of the date of the Bonds, including the Bonds being sold, is \$49,165,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Kutak Rock LLP, Kansas City, Missouri, Bond Counsel, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the City and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from Matt Wolff, the City's Finance Director, phone 913-856-7535; from the City's Municipal Advisor, Ehlers & Associates, Inc. of Roseville, Minnesota, phone 651-697-8500; or from Kutak Rock LLP, Bond Counsel, Attn: Tyler Ellsworth 2300 Main St., Suite 800, Kansas City, MO 64108, phone 816-960-0090.

Board of Adult Care Home Administrators

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. Friday, January 3, 2020, at the Kansas Department of Aging and Disability Services Basement Conference Room Northeast, 503 S. Kansas Ave., Topeka, Kansas, to consider the adoption of proposed regulations and the revocation of existing regulations.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Board of Adult Care Home Administrators c/o Health Occupations Credentialing, 503 S. Kansas Ave., Topeka KS 66603-3404 or by email to wendy.davis@ks.gov. Interested parties will also be given a reasonable opportunity during the public hearing to present their views orally regarding the adoption of the proposed regulations. In order to provide all parties an opportunity to present their views, it may be necessary to require that each participant limit any oral presentation to an appropriate amount of time.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by calling 785-296-4986 or emailing kdads.facilities@ks.gov.

A summary of the proposed regulations, the revocations, and their estimated economic impact follow.

K.A.R. 26-38-1 through -11 reorganize and update the Board's regulations to reflect modern drafting standards, comply with changes to state law regarding the use of an applicant's criminal history, and move the regulations to the KDADS chapter.

K.A.R. 28-38-18 through -23, -26, and -28 through -30 revoke the existing regulations.

Economic Impact Statement: The proposed amendments are not anticipated to have any appreciable economic impact on the agency, other agencies, licensees or applicants for licensure, or the general public.

Copies of the complete texts of the regulations and their respective economic impact statements may be obtained by writing the Board of Adult Care Homes at the address above.

Craig Paschang
General Counsel

Doc. No. 047594

State of Kansas

Real Estate Commission

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. Monday, January 6, 2020, at the Kansas Real Estate Commission, 700 SW Jackson, Suite 404, Topeka, KS 66603, to consider the adoption of proposed regulations of the Kansas Real Estate Commission (KREC), on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Commission, 700 SW Jackson, Suite 404, Topeka, KS 66603 or by email to erik.wisner@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Erik Wisner at 785-296-3411.

Summaries of the proposed regulations and their economic impact follow. Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be viewed at <http://www.krec.ks.gov>.

KAR 86-1-10 revises definitions, distance education standards, instructor requirements and renewal dates for courses of instruction approved by KREC. The changes proposed in this regulation should have no economic impact on any regulated entities.

KAR 86-1-11 revises standards and curriculum for courses approved by KREC. The revisions include adding a requirement to use an approved outline for the "Kansas real estate management course," repealing the "broker core," renaming the "salesperson/broker core" to "Kansas required core" course and allowing for a maximum of three hours of continuing education credit during a renewal period to be earned by attending a KREC meeting.

The changes proposed in this regulation should have no economic impact on any regulated entities.

KAR 86-1-12 clarifies procedures for monitoring and withdrawing approval of approved courses. The changes proposed in this regulation should have no economic impact on any regulated entities.

KAR 86-1-13 and 86-1-16 repeal obsolete language related to education standards. The changes proposed in these regulations will have no economic impact.

KAR 86-1-17 revises certain responsibilities of schools who offer approved courses. This includes issuance of certificates to students, submission of electronic course rosters and advertising requirements. The changes proposed in this regulation should have no economic impact on any regulated entities.

KAR 86-1-18, 86-3-6a and 86-3-20 repeal obsolete language due to the passage of 2019 SB 60. The changes proposed in these regulations will have no economic impact.

KAR 86-3-7 defines advertisement or advertising as it pertains to real estate license law and clarifies advertising requirements for affiliated licensees of a supervising broker contained in K.S.A. 58-3086. Any licensee who must change their advertising to comply with this proposed regulation could be financially impacted. In discussions with industry, it appears the major change that would require expenditure of resources is the requirement for the licensee's name or team name to be adjacent to the brokerage name. Since this only applies to digital advertisements, any costs should not be significant.

Erik Wisner
Executive Director

Doc. No. 047604

State of Kansas

Board of Pharmacy

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9:00 a.m. Friday, January 3, 2020, at 800 SW Jackson, Suite 1414, Topeka, Kansas, to review and consider the adoption of proposed permanent regulations of the Kansas State Board of Pharmacy.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the public hearing to Alexandra Blasi, Executive Secretary, 800 SW Jackson, Suite 1414, Topeka, KS 66612-1244 or by email to pharmacy@ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing

(continued)

and may request the regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the public hearing should be made at least 10 business days in advance of the hearing by contacting Alexandra Blasi, Executive Secretary, 800 SW Jackson, Suite 1414, Topeka, KS 66612-1244 or by phone at 785-296-4056. Handicapped parking is located at the north entrance to the building. Curbs at the north entrance are accessible to individuals with disabilities.

Summaries of the proposed regulations and their economic impact follow. Copies of the regulations and economic impact statement may be viewed at <http://pharmacy.ks.gov/statutes-regs/proposed-reg-changes>.

K.A.R. 68-2-5. Pharmacist-in-charge; notice to board. This regulation is being amended to clarify the requirements for notifying the Board of resignation as a pharmacist-in-charge of a pharmacy, including the opportunity to provide earlier notification.

K.A.R. 68-5-16. Ratio of pharmacy technicians to pharmacists. This regulation is being amended to increase the ratio of pharmacy technicians to pharmacists in the pharmacy from 3:1 to 4:1.

Summary of Economic Impact

It is the mission of the Board to ensure that all persons practicing pharmacy are properly licensed and registered, and to ensure compliance with Kansas statutes regarding proper compounding, storage, and dispensing of prescription drugs, maintenance of professional standards, and proper manufacture, distribution, and sale of prescription and nonprescription drugs. Thus, the Board is proposing these regulatory changes.

The Board anticipates minimal impact on business activities or growth. KAR 68-2-5 is merely a clarification of current Board operating practice and no economic impact is anticipated. KAR 68-5-16 sets the maximum number of pharmacy technicians that can be working in a pharmacy under the supervision of one on-duty pharmacist. If technicians have passed a certification exam approved by the Board (now required for all technicians within two years of entry into the profession), the pharmacy will be able to employ four technicians instead of three for each supervising pharmacist. The Board anticipates many pharmacies will choose to operate at the increased ratio allowing more help within the pharmacy and a potential increase in the number of employees staffed during shifts. Any economic impact would be specifically related to the cost of staffing and cost/benefit of increased production depending on how pharmacies choose to operate and would be impossible to quantify. There is no mandate that pharmacies operate at the increased ratio or make any change resulting from these amendments.

For a more detailed summary of the economic impact each specific regulation may have, see the Economic Impact Statements, provided at the website above.

Executive Secretary

Doc. No. 047608

State of Kansas

Department of Agriculture Division of Water Resources

Permanent Administrative Regulations

Article 21.—WESTERN KANSAS GROUNDWATER MANAGEMENT DISTRICT NO. 1

5-21-7. (Authorized by K.S.A. 82a-706a and K.S.A. 82a-1028, as amended by L. 2002, Ch. 137, § 5; implementing K.S.A. 82a-1028, as amended by L. 2002, Ch. 137, § 5 and K.S.A. 2001 Supp. 82a-1903, as amended by L. 2002, Ch. 137, § 7; effective Jan. 24, 2003; revoked Nov. 15, 2019.)

Article 25.—BIG BEND GROUNDWATER MANAGEMENT DISTRICT NO. 5

5-25-2. Well spacing. (a) With the exception of those wells described in subsection (b), the minimum spacing of all wells described in an application to appropriate water for beneficial use, other than those wells for domestic use, shall be 1,320 feet from the following:

- (1) All other non-domestic wells and proposed non-domestic wells that carry an earlier priority; and
- (2) baseflow nodes.

Non-domestic wells shall be 660 feet from all existing domestic wells, except those domestic wells owned by the applicant.

(b)(1) Each replacement well drilled within 300 feet of the originally authorized point of diversion shall be exempt from the well spacing requirement of subsection (a).

(2) Each non-domestic well that proposes the withdrawal of groundwater from the Dakota aquifer or any bedrock aquifer shall be one mile from all other wells withdrawing groundwater from the same formation, including domestic wells, except those domestic wells owned by the applicant.

(3) Each new well that enables the establishment of augmentation in the Rattlesnake creek subbasin pursuant to K.S.A. 82a-706b, and amendments thereto, in relation to other wells that enable or provide augmentation shall be exempt from the well spacing requirement of subsection (a). (Authorized by K.S.A. 82a-706a and K.S.A. 2018 Supp. 82a-1028; implementing K.S.A. 82a-706a and K.S.A. 2018 Supp. 82a-1028; effective May 1, 1980; amended April 19, 1996; amended Oct. 31, 2003; amended Nov. 15, 2019.)

5-25-4. Sustainable yield. (a) Except as specified in subsections (b) and (c), the entire district shall be closed to further new surface water and groundwater appropriations.

(b) The following types of applications shall be exempt from the closure of the district to new appropriations of water described in subsection (a):

- (1) Domestic use;
- (2) temporary permits;
- (3) applications for a change in the point of diversion for which the diversion works have been completed under the original approved application;
- (4) standby wells used for emergency purposes only;

(5) permits to appropriate 15 acre-feet of water or less per year that are exempt pursuant to K.A.R. 5-25-15;

(6) term permit applications of one year or less and those term applications meeting the requirements of K.A.R. 5-25-13;

(7) permits to appropriate water from a bedrock aquifer;

(8) permits to appropriate water from the Dakota aquifer if the applicant can show either of the following:

(A) No Pleistocene aquifer exists within 5,280 feet of the proposed well location; or

(B) there is a significant difference in hydraulic head between the Pleistocene aquifer and the Dakota aquifer;

(9) an application that proposes to use water in a manner so that there is no significant consumptive use of the local source of supply either in quantity or availability of water for use by other appropriators;

(10) any application that will enable or provide augmentation in the Rattlesnake creek subbasin pursuant to K.S.A. 82a-706b and amendments thereto, except that no application shall be approved if the application would impair an existing use. The proposed well location shall meet the spacing requirements of K.A.R. 5-25-2; and

(11) any application filed pursuant to K.A.R. 5-25-22.

(c)(1) For each application for a change in the point of diversion, if the diversion works have not been completed, the application shall be exempt from the closure to new appropriations specified in subsection (a). However, the proposed appropriation, when added to the vested rights, prior appropriation rights, earlier priority applications, term permits for more than a year, and all baseflow node allocations within a two-mile-radius circle whose center is the location of the proposed well, shall not exceed 1,500 acre-feet. It shall be assumed for purposes of analysis that all prior applications, permits, certificates, and vested rights are being fully exercised and that all limitation clauses listed on permits and certificates are in force.

(2) If part of the area within the two-mile-radius circle around the proposed well location is outside the district boundaries, the 1,500 acre-feet quantity of water specified in paragraph (c)(1) shall be reduced proportionately by the percentage of the circle lying outside of the district boundaries. Only the baseflow node allocations, vested rights, prior appropriations, earlier priority applications, and term permits for more than one year assigned to wells within the portion of the circle within the district shall be considered.

(3) If all of the wells authorized under a vested right or an application are not included inside the circumference of the circle, then a reasonable quantity shall be allocated to each well based upon the best available information.

(4) Each analysis for an application for a change in the point of diversion specified in subsection (c) shall include all applications with a priority earlier than the priority established by the filing of the application for change. (Authorized by K.S.A. 82a-706a and K.S.A. 2018 Supp. 82a-1028; implementing K.S.A. 82a-706, K.S.A. 82a-706a, K.S.A. 2018 Supp. 82a-708b, and K.S.A. 2018 Supp. 82a-1028; effective May 1, 1980; amended May 1, 1981; amended, T-86-4, March 22, 1985; amended May 1, 1986; amended May 1, 1987; amended May 1, 1988; amended April 19, 1996; amended March 16, 2001; amended Oct. 31, 2003; amended Nov. 15, 2019.)

5-25-22. Movement of water rights affecting streamflow at Rattlesnake creek. (a) To improve streamflow at the zenith gage on Rattlesnake creek, otherwise known as United States geological survey gage #07142575, each vested or certified water right located within zone D of the division of water resources' map titled "Rattlesnake creek streamflow response regions," dated February 14, 2018, hereby adopted by reference, and subsequently referred to in this regulation as "response map," shall be eligible to offset new appropriations of water located within the district if all of the following conditions are met:

(1) The source of water supply for the currently authorized well is located within zone D of the response map.

(2) The rate and quantity of the existing water right are the maximum rate and quantity available for the new application. The rate and quantity of a new application for irrigation use shall be determined under K.A.R. 5-5-11. A new application may change the use made of water. However, the new application shall not allow for an increase in the net consumptive use greater than the existing water right under K.A.R. 5-5-3.

(3) The water right has reported use between January 1, 2003 and December 31, 2012, and the reported use is equal to or greater than 50 percent of the authorized use in at least two years. Each water right enrolled in a state or federal conservation program during this period that required the voluntary cessation of water use shall be eligible for movement under this regulation if all other requirements are met and the applicant demonstrates the existing water right's ability to pump at least 50 percent of authorized use during any year.

(4) The new location will reduce the impact at the zenith gage by 30 percent or more compared to the current location of the well as determined by the response map. The new location is in an area with less than 40 percent impact at the zenith gage as determined by the response map.

(5) The average saturated thickness in the two-mile-radius circle in which the proposed well will be located is greater than 40 feet as shown on the saturated thickness map in K.A.R. 5-25-19. However, additional site-specific information, including data from more recently drilled wells or test holes, may be submitted to demonstrate that the average saturated thickness is greater than 40 feet.

(6) The water level within the two-mile-radius circle surrounding the proposed well location has not declined more than five percent from the predevelopment water level as shown in the relevant Kansas geological survey bulletins, including bulletin numbers 65, 80, 88, 120, 205, and 206. Any applicant may submit additional site-specific information, including data from more recently drilled wells or test holes, to demonstrate that the area has not declined more than five percent from the predevelopment water level.

(7) The new location will meet the safe-yield analysis based on a two-mile-radius circle with a recharge rate of 2.25 inches and 75 percent available for appropriation pursuant to K.A.R. 5-3-11 or a safe-yield analysis utilizing modeling as completed by the applicant or district.

(8) No other well has previously been authorized by the chief engineer to be relocated within a one-mile radi-

(continued)

us of the proposed well location under this regulation, or the applicant demonstrates that the proposed well will not impair existing water rights.

(9) All other statutory and regulatory requirements for approval of a new appropriation of water for a beneficial use that do not conflict with this regulation are met.

(b) Any new application may request the movement of the entire existing water right to a new location, the movement of an entire existing water right to multiple locations, or the movement of a partial amount of the existing water right to a new location.

(1) Upon approval of any application under this regulation and the completion of diversion works and the application of water to a beneficial use at each new location, the dismissal of the entire existing water right shall be required except for the portion, if any, remaining in the original location. If the location of a new application is determined to be unfeasible after filing an application, the applicant may submit a new application for another location if diversion works have not been completed and water has not been applied to a beneficial use at the previously proposed location.

(2) If any portion of the existing water right remains in the original location, then the water right owner shall file an application to divide the water right proportionally

based on the quantity that will remain and the quantity that will be dismissed to offset each new appropriation before submitting a new application to appropriate water in the district.

(3) For any quantity of the existing water right that remains in the original location, the place of use shall be reduced to the number of acres that can reasonably be irrigated under K.A.R. 5-3-24. This reduction shall be calculated by dividing the remaining quantity of water by the county value according to K.A.R. 5-3-24 to establish the number of acres that can reasonably be irrigated.

(4) A separate application shall be required for each different location that a portion of the existing water right is proposed to offset.

(c) Upon the establishment of a new appropriation under this regulation, the quantity of water dismissed to offset the new appropriation shall not be available for re-appropriation in the previous or original location of the water right. (Authorized by and implementing K.S.A. 82a-706a and K.S.A. 2018 Supp. 82a-1028; effective Nov. 15, 2019.)

David W. Barfield, P.E.
Chief Engineer

Doc. No. 047616

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended, and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2019 Supplement of the *Kansas Administrative Regulations*. Regulations can also be found at http://www.sos.ks.gov/pubs/pubs_kar.aspx.
