State of Kansas

Board of Regents

Notice of Comment Period

The Kansas Board of Regents and Kansas State Department of Education staff are implementing the new *Strengthening Career and Technical Education for the 21st Century Act (Perkins V)* legislation. This Act reauthorizes the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins IV).

The proposed State Plan for Career Technical Education is available at www.kansasregents.org/CTE. The public and interested parties are invited to submit comments through the survey link from November 6, 2019 through December 9, 2019, and all comments will be taken into account in the development of the new State Plan.

Connie Beene, Sr. Director
Career Technical Education

(Published in the Kansas Register November 28, 2019.)

City of Lenexa, Kansas

Notice to Bidders

Sealed bids for 95th Street and Santa Fe Trail Drive intersection improvements (KDOT: 46N-0665-01, CMS: 17196001) will be accepted by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219, until 10:00 a.m. (CST) December 11, 2019, at which time bids will be publicly opened and read aloud. Any bid received after the designated closing time will not be considered and will be returned unopened.

(continued)

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attn: City Clerk, and marked "Bid for: 95th Street and Santa Fe Trail Drive Intersection Improvements. KDOT: 46N-0665-01. CMS: 17196001.

Bidder desiring contract documents for use in preparing bids, as well as copies of plans, specifications, bidding documents, and other contract documents are on file and may be obtained at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214, or <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project

Each bidder will be responsible for ensuring that it has received any and all addenda issued by city in accordance with IB-10 of the instructions to bidders. Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form;
- b. 5% bid security—bid bond, cashier’s check or certified check (see below); and
- c. Acknowledgment of addenda issued by the city.

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by City of Lenexa, Kansas until a contract for the project has been executed. Bid bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond, and statutory bond, each in an amount equal to 100% of the contract amount; required insurance certificates and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of City Clerk, prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a pre-bid conference will be held at 10:00 a.m. December 4, 2019, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

Jennifer Martin

Doc. No. 047695

State of Kansas

Wichita State University

Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university’s educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Doc. No. 047620

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, an approximate ground area consisting of 150,000 square feet or less with the potential for expansion for parking, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on

campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact Vice President for Research and Technology Transfer, Dr. John Tomblin, john.tomblin@wichita.edu or University Property Manager Crystal Stegeman, crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Doc. No. 047641

State of Kansas

Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. In-

(continued)

terested tenants must be a good fit with the university's educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. Doc. No. 047657

State of Kansas

Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Public Notice No. KS-AG-19-360/371

Pending Permits for Confined Feeding Facilities

Name and Address of Applicant	Legal Description	Receiving Water
Beef Belt, LLC Dominic Stephens 1350 E. Road 70 Scott City, KS 67871	SW/4 of Section 29 T19S, R32W Scott County	Upper Arkansas River Basin

Kansas Permit No. A-UASC-C005
Federal Permit No. KS0040240

This is a permit modification and reissuance for an expanding facility with the proposed maximum capacity of 12,500 head (12,500 animal units) of cattle weighing greater than 700 pounds. The facility consists of approximately 132.4 acres of open lot pens and associated feedlot areas. The waste management system includes drainage channels, three sediment basins, and four earthen retention control structures. This facility has an approved Nutrient Management Plan on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

Kansas-Smith Farms, LLC – Farm 13-14 Finishing 23179 #5 Rd. Plains, KS 67869	S/2 of Section 13 T32S, R32W Seward County	Cimarron River Basin
---	--	----------------------

Kansas Permit No. A-CISW-H004
Federal Permit No. KS0089915

An amendment to the Nutrient Management Plan (NMP) and a new Dead Handling Plan was received for this existing facility consisting of Farm 13 and Farm 14 which is currently permitted for 12,720 head (5,088 animal units) of swine weighing more than 55 pounds, and 4,960 head (496 animal units) of swine weighing less than 55 pounds. Farm 13 consists of two enclosed confinement buildings for a total capacity of 3,880 head (1,552 animal units) of swine weighing more than 55 pounds, and 4,960 head (496 animal units) of swine weighing less than 55 pounds. Farm 14 has not been constructed. Plans for the proposed construction of Farm 14 shall be resubmitted to the Department prior to construction. The facility's NMP was amended to reflect the change in Mortality Management. There are no changes in the permitted number of animal units. Only the Amended portion of the NMP and the modified portion of the Permit are subject to comment. This facility has an approved NMP on file with KDHE.

Name and Address of Applicant	Legal Description	Receiving Water
-------------------------------	-------------------	-----------------

This is a renewal permit for an existing facility for 900 head (900 animal units) of cattle weighing greater than 700 pounds. There has been no change in animal units from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
Redden Brothers, LLC 9509 S. Kipp Rd. Gypsum, KS 67448	NW/4 of Section 16 and NE/4 of Section 17 T16S, R01W Saline County	Smoky Hill River Basin

Kansas Permit No. A-SHSA-B001

This is a renewal permit for an existing facility for 75 head (75 animal units) of cattle weighing more than 700 pounds and 70 head (35 animal units) of cattle weighing 700 pounds or less, for a total of 110 animal units. There has been no change in animal units from the last permit.

Name and Address of Applicant	Legal Description	Receiving Water
Haverkamp Brothers, Inc. – Home Farm Alan Haverkamp 2976 L4 Rd. Bern, KS 66408	SW/4 of Section 1 & NE/4 of Section 12 T01S, R12E Nemaha County	Missouri River Basin

Kansas Permit No. A-MONM-H003
Federal Permit No. KS0101729

This permit is being reissued for a confined animal feeding operation for 8,000 head (800 animal units) of swine weighing less than 55 pounds and 4,625 head (1,850 animal units) of swine weighing more than 55 pounds. This represents an increase in the permitted animal units from the previous permit. The permit contains proposed facility modifications consisting of replacing five of the six existing swine buildings with two new enclosed swine buildings with concrete waste pits under the floor. The new swine buildings will utilize the existing wastewater retention structure. The permit will also include the existing wastewater retention structure at the former Haverkamp NW Site that will be depopulated. The wastewater retention structure from the NW Site will be used for additional wastewater storage as needed. This facility has an approved Nutrient Management Plan on file with KDHE.

Public Notice No. KS-AG-19-371

SW/4 of Section 1 & NE/4 of Section 12 T01S, R12E Nemaha County	Missouri River Basin

Kansas Permit No. A-MONM-H003
Federal Permit No. KS0101729

This is notification KDHE has received a complete permit application for the operation of an expanding swine waste management facility capable of housing 8,000 head (800 animal units) of swine weighing less than 55 pounds each and 4,625 head (1,850 animal units) of swine weighing more than 55 pounds each. The complete application can be viewed at the office of the Nemaha County Clerk, the KDHE Northeast District Office in Lawrence, Kansas or the KDHE Main Office in Topeka, Kansas. A permit to operate the proposed swine waste management system will not be issued without additional public notice.

Public Notice No. KS-Q-19-310/316

The requirements of the draft permit public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-g), and Federal Surface Water Criteria.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Eskridge, City of PO Box 156 Eskridge, KS 66423	Dragoon Creek	Treated Domestic Wastewater

Kansas Permit No. M-MC09-0001
Federal Permit No. KS0046400

(continued)

Legal Description: SW¼, NW¼, NE¼ and SE¼. NE¼, NW¼, S8, T14S, R12E, Wabaunsee County

Facility Name: Eskridge Municipal Wastewater Treatment Plant

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. The proposed permit contains a schedule of compliance which states the permittee shall submit facility rehabilitation plans and specifications for KDHE approval and complete construction to achieve compliance. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, and ammonia, as well as E. coli, total phosphorus, total Kjeldahl nitrogen, nitrate + nitrite, and total nitrogen. This facility has been issued a variance from the 2013 ammonia criteria which requires the inclusion of a Pollutant Minimization Plan and an alternate ammonia criteria limit that establish the highest attainable condition for the facility, to meet the terms of the "Multiple-Discharger Lagoon Ammonia Variance" in the NPDES permit.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Johnson Co. Unified Wastewater Districts 11811 S. Sunset Dr., Suite 2500 Olathe, KS 66061-7061	Marais des Cygnes River via Bull Creek (Hillside Lake) via Little Bull Creek	Treated Domestic Wastewater

Kansas Permit No. M-MC51-0001
Federal Permit No. KS0119296

Legal Description: NW¼, NE¼, NE¼, S19, T14S, R23E and SW¼, SE¼, SE¼, S18, T14S, R23E, Johnson County, Kansas

Facility Name: JoCo New Century Wastewater Treatment Facility a.k.a. Little Bull Creek Sewer

Sub-District No. 2 Wastewater Treatment Plant

The proposed action is to reissue an existing State/NPDES permit for an existing facility. The upgraded facility is a complete-mix activated sludge mechanical wastewater treatment plant consisting of coarse screens, grit removal, Parshall flume, primary clarifier (holding basin), pumping station, complete-mix activated sludge basins, final splitter box, three final clarifiers, re-aeration basin, RAS/WAS pumping stations, UV disinfection, flow meter vault, chemical feed systems, and primary sludge and scum are thickened in a dissolved air flotation unit. Waste liquid sludge is transported to the Johnson County Nelson Complex to be dewatered by centrifuge then disposed in a landfill. Grit and screenings are land filled. Sludge drying beds are available. The proposed permit contains limits for inhibited biochemical oxygen demand, total suspended solids, pH, ammonia, whole effluent toxicity, and E. coli, as well as monitoring for total phosphorus, total Kjeldahl nitrogen, nitrate + nitrite, total nitrogen, priority pollutants, and flow.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Kensington, City of PO Box 186 Kensington, KS 66951	Middle Cedar Creek via Unnamed Tributary	Treated Domestic Wastewater

Kansas Permit No. M-SO21-OO02
Federal Permit No. KS0093998

Legal Description: E½, SE¼, SW¼, S28, T3S, R15W, Smith County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a three-cell wastewater stabilization lagoon system. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, pH and E. coli, as well as monitoring for ammonia, total phosphorus, selenium, and sulfates.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Mid-States Materials, LLC PO Box 236 Topeka, KS 66601	Marais des Cygnes River via North Sugar Creek via LaCygne Reservoir	Process Wastewater

Kansas Permit No. I-MC18-PO09
Federal Permit No. KS0095966

Legal Description: S20, T19S, R25E, Linn County, Kansas

Facility Name: LaCygne Quarry

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a limestone quarrying operation with some washing. Outfall 001A1 consists of treated wash-water, which is treated by a settling pond, before being discharged. Outfalls 002A1, 003A1, and 004A1 consists of stormwater runoff and pit water. The proposed permit contains limits for total suspended solids.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Smith County Commission 218 S. Grant Smith Center, KS 66967	Solomon River via North Fork Solomon River via Cedar Creek via Siphon Canal	Process Wastewater

Kansas Permit No. I-SO09-PO01
Federal Permit No. KS0100722

Legal Description: S36, T4S, R15W, Smith County, Kansas

Facility Name: Cedar Pit 95-188-58

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This is a limestone quarrying and crushing operation with no washing. Outfall 003A1 consists of stormwater runoff and pit water treated by a settling pond. Outfalls 001A1 and 002A1 were eliminated. This facility rarely discharges. The proposed permit contains generic language to protect the waters of the State.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Whitaker Aggregates 555 Delaware Humboldt, KS 66748	Marais des Cygnes River via Pottawatomie Creek via Cedar Creek via Unnamed Tributary	Process Wastewater

Kansas Permit No. I-MC53-PO01
Federal Permit No. KS0116025

Legal Description: SE¼, S32, T21S, R19E, Anderson County, Kansas

Facility Name: Welda Quarry

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is engaged in a limestone quarrying operation with some washing. Outfall 001A1 consists of pit dewatering, stormwater and treated wash-water, which is treated by a settling pond, before being discharged. The proposed permit contains limits for total suspended solids.

Name and Address of Applicant	Receiving Stream	Type of Discharge
Wichita, City of 1900 E. 9th St. Wichita, KS 67214	Arkansas River	Treated Domestic Wastewater

Kansas Permit No. I-AR94-PO80
Federal Permit No. KS0092762

Legal Description: Herman Hill Park, NE¼, S5, T28S, R1E, Sedgwick County, Kansas

Facility Name: Gilbert and Mosley Remediation Site

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is for a groundwater cleanup project consisting of thirteen extraction wells located throughout downtown Wichita. The groundwater is contaminated primarily with chlorinated volatile organic compounds and is treated by an air stripper. A sequestering agent is added to the influent of the air stripper. The proposed permit contains limits for tetrachloroethylene, trichloroethylene, and pH, as well as monitoring for flow, volatile organic compounds, total chloride, and total recoverable metals.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before December 28, 2019, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-19-360/371, KS-Q-19-310/316) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

Doc. No. 047691

State of Kansas

Department of Health and Environment

**Notice Concerning Proposed
Phase II Acid Rain Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is proposing to issue a five-year permit to the Kaw Power Station, 2015 Kansas Ave., Kansas City, KS 66105, pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permit is from January 1, 2020 through December 31, 2024.

Three (3) utility boilers affected by this permit action, identified as Unit Numbers 1, 2, 3 in 40 CFR Part 73 Table 2 and EU-BOILERK1, EU-BOILERK2, and EU-BOILERK3 in their Title V Class I Operating Permit are located at the 2015 Kansas Ave., Kansas City, KS 66105, operated by Kansas City Board of Public Utilities, 300

N. 65th St., Kansas City, KS 66102, would receive 789, 620, and 517 allowances, respectively, for each year from 2020 through 2024. Each allowance authorizes the affected unit(s) to emit up to one ton of sulfur dioxide during or after each of the years specified above. Kaw Power Station proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Kaw Power Station to meet all other existing local, state, and federal sulfur dioxide emission requirements.

The designated representative for Kaw Power Station is Ms. Ingrid Setzler.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Unified Government Public Health Department, Division of Air Quality, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Rollin Sachs, 913-573-6700, at the Unified Government Public Health Department, Division of Air Quality. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE, BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, December 30, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, December 30, 2019 in order for the Secretary of Health and Environment to consider the request.

**Notice Concerning Proposed
Phase II Acid Rain Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is proposing to issue a five-year permit to the Quindaro Power Station, 3601 N. 12th St., Kansas City, KS 66104, pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72

(continued)

through 78. The effective date of the permit is from January 1, 2020 through December 31, 2024.

Two (2) utility boilers affected by this permit action, identified as Unit Numbers 1 and 2 in 40 CFR Part 73, Table 2 and EU-BOILERQ1 and EU-BOILERQ2 in their Title V Class I Operating Permit are located at the 3601 N. 12th St., Kansas City, KS 66104, operated by Kansas City Board of Public Utilities, 300 N. 65th St., Kansas City, KS 66102, would receive 2,035 and 2,082 allowances, respectively, for each year from 2020 through 2024. Each allowance authorizes the affected unit(s) to emit up to one ton of sulfur dioxide during or after each of the years specified above. Quindaro Power Station proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Quindaro Power Station to meet all other existing local, state, and federal sulfur dioxide emission requirements.

Unit Number Q2 is a Phase I dry bottom wall-fired boiler and will comply with the standard Btu-weighted annual average emission rate of 0.50 lb NO_x/MMBtu heat input.

The designated representative for Quindaro Power Station is Ms. Ingrid Setzler.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Unified Government Public Health Department, Division of Air Quality, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Rollin Sachs, 913-573-6700, at the Unified Government Public Health Department, Division of Air Quality. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE, BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, December 30, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, December 30, 2019 in order for the Secretary of Health and Environment to consider the request.

**Notice Concerning Proposed
Phase II Acid Rain Permit**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is proposing to issue a five-year permit to the Mid-Kansas Electric Company – Great Bend Station, 335 NW 50th Ave., Great Bend, KS 67530, pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permit is from January 1, 2020 through December 31, 2024.

One (1) natural gas-fired boiler affected by this permit action, identified as Unit Number 3 in 40 CFR Part 73 Table 2 and referred to as EU-BOILER3 in their Title V Class I Operating Permit, is located at 335 NW 50th Ave., Great Bend, KS 67530, operated by Mid-Kansas Electric Company, PO Box 430, Holcomb, KS 67851, would receive 1 allowance for each year from 2020 through 2024. Each allowance authorizes the affected unit(s) to emit up to one ton of sulfur dioxide during or after each of the years specified above. Mid-Kansas Electric Company – Great Bend Station proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Mid-Kansas Electric Company – Great Bend Station to

meet all other existing local, state, and federal sulfur dioxide emission requirements.

The designated representative for Mid-Kansas Electric Company – Great Bend Station is Emily Vsetecka.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Northwest District Office, 2301 E. 13th St., Hays, KS 67601. To obtain or review the proposed permit and supporting documentation, contact Matthew Reynolds, 785-296-1719, at the central office of the KDHE or Anna Thiede, 785-261-6100 at the Northwest District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE, BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, December 30, 2019.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Matthew Reynolds, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, Kansas 66612-1366, no later than 12:00 p.m. Monday, December 30, 2019 in order for the Secretary of Health and Environment to consider the request.

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic Internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) December 18, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) December 18, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

District Six – Southwest

Seward – 54-88 KA-5359-01 – U.S. 54, from the Oklahoma/Kansas state line east to the west city limits of Liberal, ultra-thin bonded asphalt surfacing, 3.9 miles. (Federal Funds)

Julie Lorenz
Secretary

State of Kansas

Department of Transportation

Request for Proposals

Background and Purpose of Project

The City of Wichita, in coordination with the Kansas Department of Transportation, completed an improvement project in June of 2018 at the 111th Street West intersection on West Kellogg Avenue (U.S. 54/U.S. 400). The project removed a traffic signal and eradicated the 111th Street West intersection. Traffic now circulates between area businesses and the U.S. 54/U.S. 400 corridor by utilizing the existing frontage road network; additionally, vehicles traveling southbound on 111th Street West to eastbound U.S. 54/U.S. 400 traffic must now travel westbound and perform a U-turn at 119th Street West. The city's project included additional pavement at the 119th Street West intersection to facilitate U-turn maneuvers for heavy-commercial truck traffic. Area businesses have questioned the effectiveness of the improvement project since completion; more recently, a business owner expressed interest with restoring (limited) direct access from U.S. 54/U.S. 400 to 111th Street West by means of a westbound right-turn exit from U.S. 54/U.S. 400 to go north onto 111th Street West.

Scope of Services to be Performed

The Kansas Department of Transportation (KDOT) is seeking a consultant, prequalified in category 231 Traffic Control Analysis and Design, to provide a third-party, objective assessment of the city's improvement project (Project 54-87 KA-5562-01) and determine to what degree the project has improved the overall safety and operational experience for the traveling public. The consultant will also evaluate the request to construct a westbound right-turn from U.S. 54/U.S. 400 to go north onto 111th Street West from a safety and operational standpoint, including any impacts to the westbound on-ramp from Maize Road and the north frontage road.

Anticipated Schedule for Subsequent Events

Request for Proposals (RFPs) are due by 12:00 p.m. (CST) December 6, 2019. Evaluation and ranking of technical proposals on or about December 20, 2019 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 6, 2020. Agreement in place and in effect January 20, 2020. RFP's are to be delivered via email to kdot.designcontracts@ks.gov.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total to address the pertinent topics. Please use the following naming convention for submittal...FirmName-54-87 KA-5562-01. RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well.

(continued)

RFP's shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project.

Evaluation Factors

RFP's will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors:

1. the quality and completeness of the response;
2. qualifications and experience of consultant design personnel/manager proposed for services;
3. proposed approach for review and analysis;
4. availability to respond to the work;
5. degree to which the firm can provide an objective review and analysis;
6. local input; and
7. past performance history for similar projects/services for KDOT.

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to Request for Proposals

- Special Attachment No. 7 ("Certificate of Final Indirect Costs")
- Special Attachment No. 8 ("Tax Clearance Certificate")
- Special Attachment No. 10 ("Policy Regarding Sexual Harassment")

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special attachments for the Kansas "Tax Clearance Certificate," the "Certification of Final Indirect Costs," and the Special Attachment No. 10 ("Policy Regarding Sexual Harassment") will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at kdot.designcontracts@ks.gov.

Division of Engineering and Design

Doc. No. 047666

State of Kansas

Department of Transportation

Request for Proposals

Project/Submission Requirements

The Kansas Department of Transportation (KDOT) is seeking qualified consulting engineering firm(s), which

must be prequalified in category 323 – Underwater Bridge Inspection, for project KA-1675-03. A PDF must be emailed to kdot.designcontracts@ks.gov, David Lutgen, P.E., Contracts Engineer. The subject line of the reply email and the file name must read "KA-1675-03 LOI – Firm Name." Letters of interest must be received by 12:00 p.m. December 17, 2019 for the consulting firm to be considered. View categories at <http://www.ksdot.org/divengdes/prequal/default.asp>.

Scope of Services to be Performed

This project is to investigate and prepare reports for underwater bridge inspections in accordance with FHWA-DP-90-1 within calendar year 2020. The project has twenty-one (21) locations, which includes four (4) Missouri River crossings. The consultant will need to augment the underwater diving inspections with side scan radar technology. The consultant will also be an "on-call" consultant for additional underwater inspections through calendar year 2024 as warranted by flood events and to fulfill the LPA annual underwater bridge inspection needs.

Anticipated Schedule for Subsequent Events

Request for Proposals (RFPs) are due by 12:00 p.m. (CST) December 17, 2019. Evaluation and ranking of technical proposals on or about December 30, 2019 after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about January 13, 2020. Agreement in place and in effect February 10, 2020.

Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total to address the pertinent topics. Please use the following naming convention for submittal...FirmName-KA-1675-03. RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well. All these forms are attached to the original email announcement.

RFP's shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project.

Evaluation Factors

RFP's will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors: 1) the quality and completeness of the response; 2) qualifications and experience of consultant design

personnel/manager proposed for services; 3) proposed project approach; 4) availability to respond to the work; and 5) past performance history for similar projects/services for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

Exhibits to this RFP

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

Contract Terms and Conditions

A standard KDOT agreement for engineering and technical services will be used for this project. Special attachments for the Kansas “Tax Clearance Certificate,” the “Certification of Final Indirect Costs,” and the Special Attachment No. 10 (“Policy Regarding Sexual Harassment”) will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at kdot.designcontracts@ks.gov.

Doc. No. 047696

State of Kansas

Department of Transportation

Request for Proposals

The Kansas Department of Transportation (KDOT) Office of Public Transportation is providing federal/state funding for the following projects:

Nemaha County Transit (NCT) is seeking proposals from qualified firms to provide architectural and engineering (A&E) services for a transit facility in Seneca, Kansas. The new transit facility will include administrative offices, a meeting room, and covered vehicle parking.

Funding for this project will come from 5339 Bus and Bus Facilities grant, allocated by the U.S.D.O.T. Federal Transit Administration (FTA) and administered by KDOT.

A feasibility study has been completed for this project. This study supports the feasibility of the project, funding has been granted by FTA, and Nemaha County now wishes to proceed with A&E services, including design development and construction documents.

NCT will make the selection of the A&E firm. The contract for A&E services will be executed by the Executive Director for NCT. All processes and contracts will be subject to review and approval by the FTA. Laws, rules, regulations, and approvals by the FTA will be included in all contracts. No decision is final without approval of KDOT, who administers the funding grant.

Written requests for clarification or additional information regarding this project must be directed to Diane Yunghans and received at the NCT office no later than

3:00 p.m. (CST) December 2, 2019. Those requests can be via email and directed to diane.nemahacounty@gmail.com. An addendum which addresses all questions received will be released and emailed by December 4, 2019.

Submittals of professional qualifications must be received by 3:00 p.m. (CST) December 13, 2019 at the NCT office at 710 Pioneer St., Seneca, KS 66538. Any proposals received after that time will not be accepted and will be returned unopened to the proposer.

Firms interested in this project shall submit four (4) copies of professional qualifications and one (1) electronic copy via email. The statement of qualifications shall be transmitted to:

Coffey County Transportation is seeking proposals from qualified firms to provide architectural and engineering (A&E) services for a transit facility in Burlington, Kansas. The new transit facility will include administrative offices, a meeting room, and covered vehicle parking.

Funding for this project will come from 5339 Bus and Bus Facilities grant, allocated by the U.S.D.O.T. Federal Transit Administration (FTA) and administered by the Kansas Department of Transportation (KDOT).

A feasibility study has been completed for this project. This study supports the feasibility of our project, funding has been granted by FTA, and Coffey County now wishes to proceed with A&E Services, including design development and construction documents.

Coffey County Transportation will make the selection of the A&E firm. The contract for A&E services will be executed by the Executive Director for Coffey County Transportation. All processes and contracts will be subject to review and approval by the FTA. Laws, rules, regulations, and approvals by the FTA will be included in all contracts. No decision is final without approval of KDOT, who administers the funding grant.

Written requests for clarification or additional information regarding this project must be directed to Kara Reynolds and received at the Coffey County Transportation office no later than 4:00 p.m. (CST) December 2, 2019. Those requests can be via email and directed to coffeycotransportation@gmail.com. An addendum which addresses all questions received will be released and emailed by December 4, 2019.

Submittals of professional qualifications must be received by 3:00 p.m. (CST) December 13, 2019 at the Coffey County Transportation office at 520 Cross St., Burlington, Kansas. Any proposals received after that time will not be accepted and will be returned unopened to the proposer.

Firms interested in this project shall submit four (4) copies of professional qualifications and one (1) electronic copy via email. The statement of qualifications shall be transmitted to:

Doc. No. 047694

(Published in the Kansas Register November 28, 2019.)

Watco Transportation Services, LLC

Request for Proposals

Watco Transportation Services, LLC is seeking proposals to perform new construction and other ancillary railroad work for the proposed Gavilon Grain project near Silica, Kansas.

Scope

Provide all necessary labor, equipment, and logistical services to supply all materials called for, complete all railroad turnout and track construction work, grade work, seeding, silt fence, and complete other ancillary railroad work required for the Gavilon Grain project. The scope is further described as follows:

- Provide and install approximately 1,585 feet – 115# jointed rail; new 7inch crossties; all needed OTM bolts, angle bars, plates, spikes, and anchors; apply box every 3rd ties; and solid anchor all fixed structures.
- Provide and install one AREMA #10 Turnouts/115# with Sampson points (insulated) and switch ties; approximately 1,585 feet of number 1 relay (tested) rail; one directional flip over derail with flag.
- Provide and install subgrade materials, silt fence, seeding, ballast, tamp and regulate.
- Provide and install 220 ties in existing track along with OTM.

Minimum Requirements

- I. MSA and Roadway Worker Protection: Contractors must complete, and have on file, a current Master Services Agreement with Watco Transportation Services, LLC prior to submitting a proposal.
 - A. Contractor shall comply with all parts of 49 CFR Part 214 regarding FRA Roadway Worker Safety at all times. Men and equipment shall remain clear of the track unless they have gained Roadway Worker Protection from a qualified person.
 - B. Contractor must complete registration of all workers for this project at www.contractororientation.com
- II. Work Windows: Impact to current railroad operations must be kept to a minimum. When work must take place that causes an active track to be taken out of service for the purposes of performing work that pertains to the project, the contractor must pre-arrange a defined work window with the railroad. A minimum of 72 hours of notification is required to the railroad to arrange this window.

- Work windows shall consist of daily eight-hour windows which shall be granted at anytime in a period of 10 hours between the hours of 07:00 and 17:00. Work windows may be arranged seven days a week, if desired. Current railroad operations consist of at least one train per day through the work area. This train operates in the evening hours; however, this schedule is subject to change at any time. This topic will be further discussed and clarified during the pre-proposal meeting.

- III. Standards: All standards referenced by the Project Plans and Specifications, as well as all applicable AREMA standards, must be upheld during all phases of the project work, unless certain standards are excluded from the project with written approval by Watco Transportation Services, LLC. All rail shall be replaced at standard gauge of 56-1/2."
- IV. Submittals: The following documents shall be submitted by the contractor as part of the project – at the times listed:
 - A. Schedule of Work – Submitted with proposal
 - B. Certificate of Insurance – Submitted prior to construction
 - C. Safety Plan – Submitted prior to construction
 - D. Proof of Roadway Worker Training – Submitted prior to construction
 - E. Rail Testing (If AREMA #1 Relay Rail is Used) – Submitted prior to construction
 - F. "Buy America" Documentation – **Not required**
 - G. Rail Weld UT Test Requirements (All Rail Comp Welds) – Submitted with billing
- V. Insurance: Contractor shall purchase required coverage and submit for verification a Certificate of Insurance. Insurance must comply with requirements found in Exhibit B.
- VI. Materials: All materials shall meet the requirements found in the project plans and/or specifications as well as applicable AREMA requirements. Material storage is granted on railroad right of way to the contractor. However, no materials shall be stored closer than 15' from the centerline of any active track at any time. Material and equipment laydown areas and reclaimed materials stockpiling locations shall be discussed and further clarified at the pre-proposal meeting. All removed materials remain property of the KO Railroad, to be stockpiled as directed by a railroad representative.
- VII. Rail Relay and Turnout Construction: Contractor shall relay all rail, replace all turnouts and install other special trackwork per the Project Plans and Specifications. All materials used shall meet AREMA requirements, as well as requirements shown in the Project Plans and Specifications.

Non-Project Areas

Watco Transportation Services, LLC has secured access to the project through the railroad right of way. Other access may be obtained by the contractor if he so chooses. All areas (public, private, and railroad right of way) that are used for access to the project, including parts of

the railroad right of way which have no proposed work, shall be maintained and/or remediated, incidental to the project, by the contractor to the satisfaction of the property owner if any damage to these areas occurs.

Project Completion

All work pertaining to this project shall be completed by May 30, 2020. Failure to complete work by May 30, 2020 may result in the contractor’s removal from the property or charges of \$2500 a day until completed to satisfaction.

Pre-Proposal Meeting

Watco Transportation Services, LLC shall hold a pre-proposal meeting at the project site at 11:00 a.m. (CST) January 7, 2020 at Gavilon Grain, Silica, Kansas. Contractors **are required** to be present at this meeting to submit a proposal or proposal can be rejected.

Submission of a Proposal

All proposals must be submitted no later than January 24, 2020. All submitted proposals shall be reviewed by Watco Transportation Services, LLC. Please ensure your proposal includes all required information. All incomplete proposals shall be rejected. Contractors who wish to submit a proposal **must attend** the pre-proposal meeting. The structure of your proposal must be able to be clearly understood and shall provide the following line items and provide costs as required below:

1. Provide a total sum of all line items on the proposal
2. Mobilization and demobilization – lump sum
3. Construct new grade work
4. Construct 1,585 feet of new track
5. Construct one new complete turnouts
6. Clean up worksite
7. Rehab existing track (220 crossties)

Proposals must be simultaneously emailed to the following personnel:

Neal Jacobs at njacobs@watcocompanies.com
 Steve Morgan at smorgan@watcocompanies.com

For further information regarding the request for proposal, please contact Steve Morgan, KO Roadmaster, Watco Transportation Services, LLC, at 316-215-4089, email smorgan@watcocompanies.com; or Neal Jacobs Cell at 316-215-4087, email njacobs@watcocompanies.com.

Doc. No. 047656

(Published in the Kansas Register November 28, 2019.)

Miami County, Kansas

Summary Notice of Bond Sale

\$6,000,000*

General Obligation Bonds

Series 2019-A

Details of the Sale

Subject to the terms and requirements of the Official Notice of Bond Sale, dated November 6, 2019, of Miami County, Kansas (the “County”), bids to purchase the County’s General Obligation Bonds, Series 2019-A, (the

“Bonds”) will be received at the office of the Finance Director at County Administration Building, 201 S. Pearl St., Suite 200, Paola, KS 66071-1796, or electronically as described in the Official Notice of Bond Sale until 10:00 a.m. (CST) Wednesday, December 11, 2019. The bids will be considered by the governing body at its meeting held at 1:00 p.m. (CST) on the sale date.

No oral or auction bids for the Bonds shall be considered, and no bids for less than 100 percent of the total principal amount of the Bonds and accrued interest to the date of delivery shall be considered.

Good Faith Deposit

Bidders must submit a good faith deposit in the form of a wire transfer or certified or cashier’s check made payable to the order of the County, or a financial surety bond (if then available), in an amount equal to 2% of the principal amount of the Bonds.

Details of the Bonds

The Bonds will be dated December 30, 2019 and will be issued as registered bonds in denominations of \$5,000, or any integral multiple thereof. Interest on the Bonds is payable semiannually on March 1 and September 1 of each year, beginning March 1, 2021. Principal of the Bonds becomes due on September 1 in the years and amounts as shown below:

Maturity Schedule

Principal Amount*	Maturity Date	Principal Amount*	Maturity Date
\$385,000	2021	\$510,000	2027
465,000	2022	520,000	2028
470,000	2023	530,000	2029
480,000	2024	540,000	2030
490,000	2025	550,000	2031
500,000	2026	560,000	2032

Payment of Principal and Interest

The Treasurer of the State of Kansas will serve as the Bond Registrar and Paying Agent for the Bonds.

Book-Entry Bonds

The Bonds will be issued and registered under a book-entry-only system administered by The Depository Trust Company, New York, New York (“DTC”).

Delivery of the Bonds

The County will prepare the Bonds at its expense and will deliver the registered Bonds to DTC on or about December 30, 2019. Any bond printing costs will be paid by the County from the proceeds of the Bonds or other County funds.

Legal Opinion

The Bonds will be sold subject to the legal opinion of Triplett Woolf Garretson, LLC, Wichita, Kansas, Bond Counsel, whose fees will be paid by the County.

Financial Matters

The County’s current assessed valuation for purposes of calculating statutory debt limitations is \$484,372,977. As of December 30, 2019, the County’s total outstanding general obligation debt (including the Bonds), is \$6,522,000*. The County’s total indebtedness which is

(continued)

subject to debt limitation, as of December 30, 2019, is estimated to be \$6,244,503.00*, which is 1.29%* of the assessed valuation of the County.

Additional Information

For additional information contact the Finance Director at the address and telephone number shown below, or the Municipal Advisor, Raymond James & Associates, Inc., Attn: Mr. Greg Vahrenberg, 1201 Walnut, 21st Floor, Kansas City, MO 64106, telephone 816-509-5451.

Doc. No. 047692

(Published in the Kansas Register November 28, 2019.)

City of Abilene, Kansas

**Summary Notice of Bond Sale
\$4,290,000***

General Obligation Bonds, Series 2019-B

**(General Obligation Bonds Payable
from Unlimited Ad Valorem Taxes)**

Bids

Subject to the Notice of Bond Sale dated November 12, 2019 (the "Notice"), facsimile and electronic bids will be received on behalf of the Finance Director of the City of Abilene, Kansas (the "Issuer") in the case of facsimile bids, at the address set forth below, and in the case of electronic bids, through PARITY® until 10:00 a.m. (CST) December 9, 2019, for the purchase of the above-referenced bonds (the "Bonds"). No bid of less than 100% of the principal amount of the Bonds and accrued interest thereon to the date of delivery will be considered.

Bond Details

The Bonds will consist of fully registered bonds in the denomination of \$5,000 or any integral multiple thereof. The Bonds will be dated December 20, 2019, and will become due on March 1 in the years as follows:

Year	Principal Amount*	Year	Principal Amount*
2020	\$260,000	2025	\$510,000
2021	465,000	2026	520,000
2022	480,000	2027	525,000
2023	495,000	2028	535,000
2024	500,000		

The Bonds will bear interest from the date thereof at rates to be determined when the Bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 2020.

Book-Entry-Only System

The Bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Treasurer of the State of Kansas, Topeka, Kansas.

Good Faith Deposit

Each bid shall be accompanied (in the manner set forth in the Notice) by a good faith deposit in the form of a cashier's or certified check drawn on a bank located in the United States of America or a wire transfer in Federal Reserve funds immediately available for use by the Issuer in the amount of \$85,800.

Delivery

The Issuer will pay for preparation of the Bonds and will deliver the same properly prepared, executed, and registered without cost to the successful bidder on or about December 20, 2019, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The Equalized Assessed Tangible Valuation for Computation of Bonded Debt Limitations for the year 2019 is \$64,658,070. The total general obligation indebtedness of the Issuer as of the Dated Date, including the Bonds being sold, is \$11,745,000.

Approval of Bonds

The Bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Wichita, Kansas, Bond Counsel to the Issuer, whose approving legal opinion as to the validity of the Bonds will be furnished and paid for by the Issuer, printed on the Bonds, and delivered to the successful bidder as and when the Bonds are delivered.

Additional Information

Additional information regarding the Bonds may be obtained from the undersigned or from the Financial Advisor at the addresses set forth below:

State of Kansas

Department of Health and Environment

Notice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment (KDHE), Division of Public Health, Bureau of Epidemiology and Public Health Informatics, will conduct a public hearing at 10:00 a.m. Wednesday, February 19, 2020, in the Azure Conference Room, fourth floor, Curtis State Office Building, 1000 SW Jackson, Topeka, Kansas, to consider the adoption of proposed amended KDHE Article 24 regulations 28-24-1, 28-24-2, 28-24-3, 28-24-4, 28-24-5, 28-24-6, 28-24-7, 28-24-8, 28-24-9, 28-24-10, 28-24-11, 28-24-12, 28-24-13, and 28-24-14, regarding sanitary standards for the practice of cosmetology, nail technology, electrology, and esthetics.

A summary of the proposed regulations and estimated economic impact follows:

Summary of Regulations:

K.A.R. 28-24-1. Definitions. Adds definitions for the terms disinfect, disinfectant, practitioner, safety data sheet, and sterilization. Revises the definitions of the terms bleach solution, clean, consumer, product, protective gloves, school, and single-use.

K.A.R. 28-24-2. Personal cleanliness. Requires that a practitioner clean their hands or use an alcohol-based hand sanitizer before and after each consumer service.

K.A.R. 28-24-3. Communicable diseases or conditions. Stipulates that a practitioner shall not provide services to a consumer who has a communicable disease or condition, as suggested by certain conditions, and that a practitioner who has a communicable disease or condition, as suggested by certain conditions, shall not provide services to a consumer. Specifies procedures if a service is started and the practitioner discovers that the consumer has a communicable disease or condition.

K.A.R. 28-24-4. Linens and capes. Updates the procedures for cleaning used linens and capes and the procedures for storing clean linens and capes.

K.A.R. 28-4-5. Surfaces and treatment tables. Requires that a practitioner daily disinfect surfaces that come into contact with a consumer during services and that treatment tables be covered with clean examination paper, paper towels or linen before providing services to each consumer.

K.A.R. 28-4-6. Products and containers. Requires that product be kept in labeled and closed containers. Specifies the procedures for handling product if only a portion of a product is used on a consumer and the procedures for use of cosmetic pencils.

K.A.R. 28-24-7. Waxing. Updates the procedures for using wax or sugar paste.

K.A.R. 28-24-8. Single-use items. Updates the procedures for storage and disposal of single-use items.

K.A.R. 28-24-9. Pedicure equipment. Requires that pedicure equipment be cleaned immediately after each pedicure service and updates the procedures for cleaning pedicure equipment. Adds requirements for cleaning ped-

icure equipment if a pedicure liner was not used during the pedicure service. Specifies that pedicure equipment remain clean and disinfected even if the equipment is not in service or not able to be used in a service.

K.A.R. 28-24-10. Cleaning and disinfecting nonelectrical instruments and equipment. Updates procedures for cleaning and disinfecting nonelectrical instruments and nonelectrical pieces of equipment other than shears and makeup brushes. Adds requirements for disinfecting shears and makeup brushes.

K.A.R. 28-24-11. Disinfecting electrical instruments. Updates the procedures for disinfecting electrical instruments and requires that electrical instruments be disinfected after each consumer service. Adds requirements for cleaning towels in a towel warmer, for disinfecting towel warmers, and for disinfecting each metal bit and mandrel for an electric file.

K.A.R. 28-24-12. Electrolysis instruments, equipment, and practices. Requires that practitioners use only single-use electrolysis instruments or sterilized electrolysis equipment on a consumer. Updates the procedures for sterilizing electrolysis instruments and equipment and for disposing of needles and other sharp items.

K.A.R. 28-24-13. Physical facilities. Requires that each owner of a school, establishment, or mobile establishment ensure the applicable requirements of this regulation. Specifies the following requirements for each school or establishment: floors, walls, ceilings, furniture, and fixtures that are clean and in good repair; plumbing that provides hot and cold running, potable water and provides for disposal of used water; two restrooms for each school; restrooms in the building in which the establishment or school is located; a restroom sink not used for services or cleaning instruments or equipment; for cosmetology services, a shampoo bowl with sprayer and hot and cold running water separate from the restroom. Adds a requirement that establishments that provide nail technology, esthetics or electrology have a hand-washing sink with hot and cold running water separate from the restroom.

K.A.R. 28-24-14. Prohibitions. Adds possessing methyl methacrylate monomer (MMA) and any product banned or restricted by the board of cosmetology as prohibited in an establishment or school. Specifies that a practitioner shall not carry any instrument or supplies in or on a garment or uniform.

Economic Impact:

Cost to the agency: The proposed regulations will not result in any costs to KDHE or any costs that could not be absorbed in the ongoing KDHE budget.

Cost to the regulated community: The proposed regulations will potentially have implementation and compliance costs for the total number of licensed facilities, including licensed schools, of approximately \$46,872.00 annually. The most costly expense will be the required disinfection of surfaces that come into contact with consumers. This expense is estimated to be a yearly increase per licensed facility of \$10.80.

Cost to other governmental agencies or units: The Kansas Board of Cosmetology is required by statute to in-

(continued)

spect cosmetology, electrology, and tanning facilities to protect the health and safety of the consuming public. The proposed regulations will add only minimal costs that will be absorbed in the ongoing budget of the Kansas Board of Cosmetology.

A detailed economic impact is provided in the economic impact statement that is available from the KDHE contact person or at the KDHE Bureau of Epidemiology and Public Health Informatics website, as listed below.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Farah S. Ahmed, MPH, PhD, Environmental Health Officer and State Epidemiologist, Bureau of Epidemiology and Public Health Informatics, Kansas Department of Health and Environment, Curtis State Office Bldg., 1000 SW Jackson, Suite 330, Topeka, KS 66612-1365, by email to Farah.Ahmed@ks.gov, or by fax to 877-427-7318. During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulations as well as an opportunity to submit their written comments. It is requested that each individual giving oral

comment also provide a written copy for the record. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulations and the corresponding economic impact statement may be obtained from the KDHE Bureau of Epidemiology and Public Health Informatics website at <http://www.kdheks.gov/bephi/index.html> at the Regulations and Statutes link, or by contacting Farah S. Ahmed at Farah.Ahmed@ks.gov, 785-296-6426, or fax 877-427-7318. Questions pertaining to the proposed regulations should be directed to Farah S. Ahmed at the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Farah S. Ahmed.

Secretary

Doc. No. 047677

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended, and revoked administrative regulations and the volume and page number of the *Kansas Register* issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2009 Volumes of the *Kansas Administrative Regulations* and the 2019 Supplement of the *Kansas Administrative Regulations*. Regulations can also be found at http://www.sos.ks.gov/pubs/pubs_kar.aspx.
